Los títeres de Cachiporra

A close-up of a marionette head, likely from a puppet show. The head is painted with a wide, toothy grin and large, expressive eyes. It is set against a dark background with a red and yellow striped pattern. The marionette is wearing a red and yellow striped headband. The text "Los títeres de Cachiporra" is overlaid on the image.

Los Tteres De Cachiporra Spanish Edition:

The Pirandellian Mode in Spanish Literature from Cervantes to Sastre Wilma Newberry, 1973-06-30 This volume is a vision of Spanish literature seen through Pirandellian eyes Those themes and techniques which Pirandello stamped with his name have actually characterized a segment of Spanish writing from the time of Cervantes Professor Newberry first examines those writers who preceded Pirandello or could not have felt his influence and then those who acknowledged the Italian s mastery or who wrote in the ambience he created She emphasizes how old are the Spanish themes that illusion and reality intermingle that life is fiction and fiction life that madness is often saner or preferable to sanity Meticulously she chronicles the Spaniards use of techniques associated with these themes the play within a play the theater that mingles fiction and life the breakdown of barriers between audience and stage the autonomous character Beginning with Cervantes s Don Quijote where madness and sanity change the very nature of reality and illusion she moves forward to Calder n s El gran teatro del mundo and other relevant works between Lope de Vega and Gald s The author devotes a special chapter to the g nero chico and particularly the sainetes of Ram n de la Cruz for these works kept Pirandellian concepts alive during the somewhat infertile eighteenth century After examining Echegaray whose romantic works she shows to be only part of his contribution Professor Newberry turns to Ram n whom she skillfully links to the cubist school of painting There follows an extended discussion of Unamuno particularly his novel Niebla with its famous autonomous character Augusto P rez The second part of this book deals with those authors aware of Pirandello and his work Professor Newberry begins with Azor n whose enthusiasm for and understanding of Pirandello and the tendencies associated with him are greater than those of any other Spanish writer Her brief examination of the Machado brothers shows how they have taken Pirandello s investigation into being and seeming and translated it into their own terms Because his most popular work is not Pirandellian few people have ever observed Pirandellian aspects in Garc a Lorca s writing but El P blico and other works certainly contribute to this book Casona on the other hand is enveloped by what Azor n described as the Pirandellian mist although Casona s treatment of how reality and illusion intermingle is uniquely his own Not limiting herself to discussing Grau s El se or de Pigmalion a play often considered in relation to Pirandello Professor Newberry brings up three other works that clearly indicate Grau s involvement in these themes and techniques Indeed one of his plays even incorporates a character Pirandello rejected and rarely have Spanish playwrights broken down the barriers between stage and audience so completely as Grau does in Tabar n Luca de Tena is shown to raise most Pirandellian problems in his plays but unlike the Italian he systemically rules in favor of life his conflicts are lighter and their resolution is happier Pedro Salinas the last author Professor Newberry considers at length is rarely studied as a playwright but his plays show the characteristic imprint of Pirandello fiction and reality are confused there are problems of identity he uses the autonomous character Nonetheless Salinas s basic view of life is diametrically opposed to Pirandello s for he is filled with love joy optimism and faith in the possibility of clarifying reality

Finally the author looks at the Arte Nuevo group particularly Sastre and Palacio and she also considers Sotelo who like the other two was influenced not only by Pirandello but also by Thornton Wilder Professor Newberry provides a consistently interesting picture of how Spanish literature has always shown great interest in those themes and techniques we have come to call Pirandellian and how it has given them a stamp uniquely its own In an appendix the author includes a brief discussion of the Spanish works found in Pirandello's study *New York State Council on the Arts Annual Report* New York State Council on the Arts, 1969 **Cross-cultural Approaches to Theatre** Phyllis Zatlin, 1994 Provides a comprehensive view of the interrelationship between Spain and France with emphasis on the 1970s and 1980s **Philological Papers**, 1998

The Drama Scholars' Index to Plays and Filmscripts Gordon Samples, 1974 The book can be a goldmine James Leverett Theatre Communications **Index to Twentieth-Century Spanish Plays** Tony A. Harvell, 2000-02-22 Organized into author source and title indexes this volume contains lists of plays by Galician Catalan and Basque writers as well as those writing in Castilian Spanish Many of these plays date from early in the century because there were a number of Spanish weeklies that published dramatic pieces at that time Harvell a professor at the Copley Library U of San Diego also includes translations into English where they exist Annotation copyrighted by Book News Inc Portland OR *Golden Age Spanish Literature* J. E. Varey, 1991 **Collected Plays [of] Federico García Lorca** Federico García Lorca, 1976 National Union Catalog, 1956 Includes entries for maps and atlases **The Arizona Quarterly**, 1965 **Dictionary of Puppetry** Alexis Robert Philpott, 1969 Marionette Theater of the Symbolist Era Keith Tribble, 2002 Unlike many compendiums which are nothing more than a helter skelter collection of articles editor Dr Keith Tribble arranges his scholarly work in a topical and sequential order addressing the European antecedents of the puppet symbol marionette images in Russian symbolist literature and theater some actual cases of puppet theaters and the legacy of the marionette theater in later twentieth century Russian literature **Fantasy**, 1969 Radio Times, 1959 *Dramatists in Perspective* Gwynne Edwards, 1985 Studies of Valle Incl n Garc a Lorca Alberti Buero Vallejo and Sastre Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.
