Louis Xiv Henry Jean Servat:

Brigitte Bardot Barnett Singer, 2013-03-11 Actress and sex symbol Brigitte Bardot had a stunning career in France and America in the mid 20th century Since the 1970s she has dedicated her life to the welfare and protection of animals with much personal involvement In this book the author makes the case that far from being a pretty face or a spotlight grabber Bardot was an accomplished actress and has always been an intelligent sensitive individual Chapters acquaint readers with her Paris childhood and her rebellious coming of age in a Catholic bourgeois family who disapproved when she appeared on the cover of Elle magazine and was offered a screen test The book examines her years in film with careful analysis of her films and also covers her tumultuous personal life including suicide attempts and the beginnings of her interest in animal protection Final chapters detail her efforts in worldwide animal welfare activism including the work of her own international foundation

Anglicisms, Neologisms and Dynamic French Michael D. Picone, 1996-10-18 This comprehensive study of Anglicisms in the context of accelerated neological activity in Contemporary Metropolitan French not only provides detailed documentation and description of a fascinating topic but opens up new vistas on issues of general linguistic interest the effects of technology on language the analyticity syntheticity controversy the lexical contribution to language vitality the study of compound word formation the interplay between cultural and linguistic affectivity By investigating the dynamics of borrowing within the larger framework of general neological productivity and by bringing to bear cognitive and pragmatic considerations a much needed fresh approach to the entire question of Anglicisms takes shape All pertinent phenomena regarding Anglicisms in French a topic which continues to command the attention of language commentators and defenders in France and elsewhere are explored integral borrowings semantic calques structural calques the generation of pseudo Anglicisms and hybrids graphological and phonological phenomena In each case the phenomenon is investigated in the proper context of its interaction with other pertinent neological phonological and sociocultural developments These include general changes in French compound word formation modified derivational dynamics the microsystem of pseudo Classical morphology historic phonological instabilities the pressure for more synthetic types of lexical production in relation to the needs of technology and society Rather than adhering rigidly to any single theoretical model there is an attempt to set up a dialog between differing models in order to arrive at a multidimensional view of the phenomena investigated
