Love Alone Eighteen Elegies For Rog:

Love Alone Paul Monette, 2014-03-25 Paul Monette's fierce and arresting collection of poems on the death of his partner from AIDS. Following his partner Roger Horowitz's death from AIDS in 1986, Paul Monette threw himself into these elegies. Writing them, he says quite literally, kept me alive. Both beautifully written and deeply affecting, every poem is full of anger, sorrow, tenderness, and a palpable sense of grief. With graceful language and emotional acuity, Paul Monette captures the enormity of a loss that ravaged a generation. But even more than they are about tragedy, these poems are about love. Each moving line is full of love for one who is no longer there but whose presence is still achingly felt at every turn. *Love Alone* is remarkable for its honesty, its passion, and its depth. This ebook features an illustrated biography of Paul Monette including rare images and never before seen documents from the Paul Monette papers of the UCLA Library Special Collections. No Witnesses Paul Monette, 2014-03-25 An enthralling collection of poetry from National Book Award winner Paul Monette. Come what can, the body do but go on when the best of us are eaten from within, writes Paul Monette in the titular poem. This mixture of doom and determinedness is played out with humor and warmth in Monette's poetry. In this quicksilver collection, his words are in perpetual motion, traveling from the Parthenon to Ohio and everywhere in between. Meditating frequently on sex, nostalgia, and love, these poems are serious without ever becoming humorless. They include charming and funny monologues from Isadora Duncan and Noël Coward. Accompanied by original artwork by David Schorr, *No Witnesses* is an absorbing book of poetry from an acclaimed author. This ebook features an illustrated biography of Paul Monette including rare images and never before seen documents from the Paul Monette papers of the UCLA Library Special Collections.

The Culture of Pain David B. Morris,1991-09-09 This is a book about the meanings we make out of pain The greatest surprise I encountered in discussing this topic over the past ten years was the consistency with which I was asked a single unvarying question Are you writing about physical pain or mental pain The overwhelming consistency of this response convinces me that modern culture rests upon and underlying belief so strong that it grips us with the force of a founding myth Call it the Myth of Two Pains We live in an era when many people believe as a basic unexamined foundation of thought that pain comes divided into separate types physical and mental These two types of pain so the myth goes are as different as land and sea You feel physical pain if your arm breaks and you feel mental pain if your heart breaks Between these two different events we seem to imagine a gulf so wide and deep that it might as well be filled by a sea that is impossible to navigate

Gender, Race, and Mourning in American Modernism Greg Forter,2011-04-14 American modernist writers engagement with changing ideas of gender and race often took the form of a struggle against increasingly inflexible categories Greg Forter interprets modernism as an effort to mourn a form of white manhood that fused the masculine with the feminine He argues that modernists were engaged in a poignant yet deeply conflicted effort to hold on to socially feminine and racially marked aspects of identity qualities that the new social order encouraged them to disparage Examining

works by F Scott Fitzgerald Ernest Hemingway William Faulkner and Willa Cather Forter shows how these writers shared an ambivalence toward the feminine and an unease over existing racial categories that made it difficult for them to work through the loss of the masculinity they mourned Gender Race and Mourning in American Modernism offers a bold reading of canonical modernism in the United States
