Love Is The Thread A Knitting Friendship:

Love is the Thread Leslie Moise, Ph.D., 2011-12-01 Sustained by the metaphor of knitting the memoir *Love is the Thread* traces the way one spiritual friendship can change all our relationships with strangers and friends from friends to family and beyond *Love is the Thread* centers on the friendship between two women one snared in a life long struggle with bipolar disorder the other reweaving her life after an abusive relationship Spirituality encounters with nature and vacations on the Delaware shore form the threads of a friendship as varied and closely knit as the stitches in a handmade sweater From the discovery of hidden colors in fresh snow to the satisfaction of teaching a young nephew to knit *Love is the Thread* savors life's small glories ultimate challenges and all the moments of humor and tenderness in between **Adam & Evelyn** Pat Ballard, 2015-02-01 Evelyn Carmichael arrived in Nashville Tennessee with hopes of starting a new life for her and her four year old daughter far far away from her abusive ex husband She was absolutely sure she could make a life for them without the help of any man on Earth And then she met Pastor Adam Singletary From his vantage point on the stage Adam Singletary's body went very still as he watched the woman slip quietly otherwise unnoticed into the back of the church and take a seat on the last row She set her purse on the floor and then looked up directly into his eyes An arc of unseen electricity connected them jolting his body to the center of his being She's finally here he thought Judith Leslie Moise, 2013-11-01 In the ancient Middle East a pious wealthy young widow risks her life to save her town from a besieging army Judith is a finalist in the 2015 International Book Awards The apocryphal Book of Judith is considered by some to be fiction its actual historical truth in doubt Publishers Weekly says But thechutzpah of its heroine and its message of fidelity to God arouse both admiration and inspiration Moise *Love is the Thread A Knitting Friendship* a folklore specialist evokes the heroine's side of this ancient parable Extensive research into the period when events in the story of Judith occurred around 350-100 BCE allows her to include abundant detail regarding the customs clothing and domestic arrangements of Hebrew villagers behaviors of Assyrian warriors and in particular perceptions and treatment of women Faithful widow Judith grieving and childless befriends the Assyrian defector Achior whose message from Nebuchadnezzar's general Holofernes to Judith's village of Bethulia is Surrender or die As Holofernes lays siege to the village Judith receives visions from God and pleas from her friends to help save the village In danger of rape and death she overcomes fear through faith and ritual with the support of her maid Abra Achior and the general's slave Her defeat of Holofernes forms the satisfying climax of this occasionally slow moving but always well imaged novel Poems of Reckoning and Hope Félix Garmendía, 2022-03-01 In his second collection of poems we meet Félix Garmendía again after he has been settled in Washington Heights for years with his husband Denis With Denis he and his wheelchair Purple Raven swing around Fort Tryon Park the streets the building and the apartment in all seasons There Félix bears witness to some of the most frightening occurrences of the last fifty years the disinformation and bigotry of a feral out of control administration the explosion of racism the pandemic and the storming of the Capitol

Through his eyes we watch exhausted healthcare workers exit hospitals still wearing their equipment to a universal round of applause played out differently in every New York neighborhood We see Black people murdered by police We shiver with anger at the blend of authoritarianism and misinformed rage that almost guts the heart of our democracy And yet through it all through Felix we also find the grace and courage to laugh and find our own oases of hope Felix is a poet HIV survivor and disabled due to Inclusion Body Myositis He survived his early years in conservative Catholic Puerto Rico and arrived in Manhattan New York City in 1988 His poems narrate his life as a gay activist poet and storyteller in the face of illness and intolerance Because of his Inclusion Body Myositis Felix has become adept at typing with one finger He has also become incredibly enchantingly adept at capturing the mood of a year a day a season a place As in his first poetry collection *Flying On Invisible Wings* Felix sculpts with words the very heart of his wishes hopes failings and cares But here they are often the wishes hopes failings and cares of a nation as well With Felix we emerge from the deluge that the last few years have brought into our lives We find the calm place again
