6 in the morning that began with the intriguing incantation My angel my all myself It included no address and no name of the addressee except for the now famous my immortal beloved hyperbole containing passionate declarations of love and was signed L forever yours forever mine forever us Thus was born a biographical mystery of the artistic canon of the Western World second only in tantalizing appeal to the identity of the person signing as William Shakespeare Two hundred years later biographers still have not come to a consensus on the mystery Of the many candidates advanced in the meantime only a few have survived in biographical literature Stefan Roman s book brings the controversy to a close It clarifies the existing evidence that has often been muddled and at times reached the absurd during almost two centuries of scholarly speculations He also adds some new insights into the analysis of the evidence thus making it easier for readers to draw their own conclusions hopefully not different from his namely that only one of the candidates proposed so far fits the evidence He also provides a substantially modified scenario from the one advanced by her proponents Born in Romania during WWII and immigrated to the U S A in 1989 Stefan Roman is not a musician nor a musicologist He is an engineer by formation a man of exactitude and clear and logical thinking qualities that served him thoroughly when he became an amateur Beethoven scholar A long time member of American Beethoven Society and of its French counterpart Association Beethoven France et Francophonie he has published in their professional journals bringing valuable contributions to understanding Beethoven s life and creation His Ending the Fifth article answered a question that had puzzled musicians scholars and music lovers alike for two hundred years why does Beethoven s Fifth Symphony end with that apparently interminable series of C major chords He took up the pen by force of circumstance for his Beethoven s Immortal Beloved when he realized that all the proposed solutions to the mystery relied on wild speculation and sometimes even falsifying the existing evidence I'm an Immortal Descendant Kan MenGou,2020-09-09 As the spiritual energy recovered Wang Yu s father went to the depths of the mountains to cultivate Fourteen years later when he achieved the path of cultivation and reached the heavens he came back to find his only son Wang Yu However he was the god of this world After joining the Dao of the Heavens even without a mortal body he could not recklessly disrupt the balance of the Heavenly Dao or else the Heavenly Dao would collapse Thus he gave his son a life account system As long as you charge money you can become a VIP user The Banished Immortal Ha Jin,2019-01-15 From the National Book Award winning author of Waiting a narratively driven deeply human biography of the Tang dynasty poet Li Bai also known as Li Po In his own time 701 762 Li Bai s poems shaped by Daoist thought and characterized by their passion romance and lust for life were never given their proper due by the official literary gatekeepers Nonetheless his lines rang out on the lips of court entertainers tavern singers soldiers and writers throughout the Tang dynasty and his deep desire for a higher more perfect world gave rise to his nickname the Banished Immortal Today Bai s verses are still taught to China s schoolchildren and recited at parties and toasts they remain an inextricable part of the Chinese language With the instincts of a master novelist Ha Jin draws on a wide range of historical and literary sources to weave the great poet s life

story He follows Bai from his origins on the western frontier to his ramblings travels as a young man which were filled with
 filled with striving but also with merry abandon as he raised cups of wine with friends and fellow poets Ha Jin also takes us
 through the poet's later years in which he became swept up in a military rebellion that altered the course of China's history
