Vanessa Ann,2018-02-02 Loving yourself sometimes is not an easy thing to do Self doubt anxiety low self esteem You have heard all these phrases before They are very real and very unhealthy They hold us back and keep us from accomplishing our full potential and from being our best self In this book I am going to give you 30 healthy ways to find yourself again and to be in touch with very soul This book is simply to the point but it digs deep and gives you facts in a blunt manner However with that being said I am giving you some homework to do You will be working on YOURSELF You are your very own project It is time to do this for yourself At the end of each page below the statement being made to help you be a better you there is a good amount of space left blank intentionally for you to write below exactly what steps you have taken to reach this goal or what actions you are going to be taking in the near future to be able to reach this goal It has been proven that goals are more likely to be achieved if they are written down so this is a way to not let yourself off the hook in a sense I give you the blunt information of the steps you need to take Taking them is up to you So get out your favorite pen and start marking your goals and achievements for you to be proud of I give you the knowledge By the end of the book you will be a new person I promise
