Losing Moses On The Freeway The 10 Commandments In America:

Losing Moses on the Freeway Chris Hedges, 2005-06-07 The 10 Commandments the laws given to Moses by God are beyond the scope of human law They are rules meant to hold us together but when dishonored they lead to discord and violence In this fierce articulate narrative Hedges who graduated from seminary at Harvard Divinity School looks through the lens of each commandment to examine the moral ruin of American society With urgency and passion he challenges readers to take a hard look at the disconnect between their supposed values and the shallow self absorbed lives many people actually lead Taking examples from his personal life and twenty years of reporting Hedges explores one commandment at a time each through a particular social group With each story he reveals the universal nature of personal suffering discovery and redemption and explores the laws that we have tried to follow often unsuccessfully for the past 6 000 years *Losing Moses on the Freeway* Chris Hedges, 2006-08-07 A veteran war correspondent shares examples from his personal life and career to discuss how specific American social groups can benefit from an adherence to the Ten Commandments MitzvahChic Gail Anthony Greenberg, 2006-10-03 An indispensable modern day guide to planning the perfect bar or bat mitzvah celebrating substance and style There used to be only two approaches to the bar or bat mitzvah party a low key event that reflects the solemnity of this sacred rite of passage or a big bash that has no connection to the religious service For many it was an impossible dilemma Will a big bash trivialize and overshadow the bar or bat mitzvah experience Will too much spirituality suck the life out of an otherwise fabulous party MitzvahChic is the first book that proves that if you want a truly amazing experience you can and must have it all Blending meaningful Jewish elements with high style contemporary party planning this inspiring and useful guide will show you how to have the ultimate bar or bat mitzvah a profoundly moving service followed by an unforgettable party The MitzvahChic approach also shows how to honor your child in a big way rather than reducing him or her to an overused pop culture theme or a single cliché He's into baseball She loves horses This must have guide gives advice on the major decisions the basics of the service and the party details that really matter It also features A complete guide to the Torah including dates and summaries of the portions and supplementary materials Eight complete themed parties including party favors decorations and photographs of sample tables A time line to help plan the bar or bat mitzvah up to two years ahead Instructions for being MitzvahChic on a budget Advice on how to include non Jewish friends and family members in the ceremony A practical guide to all things mitzvah from the Torah to the tablecloth MitzvahChic will help create a beautiful powerful resonant and unforgettable rite of passage Ten Sean Gladding, 2013-12-06 To most people the Ten Commandments represent archaic rules dictated by a taskmaster God But what if they are actually a promise of the covenant relationship between God and his people Sean Gladding invites you into the lively conversations of a pastor named John as he engages the viewpoints of friends in his favorite coffee shop who wonder at the meaning of those Ten Words for today **America: The Farewell Tour** Chris Hedges, 2019-08-27 Chris Hedges's profound and unsettling

examination of America in crisis is an exceedingly provocative book certain to arouse controversy but offering a point of view that needs to be heard Booklist about how bitter hopelessness and malaise have resulted in a culture of sadism and hate America says Pulitzer Prize winning reporter Chris Hedges is convulsed by an array of pathologies that have arisen out of profound hopelessness a bitter despair and a civil society that has ceased to function The opioid crisis the retreat into gambling to cope with economic distress the pornification of culture the rise of magical thinking the celebration of sadism hate and plagues of suicides are the physical manifestations of a society that is being ravaged by corporate pillage and a failed democracy As our society unravels we also face global upheaval caused by catastrophic climate change All these ills presage a frightening reconfiguration of the nation and the planet Donald Trump rode this disenchantment to power In his forceful and direct Publishers Weekly America The Farewell Tour Hedges argues that neither political party now captured by corporate power addresses the systemic problem Until our corporate coup d tat is reversed these diseases will grow and ravage the country With sharply observed detail Hedges writes a requiem for the American dream Kirkus Reviews and seeks to jolt us out of our complacency while there is still time

Reverence Paul Woodruff, 2014-05-01 Reverence is an ancient virtue that survives among us in half forgotten patterns of civility and moments of inarticulate awe Reverence gives meaning to much that we do yet the word has almost passed out of our vocabulary Reverence says philosopher and classicist Paul Woodruff begins in an understanding of human limitations From this grows the capacity to be in awe of whatever we believe lies outside our control God truth justice nature even death It is a quality of character that is especially important in leadership and in teaching although it figures in virtually every human relationship It transcends religious boundaries and can be found outside religion altogether Woodruff draws on thinking about this lost virtue in ancient Greek and Chinese traditions and applies lessons from these highly reverent cultures to today's world The book covers reverence in a variety of contexts the arts leadership teaching warfare and the home and shows how essential a quality it is to a well functioning society First published by Oxford University Press in 2001 this new edition of Reverence is revised and expanded It contains a foreword by Betty Sue Flowers Distinguished Teaching Professor Emeritus at the University of Texas at Austin a new preface two new chapters one on the sacred and one on compassion and an epilogue focused on renewing reverence in our own lives **The Sword of the Lord** Andrew Himes, 2011 This book brings the story of fundamentalism to life through the generations of the Rice family immigrants soldiers farmers slaveowners refugees and preachers from publisher description

Godly Heretics Marc DiPaolo, 2013-04-08 When computers freeze they are rebooted and soon working properly again Similarly legendary thinkers throughout history have argued that Christianity should start fresh by recapturing the humanitarian spirit of Jesus original message These include such disparate individuals as Thomas Jefferson Oscar Wilde Charles Dickens Walt Whitman Friedrich Nietzsche Leo Tolstoy George Bernard Shaw and the religious leaders of the Occupy Wall Street movement Surprisingly enough even classic television shows and films meant to be entertaining Lost Battlestar Galactica It's a Wonderful Life Groundhog Day Decalogue and A Charlie Brown Christmas are attempts to apply the basic principles of Christianity to modern times This book offers new essays by scholars of literature film history theology and philosophy examining how

various thinkers and storytellers over time have conceived of a reinvented Christianity In confronting this controversial idea this book examines how unorthodox interpretations of the Bible can be some of the most valid how visions of Jesus as a revolutionary may be the most historically sound and how compassionate Christians such as Origen have wrestled with the eternal questions of the existence of evil the gift of free will and the promise of universal salvation

Pagan Ethics Michael York, 2015-08-05 This book is the first comprehensive examination of the ethical parameters of paganism when considered as a world religion alongside Christianity Islam Judaism Hinduism and Buddhism The issues of evil value and idolatry from a pagan perspective are analyzed as part of the Western ethical tradition from the Sophists and Platonic schools through the philosophers Spinoza Hume Kant and Nietzsche to such contemporary thinkers as Grayling Mackie MacIntyre Habermas Levinas Santayana etc From a more practical viewpoint a delineation of applied pagan ethics is then presented in connection with current moral issues such as same sex union recreational drugs environmental awareness abortion and terrorism Finally overviews of sectarian pagan ethics Shinto Santeria Heathenism Druidry Romuva Slavic Kemeticism

Classical and Wicca provide both the general and pagan reader with an understanding of the provocative range and differentiation of pagan ethical thought The book approaches the Western ethical tradition as an historical development and a continuing dialogue The novelty of this approach lies in its consideration of paganism as a legitimate voice of religious spirituality rather than a satanic aberration or ridiculous childish behavior The book is aimed at both the contemporary Western pagan and anyone with an interest in the moral dilemmas of our times and the desire to engage in the global ethical discussion Among the more important features of the book are its presentation of a re evaluation of idolatry the notion of the virtue value the richness of the pagan tradition and the expansion of Western ethics beyond its Christian heritage *Across the Board* ,2005 **Book Review Index** ,2006 Every 3rd issue is a quarterly cumulation
