To Save the Love that Was Lost Lyman Allen,Sofia,2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first The New York Times Index ,1920 **Lost Love Found** Bertrice Small,1991-10-13

Bertrice Small creates cover to cover passion a keen sense of history and suspense Publishers Weekly Valentina had been admired married widowed yet had never known love Not even at the illustrious court of Queen Elizabeth where her innocent violet eyed beauty fired the hearts of England s most gallant gentry especially the roguish Earl of Kempe and the irrepressible Lord Padraic Burke But her innocence shattered when a deathbed confession revealed that her true father might not have been Lord Bliss but the lustful Sultan Murad of Istanbul Determined to find the truth Valentina sets sail for the East a voyage of unsurpassed danger and sensual discovery Lavish sexy magnificent Bertrice Small s Lost Love Found is a fitting tribute to the unforgettable heroine who rivals her famous aunt Skye O Malley in grace grandeur and sensual daring

down and even harm us Is erotic desire complicit in oppression or could it deliver liberation Are our desires extricable from the wrongs of our societies And in today s world is love still worth the trouble This book develops a critical theory of sexual love and friendship offering profound new ways to understand the troublesome nature of eros Federica Gregoratto explores the ambivalence of erotic love which is at once intimately interwoven with heterosexism racism and neoliberal capitalism yet entices us with the tantalizing possibility of transformation Drawing on a rich array of sources from Frankfurt School critical theory to feminist thought and contemporary philosophies of emotions and affects as well as poetry novels films and music she argues that love provides unexpected resources for political agency resistance and emancipation Gregoratto makes a passionate defense of erotic freedom as an adventurous process through which we understand together with others who we are and who we want to become both in our individual existences and in our social lives Wide ranging and daring *Love Troubles* invites us to reflect on our fraught amorous experiences showing why we should cherish and learn from them **A Book About Love** Jonah Lehrer,2016-07-12 Number one bestselling science writer Jonah Lehrer explores the only happiness that lasts love in a book that is interesting on nearly every page David Brooks The New York Times Book Review Weaving together scientific studies from clinical psychologists longitudinal studies of health and happiness historical accounts and literary depictions child rearing manuals and the language of online dating sites Jonah Lehrer s *A Book About Love* plumbs the most mysterious most formative most important impulse governing our lives Love confuses and compels us and it can destroy and define us It has inspired our greatest poetry defined our societies and our beliefs and governs our biology From the way infants attach to their parents to the way we fall in love with another person to the way some find a love for God or their pets to the way we remember and mourn love after it expires this book focuses on research that attempts even in glancing ways to deal with the long term and the everyday The most dangerous myth of love is that it s easy that we fall into the feeling and then the feeling takes care of itself While we can easily measure the dopamine that causes the initial feelings of falling in love the partnerships and devotions that last decades or longer remain a mystery Lehrer uses scores of detailed vignettes to traverse a complicated intellectual landscape eventually arriving at modern theories of love He is a talent USA TODAY and *A Book About Love* decodes the set of skills necessary to cultivate a lifetime of love Love Lehrer argues is not built solely on overwhelming passion but fascinatingly on a set of skills to be cultivated over a lifetime *Catalog of Copyright Entries, Third Series* Library of Congress. with an exchange of gestures between parent and infant Through these intimacies of everyday life the parent transmits to the child the emotional language of his species and eventually the verbal language and symbolic communication that enable the child to participate in human culture Once having entered into the human dialogue we cannot live without it The dialogue continues even after death Using a wide variety of examples from the child suffering brief separation anxiety to children of Holocaust victims to parents coping with the lifelong grief of losing a child Dr Kaplan demonstrates how to keep the voices of lost loved ones eternally alive
