Wilhelm D.D. Ph.D. and Thomas B. Scannell D.D.,Aeterna Press, THE word Theology means the Science of God This science

has God not only for its subject but also for its source and its object hence the Divine character of Theology cannot better be

described than by the old formula Theology teaches about God is taught by God and leads to God Theology may be taken

objectively as doctrine or subjectively as knowledge But it is not every knowledge of Divine doctrine especially not the mere

apprehension of it that is called Theology The term is restricted to scientific knowledge and consequently Theology in its

technical sense is the scientific exposition of the doctrine concerning God and things Divine Aeterna Press **Your Owner's**
