Ambroise Gardeil, Ambroise Gardeil, OP, Matthew Levering, 2022-01-14 Although not well known in the English speaking world Fr Ambroise Gardeil OP 1859 1931 was a Dominican of significant influence in French Catholic thought at the turn of the 20th century Conservative theologians like Frs Reginald Garrigou Lagrange OP Michel Labourdette OP Jean Herv Nicolas OP and many others hailed him as a careful expositor of the supernaturalism of faith a defender of the theological nature of rational apologetics and a spiritual master In his controversial *Le Saulchoir Une école de théologie* Fr Marie Dominique Chenu OP praised Fr Gardeil as an important Dominican initiator of reforms in historical theology presenting the latter as a kind of precursor to one of the streams of what is now referred to historically as the Nouvelle Théologie And one cannot read the words of Fr Gardeil s contemporary Fr Antoine Lemonnyer OP without hearing echoes and re echoes of common cause regarding our lofty spiritual vocation resounding within the halls of the Saulchoir With such a broad appeal it is no surprise that in private correspondence a young Yves Simon writing to Jacques Maritain referred to Fr Gardeil as The Great Gardeil The *True Christian Life* provides a thorough and stirring introduction to Fr Gardeil s work in spiritual theology The volume was originally published posthumously through the collaboration of Fr Gardeil s nephew Fr Henri Dominique Gardeil OP and Jacques Maritain Fr Ambroise prior to beginning work on his masterpiece on spiritual experience *La Structure de l'âme et l'expérience mystique* drafted nearly eight hundred pages that would have set forth a full presentation of moral ascetical theology While drafting this massive work his reflection on the soul s receptive capacity for grace led him to the two volume study *La Structure* and he never was able to finish his original designs for a comprehensive study of the Christian moral spiritual life Soon after his death his nephew gathered several essays from the *Revue thomiste* and *Revue de Jeunes* along with a complete but unpublished study on prayer Drafting a lengthy introduction on the basis of Fr Ambroise s unpublished notes Fr Henri Dominique assembled a volume of moral spiritual theology that sets out the principles of many important themes divinization through grace Christian prudence conscience the virtue of religion devotion and prayer In his In memoriam written after the passing of Fr Gardeil Fr Reginald Garrigou Lagrange emphasized Fr Gardeil s ability to meditate on a given topic s central principles like someone who sees the highest peaks that give structure to the entire mountain range of theology In this volume the reader will find a clear and rhetorically striking presentation of the central mysteries of

the spiritual life presented with stirring and beautiful rhetoric by a theological master from the Thomist tradition

Sermons 3545 3561 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. In his lifetime Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*, Volume 6, 1878, quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey Fancy, a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to secure at first the best places and at last any place at all. After waiting more than half an hour for if you wish to have a seat, you must be there at least that space of time in advance. Mr Spurgeon ascended his tribune. To the hum and rush and trampling of men succeeded a low, concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly; of his language that it is neither high flown nor homely; of his style that it is at times familiar, at times declamatory, but always happy and often eloquent; of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion, cant, hypocrisy, pride, and those secret bosom sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity. More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. **The Christian Index, and Baptist Miscellany**, 1841. The Essential Works of Christianity.
