Lion of Granpere by Anthony Trollope Time to do a short Continental trip with Trollope and see if we agree with Walpole not only Trollope's very best shorter book but one of the most charming idylls in English literature. It has all the colour and richness and cohesion of something done irresistibly by Walpole. The storyline is simple: boy meets girl, parents object, trials and tribulations follow, and then the story reaches its conclusion, but you will need to find what that is for yourself. This ebook includes the original and unabridged content. Enjoy it! The storyline is simple: boy meets girl, parents object, trials and tribulations follow, and then the story reaches its conclusion, but you will need to find what that is for yourself. [The Golden Lion of Granpere](#) Anthony Trollope, 2008-08-01 Anthony Trollope was one of the most successful and respected English novelists of the Victorian era. The Lion of Granpere is one of his elegantly written works. **The Golden Lion of Granpere; Historical Fiction** Anthony Trollope, 2025-08-23 Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **The Golden Lion of Granpere** Anthony Trollope, 2013 When Anthony Trollope wrote The Golden Lion of Granpere in the second half of the nineteenth century, he was already one of the renowned English writers and novelists of the Victorian Era. The title of this novella refers to the name of a small town in the Alsace Lorraine region where the events take place. It is basically a romance which tells the story of a young man named George who falls in love with Marie Bromar. Marie, who has just lost her mother, works in an inn belonging to George's family and run by his father Michel Voss. The latter does not seem to be very favorable to the nascent relationship. When George later leaves the town for a professional career, Marie is enticed into accepting the proposal of a well-off Swiss businessman. George is outraged to hear this and decides to return to town to talk to Marie. After a series of disputes and misunderstandings, the relationship between the two lovers eventually starts to recover. Trollope's work generally offers a look on the Victorian institution of marriage and the place of women in a society governed by appearances and plain materialism.
