**Peasant Rebels Under Stalin** Lynne Viola, 1999-01-28 The first book to document the peasant rebellion against Soviet collectivization Peasant Rebels Under Stalin retrieves a crucial lost chapter

from the history of Stalinist Russia The peasant revolt against collectivization as reconstructed by author Lynne Viola was the most violent and sustained resistance to the Soviet state after the Russian Civil War Conservative estimates suggest that over the course of the 1920s and early 1930s more than 1 100 people were assassinated more than 13 000 villages rioted and over 2 5 million people participated in this active struggle of resistance This book is about the men and women who tried to preserve their families communities and beliefs from the depredations of Stalinism Their acts were often heroic but these heroes were homespun ordinary people who were driven to acts of desperation by cruel and brutal state policies This is a study of peasant community culture and politics through the prism of resistance Based on newly declassified Soviet archives including previously inaccessible OGPU secret police reports Viola's work documents the manifestation in Stalin's Russia of universal strategies of peasant resistance in what amounted to a virtual civil war between state and peasantry This book is must reading for scholars of Soviet history Stalinism popular resistance and Russian peasant culture Enhancing Beginner-Level Foreign Language Education for Adult Learners Ekaterina Nemtchinova,2022-12-30 This book is an authoritative text that explores best classroom practices for engaging adult learners in beginner level foreign language courses Built around a diverse range of international research studies and conceptual articles the book covers four key issues in teaching language to novice students development of linguistic skills communicative and intercultural competence evaluation and assessment and the use of technology Each chapter includes teaching insights that are supported by critical research and can be practically applied across languages to enhance instructional strategies and curriculum designs The text also aims to build intercultural competence harness technology and design assessment to stimulate effective learning in formal instructional settings including colleges universities and specialist language schools With its broad coverage of language pedagogy at the novice level this book is a must read for graduate students scholars researchers and practitioners in the fields of language education second language acquisition language teaching and learning and applied linguistics

*Golosa* Richard Robin,Karen Evans-Romaine,Galina Shatalina,2007 *Golosa A Basic Course in Russian* Fourth Edition strikes a true balance between communication and structure It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills listening speaking reading and writing as well as the expansion of cultural knowledge It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy A few features of the fourth edition of Book 2 A new chapter 8 on electronic communication Updated readings based on authentic Russian materials newspaper ads documents menus etc A new e mail correspondence series between a Russian studying abroad in America and her teacher and friend at home Video available on VHS for classroom use *Household Capital and the Agrarian Problem in Russia* David O'Brien,Valeri Patsiorkovski,Larry Dershem,2017-11-22 This title was first published in 2000 Using micro level data this text shows that rural Russian households have made significant adaptations to an emerging market economy in just a few years It focuses on how

household capital household labour social networks and community attachment effect the economic and psychological adaptation of households to rapid socioeconomic change Findings are from 1995 to 1997 panel surveys made in three waves The book deals systematically with micro level processes of household adaptation to a market economy institutional change and emerging informal and formal patterns of land tenure and use in Russia It shows how structural changes are occurring in rural Russia and their impact on household enterprise development and income Difference in household capital explains the emergence of inequality in the countryside and differences in the degree to which households experience stress and a higher or lower subjective quality of life

Orality and Literacy Kristina Rose Fagan,Natalia Khanenko-Friesen,2011-01-01 Orality and Literacy investigates the interactions of the oral and the literate through close studies of particular cultures at specific historical moments Rejecting the great divide theory of orality and literacy as separate and opposite to one another the contributors posit that whatever meanings the two concepts have are products of their ever changing relationships to one another Through topics as diverse as Aboriginal Canadian societies Ukrainian Canadian narratives and communities in ancient Greece Medieval Europe and twentieth century Asia these cross disciplinary essays reveal the powerful ways in which cultural assumptions such as those about truth disclosure performance privacy and ethics can affect a society s uses of and approaches to both the written and the oral The fresh perspectives in Orality and Literacy reinvigorate the subject illuminating complex interrelationships rather than relying on universal generalizations about how literacy and orality function

Golosa: Pearson New International Edition Richard M Robin,Karen Evans-Romaine,Galina Shatalina,Joanna M. Robin,2013-11-01 The Fifth edition of the best selling communicatively based text for beginning Russian is enhanced by a greater focus on contemporary culture and simplified visual grammar explanations that will better engage your students Golosa A Basic Course in Russian 5e strikes a true balance between communication and structure It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills listening speaking reading and writing as well as the expansion of cultural knowledge It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy Golosa is divided into two books Book 1 Book 2 of ten units each The units are organized thematically and each unit contains dialogs texts exercises and other material designed to enable students to read speak and write about the topic as well as to understand simple conversations The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language

*Liberty, Equality, and the Market* B. N. Chicherin,1998-01-01 This volume brings the remarkable writings of Russian liberal thinker Boris Nikolaevich Chicherin 1828 1904 to English language readers for the first time The collection includes key essays in which Chicherin addresses the central political and social problems that confronted Russia from 1855 to the opening years of the twentieth century Chicherin s ideological alternatives to the

Bolshevik plan for revolutionary transformation of Russia not only provide valuable historical insights but also are highly relevant to current political discussion of liberalism in Russia and in the West In a comprehensive introduction to the book G M Hamburg discusses the development of Chicherin s thought and places it in historical context Chicherin Hamburg says was a powerful and sophisticated but often misunderstood defender of civil and political rights Like his fellow liberals in Russia Chicherin was heavily influenced by German idealism and particularly by Hegel He departed from many however in favoring a market economy and advocating that reform efforts be tailored to local conditions and traditions In this collection Chicherin explores such contemporary issues as the abolition of serfdom Russian education and the need for a constitution He also tackles broad philosophical problems the nature of liberty and equality styles of political discourse and comments on such philosophers as Plato Aristotle More Machiavelli Montesquieu Hegel and Marx Enemy Number One Rósa Magnúsdóttir,2019 From Stalin s anti American campaign to Khrushchev s peaceful coexistence policy this book addresses the Soviet propaganda and ideology directed towards the United States during the early Cold War **Guide to Microforms in Print** ,1998 *The Public Image of Eastern Orthodoxy* Heather L. Bailey,2020-06-15 Focusing on the period between the revolutions of 1848 1849 and the First Vatican Council 1869 1870 *The Public Image of Eastern Orthodoxy* explores the circumstances under which westerners concerned about the fate of the papacy the Ottoman Empire Poland and Russian imperial power began to conflate the Russian Orthodox Church with the state and to portray the Church as the political tool of despotic tsars As Heather L Bailey demonstrates in response to this reductionist view Russian Orthodox publicists launched a public relations campaign in the West especially in France in the 1850s and 1860s The linchpin of their campaign was the building of the impressive Saint Alexander Nevsky Church in Paris consecrated in 1861 Bailey posits that as the embodiment of the belief that Russia had a great historical purpose inextricably tied to Orthodoxy the Paris church both reflected and contributed to the rise of religious nationalism in Russia that followed the Crimean War At the same time the confrontation with westerners negative ideas about the Eastern Church fueled a reformist spirit in Russia while contributing to a better understanding of Eastern Orthodoxy in the West **(Counter-)Archive: Memorial Practices of the Soviet Underground** Klavdia Smola,Ilya Kukulín,Annelie Bachmaier,2024-10-04 This book is the first major study exploring archival and memorial practices of the Soviet unofficial culture The creation of counter archives was one of the most important forms of cultural resistance in the Soviet Union Unofficial artists and poets had to reinvent the possibilities of maintaining art and literature that did not exist Against the background of archival theories and memory studies the volume explores how the culture of the Soviet underground has become one of the most striking cases of scholarly and artistic self archiving which although being half isolated from the outer world reflected intellectual and artistic trends characteristic of its time The guiding question of the volume is how Soviet unofficial culture de constructed social memory by collecting archiving and memorizing tabooed culture of the past and present
