## **Good Discipline Great Teens:**

**Standing Strong** Ray Guarendi, 2024-01-16 With wit and wisdom Dr Ray Guarendi gives parents the tools they need not only to navigate the teen years but also to enjoy them. Teens are full of life, enthusiasm, energy, and laughter. Dr Ray asserts in defiance of a culture that conditions us to expect a far gloomier reality. Too often the world tells parents to be content with mediocrity instead of the prospect of raising respectful and responsible children with strong character. In a lively question and answer format, Dr Ray unpacks issues ranging from sibling relationships and peer pressure to curfews and chores to overcoming backtalk and teaching your kids to avoid drugs. He equips parents to give their teens a safer, more stable adolescence and help them develop virtues for a lifetime. If you feel as if you've been a weak disciplinarian, Dr Ray explains that there are critical reasons to reverse your parenting even if it seems late. He offers practical approaches such as: Four tips to help you enjoy your kids' teen years; Three techniques for becoming a calmer parent; Five ways to monitor your child's use of technology; Four simple house rules that lead to success; Four consequences to curb nasty talk; A strategy to motivate underachievers. You will also learn four key sayings for communicating more effectively with your teens. In addition, you will find out specific ways to cultivate an attitude of gratitude in your kids. Most significantly, you will learn how to help your children treat you with respect so that they will develop this habit in their relationships with others as well. As you grow in becoming a stronger parent with calm, loving resolve, you will learn how to foster quality time with your teens and have real fun together. This book is wise, perceptive, and laugh-out-loud funny. Dr Ray uses his trademark humor with a dash of sarcasm to give those parents who are barely treading water some good, sound, logical advice to change the tone and tenor of their households for the better. **Positive Discipline for Teenagers, Revised 3rd Edition** Jane Nelsen, Lynn Lott, 2012-08-14

A Positive Approach To Raising Happy, Healthy, and Mature Teenagers. Adolescence can be a time of great stress and turmoil, not only for kids going through it but for their parents as well. It's normal for teens to explore a new sense of freedom and to redefine the ways in which they relate to their parents, and that process can sometimes leave parents feeling powerless, alienated, or excluded from their children's lives. This newly revised and updated edition of *Positive Discipline for Teenagers* shows parents how to build stronger bridges of communication with their children, break the destructive cycles of guilt and blame that occur in parent-teen power struggles, and work toward greater mutual respect with their adolescents. At the core of the Positive Discipline approach is the understanding that teens still need their parents, just in different ways, and by better understanding who their teens really are, parents can learn to encourage both their teens and themselves and instill good judgment without being judgmental. The methods in this book work to build vital social and life skills through encouragement and empowerment, not punishment. Truly effective parenting is about connection before correction.
