through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

born He came to save us from our sins but what about our sorrows Two days after Christmas my precious son Jacob died in an accident The Holy Spirit had already prepared me but still I wept what seemed like a million tears Like Rachel my voice rose up in lamentation weeping and great mourning weeping for her children refusing to be comforted because they are no more Matthew 2 18 The weeping of Rachel is first noted in Jeremiah 31 15 during a time of captivity for God's people Many are taken captive by sin addictions rebellion against God and the pain of injustices Yet I have found that no matter what your loss you can stop weeping and begin to live again If you put your faith in him God will give you beauty for ashes Going with the Flow Linda Estes,2018-01-17 Have you ever tried to swim upstream If you have you know it doesn't work very well You spend an awful lot of energy to get nowhere You don't have to live long to realize life has lots of undercurrents that can pull you down if you're not careful Life keeps on flowing regardless if we like the current circumstances of our life or not When hard times come we have two choices We can either go with the flow or we can essentially drown ourselves in our own pity anger resentment etc The best way to calm the raging waters of life is to go with God's flow and the best way to do that is by starting each morning in God's word Let God use these short devotions to help you navigate the streams of your life

truths taught in this book     Not God Enough J.D. Greear, 2018-02-06 Pastor and author J D Greear reveals that the secret to a robust passionate faith isn't getting all the right answers about God but seeing God as the awesome glorious and infinite presence that He is. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient. Practical. Manageable. For us. Thinking of God as so infinitely greater and wiser than we are, and who would cause us to tremble in His presence, is a leftover relic from an oppressive archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives from genuine confident world transforming faith? In Not God Enough J D reveals how to discover a God who is big enough to handle your questions, doubts, and fears, is not silent, is worthy of worship, wants to take you from boring to bold in your faith, has a purpose and mission for you on earth, is pursuing you right now. The truth, God is big. Bigger than big. Bigger than all the words we use to say big. Only a God of infinite power, wisdom, and majesty can answer our deepest questions and meet our deepest longings. God is not just a slightly better, slightly smarter version of you. God is infinite and glorious, and an encounter with Him won't just change the way you think about your faith. It'll change your entire life.

Views from the Pew, Pulpit and Women Religious Koncel, 2010-07-27 In his very personal account, Ed Koncel, a well-read and thoughtful Catholic, shares his recollections of the church past, his frustrations with the church present, and his hopes for Catholicism's more vibrant future. Robert McClory, author of *As It Was in the Beginning*, Ed Koncel writes from the perspective of a faithful son of the Church, faithful over the course of his long life. He writes with both passion and compassion in regard to the people and the proceedings of the Second Vatican Council and the developments since the Council. Obviously well-read and actively involved in various groups working to make real the words and spirit of the documents of the Vatican II, he speaks with the authority of knowledge and personal experience and integrity. I believe he also speaks as one whose love of the Church motivates him to keep working for its coming to accept the full participation of all in the liturgical and governmental life of its people. Mr. Koncel strikes me as a man of hope, an extraordinary virtue in our time. Denise Wilkinson, SP General Superior of the Sisters of Providence     *Standing on the Edge of Your Tomorrow: Take Charge and Win!* Robert Lee, 2010-05-01 The Buzzing Bee. Once we left the patio door open, a bee flew in. It hit the window repeatedly, trying to get out. We could hear it buzzing from the top to the bottom of the window. It saw the beauty outside and worked very hard, trying to get out, but we knew that its effort was futile. If it were a fly, we would have used the swatter and ended its misery. However, since it is a beneficial insect, we opened the door and chased it out. All of a sudden, four important lessons came to mind. 1. Hard work alone may not be able to solve our problem. 2. Often the solutions come from doing it another way, thinking outside the box. 3. Sometimes the Almighty sees us in our predicament and shows us a way out. 4. I believe that it is our mission in life also to show some struggling people the lessons we learned and the opportunities we saw and show them a way out. Two roads diverge in the woods, and I took the one less traveled, and that has made all the difference. Robert Frost, 1920. Give the

world the best you have and it may never be enough Give the world the best you ve got anyway Mother Teresa 19101997 Any fool can count the seeds in an apple Only God can count the apples from one seed Dr Robert H Schuller
