Each book stars a multicultural group of people visiting the featured area's attractions such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering many of Pennsylvania's most interesting places and features from the Liberty Bell and Hershey's Chocolate World to Lake Erie and the Pocono Mountains, this is a charming celebration of the Keystone State. **365 Ways to Get a Good Night's Sleep** Ronald L. Kotler, Maryann Karinch, 2009-10-18 We spend about one third of our lives asleep, but we still feel tired. Without a good eight hours we end up head bobbing at work and drinking enough coffee to fuel a jet. This book addresses the surprisingly complex issue of sleep in easy-to-tackle steps. This exhaustive guide brings shut-eye within reach as it explains how to pay back a sleep debt, nap without throwing off nighttime rest, deter disturbing dreams, handle a sleepwalker or night eater, take a bite out of teeth grinding, and more. It's usually not a good thing for a book to put you to sleep. But this one-way ticket to dreamland will help you go from counting sheep to fast asleep. **All Together Now** Barry Langford, 2017-09-13 In the crucible of the 2017 general election, a small group of progressive activists set about trying to change British political life for the better. Armed with the conviction that the old politics was irretrievably broken, the progressive alliance set itself the task of breaching the walls of Britain's tribal political culture. Over the seven weeks of the campaign, even as the struggle between Theresa May and Jeremy Corbyn built up to a stunning and utterly unexpected climax, the progressive alliance fought its own battle. Its aim was to bridge divides, start conversations, and forge alliances on the ground between progressives, socialists, social democrats, liberals, Greens, Welsh, and Scottish nationalists working together against their common foe instead of competing self-destructively against one another. Based on first-hand testimony, *All Together Now* tells the dramatic story of how the progressive alliance helped shape the story of the 2017 election and why its aims, its methods, and above all its values will shape the future of 21st-century politics.
