Engel, 2021-09-22 Angels Over Moscow is an inspirational first person account of the life of American physician Dr Juliette Engel who founded the non profit MiraMed Institute to devote her energy and resources to helping reform maternal and infant healthcare in Russia During a mission to improve medical care for children in orphanages she discovered a link between the State institutions and an international network that trafficked young Russian girls to Scandinavia for prostitution She followed their trail north into Norway where she ran headlong into the international slave trade of the 20th Century human trafficking From that point forward there was no turning back for the determined doctor as she traveled throughout the former USSR often at great personal peril building a network of villagers educators police media and government officials called the Angel Coalition who committed their talents and resources to fighting human trafficking and bringing thousands of Russian trafficking victims
