Saskatchewan Sports Brian Mlazgar, Holden Stoffel, 2007 **Facing the Wind: Memories and Dreams** Robert A. (Bob) Jensen, 2023-02-21 This compelling memoir was written by Robert Alastair Jensen Robert traces his ancestral record back to the early 1700s He describes the journeys of the generations before him as they make the bold daring move from Norway and Denmark across the ocean to begin homesteading in North America He chronicles his early life growing up in rural Saskatchewan during the 1940s his career as a teacher his experiences with fatherhood and family life his retirement years and his eventual struggles with cancer Weaving in the significant events of the times including the Spanish Flu the Depression and World War Two Jensen creates a rich backdrop for his family history while offering wisdom gleaned from generations of hardworking ancestors Along the way he reveals his love of literature and history as he references his

favourite authors their works and their impact on his journey through life He challenges himself with many questions all the while referencing the struggles of facing the wind Initially he asks himself the question When will I be done His answer was When I get to the last page In an ironic but peaceful sense the correct answer would have been The day I pass He leaves this treasured gift for his entire family his friends and the generations to follow **The Lone Star Skate** Rusty Burson, Glenn Hart, 2011-03 Imagine a state that is such a hotbed for hockey that it fanatically supported nine professional teams in 2008 09 and added two more the following year This hockey haven s borders are practically blue lines and its official vehicle just may be a Zamboni So where is this puck paradise Probably not where you would think The state with more professional teams than any other is Texas If you travel deep into the heart of football country you will discover one of the most fascinating sports developments of the last fifteen years From Amarillo to the Rio Grande Valley Texans have come to love their hockey Featuring behind the scenes photographs and in depth interviews with some of hockey s biggest names from players like Mike Modano and the Howe family to front office guys like Jim Lites and Rick Kozuback The Lone Star Skate is a must have for anyone who is passionate about the puck **Sports Law** Patrick K. Thornton, 2010-02-04 Sports Law looks at major court cases statutes and regulations that explore a variety of legal issues in the sports industry The early chapters provide an overview of sports law in general terms and explore its impact on race politics religion and everyday affairs Later chapters address hot button issues such as gender equity drug testing and discrimination Written from a sport management perspective rather than from a lawyer s this text covers all the major areas presented in sports law today including cases relating to torts contracts intellectual property and agents Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive Important Notice The digital edition of this book is missing some of the images or content found in the physical edition *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms Mr. Hockey Gordie Howe, 2014-10-14 THE DEFINITIVE AUTOBIOGRAPHY OF A SPORTS LEGEND The NHL may never see anyone like Gordie Howe again Known as Mr Hockey he led the Detroit Red Wings to four Stanley Cups and is the only player to have competed in the league in five different decades In Mr Hockey the man widely recognized as the greatest all around player the sport has ever seen tells the story of his incredible life Twenty consecutive seasons among the top five scorers in the NHL One hundred points after the age of forty Playing for Team Canada with his two sons Gordie Howe rewrote the record books But despite Howe s unyielding ferocity on

the ice his name has long been a byword for decency generosity and honesty off of it Going back to Howe s Depression era roots and following him through his Hall of Fame career his enduring marriage to his wife Colleen and his extraordinary relationship with his children Mr Hockey is the definitive account of the game s most celebrated legacy as told by the man himself FOREWORD BY BOBBY ORR INCLUDES PHOTOGRAPHS Memories of "A Kid from the Heights" Don Moore,2023-09-15 As the years go by and each step I take brings me closer to the end of my journey coupled with the advent of isolation during the COVID 19 pandemic I started reconnecting with many childhood friends via social media The past two years of isolation brought the realization that this unique era we shared in a remote village during the 50s and 60s will never be available again to future generations and that generations born after the 50s and 60s lose the likelihood of ever having an opportunity to experience this phenomenon with each passing generation With the encouragement of friends and acquaintances I penned my Memories of Being a Kid from the Heights how these experiences of ethics and morals molded our characters and how these often comical encounters and responsibilities would benefit us while navigating life with our children These two decades provided a lifestyle that evaporated and elapsed with each sun rotation My Kids Play Hockey Christie Casciano Burns,2018-08-07 For the past several years veteran hockey mom Christie Casciano s monthly Hockey Mom columns have been required reading for the half million readers of USA Hockey Magazine Drawing on her twenty years in the youth hockey trenches she brings a wit and wisdom that comes with spending countless hours in the rink Mixing in a little cutting humor and some good old fashioned motherly advice her articles speak to and for grizzled veterans and newcomers to the sport alike My Kids Play Hockey is a compilation of Christie s work Some of her topics include Back to School Back to Hockey Getting Ready for a Fresh Season How to Act Like an Adult at a Youth Hockey Game Organizing Your Hockey Household Valuable Lessons Learned during a Losing Season Striking a Balance between being Coach and a Parent Whether your kid shoots a puck kicks a soccer ball or swings a baseball bat Christie s sound and sage advice should be required reading for all sports parents Because when it comes to keeping your head in the game this mother definitely knows best Great Right Wingers Monte Stewart,2006 Recounts the stories of the best right wingers of the golden age who skated with speed scored with style and delivered the goals with prowess and power Nine Lessons I Learned from My Father Murray Howe,2017-10-31 A GLOBE AND MAIL BESTSELLER As a child Murray Howe wanted to be like his father He was an adult before he realized that didn t necessarily mean playing hockey Gordie Howe may have been the greatest player in the history of hockey but greatness was never defined by goals or assists in the Howe household Greatness meant being the best person you could be not the best player on the ice Unlike his two brother Murray Howe failed in his attempt to follow in his father s footsteps to become a professional athlete Yet his failure brought him to the realization that his dream wasn t really to be a pro hockey player His dream was to be his father To be amazing at something but humble and gracious To be courageous and stand up for the little guy To be a hero You don t need to be a hockey player to do that What he

learned was that it was a waste of time wishing you were like someone else When Gordie Howe passed away in 2016 it was Murray who was asked to deliver the eulogy Nine Lessons I Learned from My Father takes the reader through the hours Murray spent writing the words that would give shape to his father's legacy the hours immediately after his hero's death as he gathers his thoughts and memories and makes sense of what his remarkable father meant to him The result is nine pieces of wisdom built out of hundreds of stories that show us the man behind the legend and give us a glimpse of what we can learn from this incredible life Great Athletes ,2010 Gordie Howe's Son Mark Howe,Jay Greenberg,2013-11-01 Mark Howe emerged from the shadow cast by his iconic father Gordie to achieve greatness In this autobiography he vividly describes his unparalleled experiences A U S Olympic silver medalist at age 16 and a member of the Memorial Cup champion Toronto Marlboros Howe went on to play seven seasons alongside his father Gordie and brother Marty for the WHA's two time champion Houston Aeros and New England and Hartford Whalers before becoming a four time NHL All Star with the Philadelphia Flyers Howe elected to the Hockey Hall of Fame in 2011 recounts the joys and travails endured by the sport's most beloved family Recollections of teammates injuries game experiences deaths and his life as a child athlete make this a must read for all hockey fans **Cassette Books** Library of Congress. Memories from the Heart of Hockeytown takes a look back at the storied history of Joe Louis Arena in this its final year. The arena has witnessed many stories recounted with admiration. In The Joe, Red Wings greats from Gordie Howe to Steve Yzerman to Nicklas Lidstrom skated on The Joe's storied ice and time honored rivalries such as those between the Red Wings and Colorado Avalanche were played out in dramatic fashion. The stadium has spawned such personalities as Al the Zamboni driver who twirls octopuses overhead, the Knitting Lady, the Guy in the Orange Hat, and Mo Cheese. The Joe also hosted a number of unforgettable non hockey events from Ronald Reagan's nomination at the 1980 Republican convention to the start of Prince's Purple Rain tour in 1984 to N.W.A.'s controversial concert in 1989 to Bob Seger joining Kid Rock on stage during Super Bowl week in 2006. The Joe offers a comprehensive tribute in words and pictures to hockey's last old time arena. Learn about the history of the Red Wings and The Joe and the unforgettable games played there as well as a number of key events in Detroit's history. For anyone who has cheered on the Red Wings over the past three plus decades, this book is not to be missed.

To My Boys Dennis J. Merlo, 2019-04-23

You can acquire a new friend, a new home, a new passion in life. Only once are you born into a family and if you're fortunate enough to find a lasting spouse and bring children into this world, just once are they born into your family. That is special. God is always putting us to the test. Not always do we pass that test; this certainly is true of me. Oftentimes it's not what you do in life but what's more important is what you've learned from it. From the onset of my childhood, this book reflects that theme and offers my own personal insights into life's valuable lessons. My thoughts include reactions to historic events in my lifetime including JFK's assassination, the cultural revolution, Muhammed Ali, the rock roll music world, 9/11, and much more. As a parent, you'll find yourself nodding your head yes as you read through this story. This book's second half especially pivots to a more emotional tone after my marriage to Sandy and bringing our two boys, Mark and Bradley, into this world. This story details the strong love for my own parents and Sandy and certainly I share many fun moments with my sons. But perhaps more than anything, I begin to internalize and agonize over the obstacles and challenges that confront my own two boys. Ultimately, it reveals a much greater awareness of myself, my own purpose in life, and the profound meaning that Mark and Bradley hold for me.
