Fierce Marriage Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage every step of the way. **Fierce Marriage** is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy, but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen time, disconnection, and unrealistic expectations.

A Christ-Centered Wedding Catherine Parks, Linda Strode, 2014-05-01 Wedding planning has spawned a major industry. The average cost of the occasion now exceeds 25,000 and societal pressure to create the perfect day is so strong that even Christian couples forget what God originally intended for the sacred marriage ceremony. While paying attention to the good fun that follows that special proposal, the dress, the flowers, the cake, the gatherings, etc., A Christ-Centered Wedding first serves as a guide to believers who want their wedding to portray the relationship of Christ with the church and to reflect the gospel to all in attendance. From the start, this thoughtful book looks to the Creator of weddings for guidance in planning by emphasizing the sacrificial love of the Savior more than the modern world's idealistic view of romantic love. There are chapters filled with practical information about everything from pre-marital counseling and choosing a wedding location to other resources like a planning checklist and timeline, music suggestions, guidance on potential issues of conflict, a listing of traditional financial responsibilities, sample vows, and other great ideas from couples who have successfully put together a Christ-centered wedding.

Marriage Is Andrew T. Walker, Eric Teetsel, 2015-06-01 Marriage is not up for debate; marriage simply is. Today, the meaning and purpose of marriage has been lost, and it is our fault. The prevalence of pornography, divorce, pre-marital sex, cohabitation, infidelity, and a thousand other mistakes have blurred our vision of God's plan for sex, family, and society to the point of blindness. The task before us is not merely to argue against the lie of same-sex marriage. Though that is necessary, ours is a much larger project. It is time to restore among our people a sense of the profound beauty, mystery, and holiness of faithful marital love. It is time to recognize the time for defending the institution of marriage has passed. Sadly, for far too many, the marriages they know are not worth defending. Instead, Christians must take up the mission to renew and rebuild a culture that values marriage and family. To do so, we must first understand what marriage is and why it matters.

Gospel Love, Marriage and Divorce Randall Lamb, 2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory. For centuries, it would appear that the Church has somehow allowed herself to remove the God-centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love, marriage, and divorce that has left God in many respects far from the center. This book, however, will pay less attention to our own domestic legacies of love, marriage, and divorce. It is more so about the church covenants, conditions, true fidelity, perseverance, God-centered joy, authenticity, fraud, legalism, and apostasy. It is a journey into the kingdom of God wherein the visible and invisible church, along with love, marriage, and divorce, all seem to collide with the gospel of glory and grace.

Each for the Other Bryan Chapell, Kathy Chapell, 2006-08-01 Marriage requires not just love but sacrificial love, says Bryan Chapell. In his newly revised and updated book, *Each for the Other*, he shows married couples how to emulate the unselfish, sacrificial love of Christ. Kim,2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success veteran preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon
