Manipulation Unto Death Angela Gordon, 2017-03-02 Full of suspense riveting and deeply mesmerizing Manipulation Unto Death is a fictional melodrama that will at times amuse you and unglue you and will stay in your memory bank forever Samantha a pregnant Southern raised sheltered twelve year old is missing without a trail hot or cold Voluminous speculations were made throughout the red hills of Georgia and beyond about this unlawful horrific sinful act The local police and social service departments became involved both launching full scale investigations sparing no resources Given the intensity of the investigation one might wonder why the community members of this nondenominational religious sect are deliberately tight lipped Sadly the investigation constantly stalls the police take a long shot and call in a renowned psychic Is a resolution required to reexamine the age old notion that children are to be seen but not heard Or perhaps is it embedded in society's lack of awareness and acceptance of the wide spectrum of autism disorders
