Edited by Edward C. Kirkland Andrew power CARNEGIE, Edward Chase KIRKLAND, 1962 **GOSPEL OF WEALTH** ANDREW. CARNEGIE, 2018 The Gospel of Wealth Andrew Carnegie, 2015-07-10 Excerpt from The Gospel of Wealth And Other Timely Essays T is a great pleasure to tell how I served my apprenticeship as a business man But there seems to be a question preceding this Why did I become a business man I am sure that I should never have selected a business career if I had been permitted to choose The eldest son of parents who were themselves poor I had fortunately to begin to perform some useful work in the world while still very young in order to earn an honest livelihood and was thus shown even in early boyhood that my duty was to assist my parents and like them become as soon as possible a bread winner in the family What I could get to do not what I desired was the question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Rise of Planning in Industrial America, 1865-1914 Richard Adelstein, 2012-03-29 Central economic planning is often associated with failed state socialism and modern capitalism celebrated as its antithesis

This book shows that central planning is not always or even primarily a state enterprise and that the giant industrial corporations that dominated the American economy through the twentieth century were first and foremost unprecedented examples of successful consensual central planning at a very large scale The Selected Works of Eugene V. Debs, Vol. I Tim Davenport, David Walters, 2019-02-19 This is the first in a five volume series that will collect much of trade unionist and Socialist Party founding father Eugene V Debs work for the first time in a single place The collection makes readily accessible approximately 150 documents only a few of which were ever subsequently republished by one of the seminal figures in the labor movement of his era Illuminating 19th Century labor history particularly the complex and shifting situation in the transportation industry this volume provides a basis for deeper understanding of Debs and his role later during the glory days of the Socialist Party of America Runaway Capitalism James H. Mittelman, 2025-11-26 Algorithms and artificial intelligence increasingly drive our lives cognitive inputs supplant physical inputs in the workplace and big philanthropies rather than governments tackle many societal problems To examine any one of these interrelated trends alone is to miss a seismic shift in world order By homing in on the confluence of algorithmic capitalism cognitive capitalism and philanthropic capitalism this tightly argued book offers a novel interpretation of an unnoticed and understudied transformation The three forces form a trialectic a system that lacks effective controls and is spreading globally Conducted on four continents the research shows how runaway capitalism is making work and daily life ever more precarious and sparking anti precarity movements Tracing these metamorphoses both in the global North and global South the author identifies plausible scenarios for blunting the sharp edges of runaway capitalism Based on hard empirical data and gualitative case studies in the global North and South Runaway Capitalism is aimed at a wide readership Written in vivid prose it is appropriate for university students researchers policy intellectuals and a general audience interested in how to address major perils in geopolitics and economics **Proverbs** Paul Koptak, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written Book News ,1901 Book News Monthly ,1901 Labyrinth: An Essay on the Political Psychology of Change R.E.
