Governing Home Care A Cross National Comparison Globalization And Welfare:

Governing Home Care Viola Desideria Burau, Hildegard Theobald, Robert H. Blank, 2007-01-01 Offering a comparative and thematic cross country analysis of the governance of home care this book systematically maps out governing arrangements in relation to formal care services informal care care workers and users of care across nine countries *The Oxford Handbook of Family Policy Over the Life Course* Mary Daly, Birgit Pfau-Effinger, Neil Gilbert, Douglas J. Besharov, 2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages *The Oxford Handbook of the Welfare State* Francis G. Castles, Stephan Leibfried, Jane Lewis, Herbert Obinger, Christopher Pierson, 2012-09-06 The Oxford Handbook of the Welfare State is the authoritative and definitive guide to the contemporary welfare state In a volume consisting of nearly fifty newly written chapters a broad range of the world s leading scholars offer a comprehensive account of everything one needs to know about the modern welfare state The book is divided into eight sections It opens with three chapters that evaluate the philosophical case for and against the welfare state Surveys of the welfare state s history and of the approaches taken to its study are followed by four extended sections running to some thirty five chapters in all which offer a comprehensive and in depth survey of our current state of knowledge across the whole range of issues that the welfare state embraces The first of these sections looks at inputs and actors including the roles of parties unions and employers the impact of gender and religion patterns of migration and a changing public opinion the role of international organisations and the impact of globalisation The next two sections cover policy inputs in areas such as pensions health care disability care of the elderly unemployment and labour market activation and their outcomes in terms of inequality and poverty macroeconomic performance and retrenchment The seventh section consists of seven chapters which survey welfare state experience around the globe and not just within the OECD Two final chapters consider questions about the global future of the welfare state The individual chapters of the Handbook are written in an informed but accessible way by leading researchers in their respective fields giving the reader an excellent and truly up to date knowledge of the area under discussion Taken together they constitute a comprehensive compendium of all that is best in contemporary welfare state research and a unique guide to what is happening now in this most crucial and contested area of social and political development **Beyond Welfare State Models** Pauli Kettunen, Klaus Petersen, 2011 Welfare state models have for decades been the gold standard of welfare state research Beyond Welfare State Models escapes the straightjacket of conventional

welfare state models and challenges the existing literature in two ways Firstly the contributors argue that the standard typologies have omitted important aspects of welfare state development Secondly the work develops and underlines the importance of a more fluid transnational conceptualisation As this book shows welfare states are not created in national isolation but are heavily influenced by transnational economic political and cultural interdependencies The authors illustrate these important points of criticism with their studies on the transnational history of social policy religion and the welfare state Nordic cooperation within the fields of social policy and marriage law and the transnational contexts of national family policies This fascinating work contributes to the understanding of the current changes of welfare states by discussing the relationship between globalized capitalism and social political regulations and by arguing that transnational transformations importantly take place within and between nation states

Care Between Work and Welfare in European Societies B. Pfau-Effinger, T. Rostgaard, 2011-06-14 This book provides insights into the theoretical framework of tensions related to care for children and the elderly It analyzes if and under what conditions welfare state reforms have contributed to strengthening existing tensions creating new tensions or relaxing such tensions

How Welfare States Shape the Democratic Public Staffan Kumlin, Isabelle Stadelmann-Steffen, 2014-01-31 Staffan Kumlin and Isabelle Stadelmann Steffen bring together political scientists and sociologists from different and frequently separated research communities to examine policy feedback in European welfare states In doing so they offer a rich menu

Older Workers in an Ageing Society Phillip Taylor, 2013-09-30 Prolonging working lives is high on the agenda of policy makers in most of the world s major industrialized nations This book explains how they are keen to tackle issues associated with the ageing of populations namely the funding of pension systems

The Labour Market Triangle Paul de Beer, Trudie Schils, 2010-01-01 This fascinating book presents an in depth study of the particular combination of unemployment insurance employment protection and active labour market policies prevalent in seven European countries Currently European governments are being challenged to find an optimal social policy strategy that fosters flexicurity whereby a flexible well functioning labour market is achieved while protection for workers is maintained The contributors explore the formal laws and regulations as well as the administration and implementation of social policy paying special attention to the role of the social partners A detailed country comparison shows that the combination of social policy instruments is important to labour market performance but that multiple optimal mixes already appear to exist The Labour Market Triangle will prove invaluable to academics in the field of policy research including economists sociologists and political scientists Policy advisers and practitioners in the field of social policy as well as representatives of trade unions employers associations and political parties will find this multidisciplinary book of great interest

Local Welfare Policy Making in European Cities Dagmar Kutsar, Marjo Kuronen, 2015-04-24 This book focuses on how EU welfare policies are implemented at the local level in 11 European cities and how local policy making addresses women s care responsibilities The book studies the complex combination of and the relationships between local political

processes policies institutions structural conditions and outputs as well as outcomes for the women s labour market integration It demonstrates how cultural settings and multi level governance patterns form the playground for local policy makers to formulate their welfare policies concerning service provision The book further demonstrates how local production systems and the situation of the local labour market influence the prospects that women have in working and caring EU welfare policy promotes the labour market integration of women as well as gender equality The provision of adequate care services is vital in supporting women s employment Within comparative welfare research the focus has been on the national welfare systems and policies even if care services are overwhelmingly provided by local authorities that in many EU member states enjoy considerable autonomy This book fills the gap in understanding local welfare policy making from a comparative perspective

Families, Ageing and Social Policy Chiara Saraceno, 2008-01-01 Offers insights into the way in which social policies and welfare state arrangements interact with family and gender models This title presents the research in the field based on a variety of national and comparative sources and using different theoretical and methodological approaches

Legalized Families in the Era of Bordered Globalization Daphna Hacker, 2017-08-18 Providing a panoramic and interdisciplinary perspective this book explores the interrelations between globalization borders families and the law It considers the role of international multi national and religious laws in shaping the lives of the millions of families that are affected by the opportunities and challenges created by globalization and the ongoing resilience of national borders and cultural boundaries Examining familial life span stages establishing spousal relations raising children and being cared for in old age Hacker demonstrates the fruitfulness in studying families beyond the borders of national family law and highlights the relevance of immigration and citizenship law public and private international law and other branches of law This book provides a rich empirical description of families in our era It is relevant not only to legal scholars and practitioners but also to scholars and students within the sociology of the family globalization studies border studies immigration studies and gender studies

International Social Security Review, 2008 Gepflegte Männlichkeiten Rafaela Werny, 2022-10-17 Wie pr sentieren Pflegeheimbewohner sich im Pflegeheim als M nner Die Auseinandersetzung mit M nnlichkeiten im Pflegeheim aus einer biographischen Perspektive steht im Fokus des Buches Das Zusammenspiel von Alter und M nnlichkeiten im Kontext von Pflegeeinrichtungen wird dabei soziologisch und sozialgerontologisch ausgeleuchtet Dazu werden Perspektiven der Alterns Geschlechter und Biographieforschung aus einer intersektionellen Perspektive miteinander verkn pft

Party Politics and Social Welfare Martin Seeleib-Kaiser, Silke van Dyk, Martin Roggenkamp, 2008 Christian and Social Democratic parties have been the driving force behind welfare state developments post WWII This valuable book investigates whether continued party differences have contributed significantly to the design of social welfare in three conservative welfare states Austria Germany and the Netherlands since the mid 1970s Rather than assuming continued differences or convergence between parties the primary focus is to empirically analyze party positions with regard to employment and

labour market policies social security and family policies as well as the implemented policies themselves The analysis demonstrates how changed interpretative patterns have led to a programmatic convergence amongst Christian Democrats and Social Democrats largely resulting in a liberal communitarian approach to the development of social welfare policies Providing a comprehensive approach to welfare state analysis and scrutinizing the policy domains of employment social security and family policies this book will be of great interest to political scientists and sociologists interested in welfare state developments It will also appeal to lecturers and postgraduate students in comparative social policy

A Handbook of Comparative Social Policy Patricia Kennett, 2006-01-01 Kennett has made a major contribution to the comparative study of social policy The book will undoubtedly serve as a major resource for social policy scholars and the editor is to be commended for taking on what must have been a Herculean task It is to be hoped that the book will be available in many university libraries It deserves to be widely consulted not only by those interested in international issues but by anyone concerned with the challenges facing the academic field of social policy today Journal of Sociology and Social Welfare This volume makes a heroic effort to transform the abstractions floating around in the literature on comparative social policy research into a more grounded discussion of what the policy controversies are all about The contributions in the book climb down the ladder of abstraction which asserts that context institutions and globalization all count and that the public private discourse has changed The book attempts to specifically show how these abstractions matter in recent social policy practice and research Martin Rein Massachusetts Institute of Technology US The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this impressive volume explores the contextual conceptual analytical and processual aspects of undertaking comparative social research In the first part the authors are concerned with de centring the state and extending the epistemological framework through which cross national analysis is explored In Parts II and III the focus is on the conceptual and theoretical frameworks for analysing social policy cross nationally while Part IV examines the day to day reality of preparing for and carrying out cross national analysis In the final section the authors highlight continuing and emerging themes and issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy

Global Compensation Luis Gomez-Mejia, Steve Werner, 2008-08-06 Part of Routledge's Global

HRM series this unique new text gives an in depth and detailed analysis of the key themes and emerging topics faced by global enterprises when dealing with compensation issues today

Governing Home Care A Cross National Comparison Globalization And Welfare Introduction

In the digital age, access to information has become easier than ever before. The ability to download Governing Home Care A Cross National Comparison Globalization And Welfare has revolutionized the way we consume written content. Whether you

are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Governing Home Care A Cross National Comparison Globalization And Welfare has opened up a world of possibilities. Downloading Governing Home Care A Cross National Comparison Globalization And Welfare provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Governing Home Care A Cross National Comparison Globalization And Welfare has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Governing Home Care A Cross National Comparison Globalization And Welfare. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Governing Home Care A Cross National Comparison Globalization And Welfare. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Governing Home Care A Cross National Comparison Globalization And Welfare, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Governing Home Care A Cross National Comparison Globalization And Welfare has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
