## **Gomorra Italy's Other Mafia:**

**Gomorra** Roberto Saviano, 2007-10-30 An account of the decline of Naples under the rule of the Camorra describes how this organized crime network has gained control of the Neapolitan region in such areas as construction high fashion illegal drug trafficking and toxic waste disposal *Gomorra* Roberto Saviano, 2014-09-11 *Gomorra* Roberto Saviano, 2008-11-25 The basis of the Sundance TV series *Gomorra* A New York Times Notable Book of the Year A groundbreaking unprecedented bestseller in Italy Roberto Saviano's insider account traces the decline of the city of Naples under the rule of the Camorra an organized crime network more powerful and violent than the Mafia The Camorra is an elaborate international system dealing in drugs high fashion construction and toxic waste and its influence has entirely transformed life in Campania the province surrounding Naples Since seeing his first murder victim at thirteen Roberto Saviano has watched the changes in his home city For *Gomorra* he disappeared into the Camorra and witnessed up close the drug cartel's audacious sophisticated and far reaching corruption that has paralyzed his home city and introduced the world to a new breed of organized crime *World Politics in Translation* Tobias Berger, Alejandro Esquerro, 2017-09-14 Virtually all pertinent issues that the world faces today such as nuclear proliferation climate change the spread of infectious disease and economic globalization imply objects that move However surprisingly little is known about how the actual objects of world politics are constituted how they move and how they change while moving This book addresses these questions through the concept of translation the simultaneous processes of object constitution transportation and transformation Translations occur when specific forms of knowledge about the environment international human rights norms or water policies consolidate travel and change *World Politics in Translation* conceptualizes translation for International Relations by drawing on theoretical insights from Literary Studies Postcolonial Scholarship and Science and Technology Studies The individual chapters explore how the concept of translation opens new perspectives on development cooperation the diffusion of norms and organizational templates the performance in and of international organizations or the politics of international security governance This book constitutes an excellent resource for students and scholars in the fields of Politics International Relations Social Anthropology Development Studies and Sociology Combining empirically grounded case studies with methodological reflection and theoretical innovation the book provides a powerful and productive introduction to world politics in translation *Chinese Migration to Europe* Graeme Johanson, Narelle McAuliffe, Massimo Bressan, 2015-05-26 Through an analysis of Chinese migration to Europe this volume examines the most pressing migration and integration issues facing many societies today from the political and policy based challenges of managing increasingly diverse communities to individual lived experiences of identity and belonging In addition to chapters on the UK France and Italy the book spotlights one of the most extraordinary examples of Chinese migration to Europe that provided by the city of Prato just 20km from Florence in Tuscany Italy Renowned for its historic textile industry Prato is now home to one of the

largest populations of Chinese residents in Europe a phenomenon that is remarkable not only for its magnitude but also for the speed with which it has developed This edited collection which brings together twenty seven separate contributors deepens our understanding of the case of Prato within the context of Chinese migration to the new Europe     **Naples and the Nation** Ruth Glynn,2025-05-21 This book addresses Naples relationship with Italy since the introduction of direct mayoral election in 1993 and as articulated in cultural production It deploys theoretical frameworks pertaining to postcolonialism and cultural accentedness to challenge the historical framing of Naples as Italy s internal other and to reposition the city at the very heart of the Italian cultural imaginary The book showcases the breadth of texts and media addressing the city nation relationship analysing less renowned works of journalism literature fashion and film alongside celebrated texts such as Roberto Saviano s Gomorra Elena Ferrante s Neapolitan Novels and the soap opera Un posto al sole It highlights how such works contest perceptions of Naples as diverging from a national norm by emphasising the continuities that align the city with the nation Though developed with the specificities of Naples in mind the approach is intended as a model for the study of city nation relations in other cultural contexts     Charting Corporate Corruption Peter Fleming,Stelios C. Zyglidopoulos,2009-01-01 In the post Enron era corporate corruption has increasingly featured on the research agenda This informative book provides a novel approach by charting the actual causes of corruption This highly topical volume demonstrates how agency the decisions and choices of individuals and structure the contextual pressures in the business environment can interact to result in the rapid escalation of corporate crime and corruption By analysing and describing the social psychological dimensions of this escalation the book prescribes preventive measures that can be adapted and implemented by business organizations Loaded with case studies and prospective solutions Charting Corporate Corruption will be valuable to post graduates studying business ethics sociology and psychology and to researchers seeking new theories and concepts in this field     **The Sociological Turn in Translation and Interpreting Studies** Claudia V. Angelelli,2014-09-15 Increasing attention has been paid to the agency of translators and interpreters as well as to the social factors that permeate acts of translation and interpreting In addition agency and social factors are discussed in more interdisciplinary terms Currently the focus is not only on translators or interpreters i e the exploration of their inter intra social agency and identity construction or on their activities and the consequences thereof but also on other phenomena such as the displacement of texts and people and issues of access and linguisticism The displacement of texts whether written or oral across time and space as well as the geographic displacement of people has encouraged researchers in Translation and Interpreting Studies to consider issues related to translation and interpreting through the lens of the Sociology of Language Sociolinguistics and Historiography Researchers have employed a myriad of theoretical and methodological lenses borrowed from other disciplines in the Humanities and Social Sciences Therefore the interdisciplinarity of Translation and Interpreting Studies is more evident now than ever before This volume originally published as a special issue of Translation and

Interpreting Studies issue 7 2 2012 is a perfect example of such interdisciplinarity reflecting the shift that has occurred in Translation and Interpreting Studies around the world over the last 30 years

The Invisible Camorra Felia Allum, 2016-09-27 The organized crime group that dominates much of the socioeconomic life of contemporary Naples the Camorra is organized by kin and geography and it is notoriously the most violent fractious and disorganized mafia in Italy The Camorra controls local extortion rackets the drug and counterfeit trades and other legal and illicit activities as well as wielding substantial political influence throughout Naples and its environs Felia Allum has been researching the Camorra for twenty years and in *The Invisible Camorra* she reveals a surprising alteration in Camorra behavior when operatives live outside the Neapolitan base When gang members move away from Naples having been forced out by intense policing and gang competition they are attracted by business opportunities that on the whole fit in with their usual activities When they move to other parts of Western Europe and are therefore no longer criminals simply by virtue of mafia association as they are in Italy they become largely invisible Gang members avoid the spectacular deployment of violence they merge quietly into local life they keep themselves to themselves and when necessary use legitimate local actors such as lawyers and accountants to further their economic well being Allum has constructed a meticulous description and analysis of Camorra activities abroad To build accounts of the Camorra in Germany and the Netherlands France Spain and the United Kingdom she has interviewed investigating magistrates police officers and confessed criminals done substantial mining of Italian and European police data and made extensive use of judicial investigations court records and transcripts as well as of journalistic accounts The result is the first systematic analysis of the overseas activities of this major criminal organization

*The Serpent Coiled in Naples* Marius Kociejowski, 2022-09-20 A travelogue revealing the hidden stories of Naples In recent years Naples has become for better or worse the new destination in Italy While many of its more unusual features are on display for all to see the stories behind them remain largely hidden In Marius Kociejowski's portrait of this baffling city the serpent can be many things Vesuvius the mafia like Camorra the outlying Phlegrean Fields which geologically speaking constitute the second most dangerous area on the planet It is all these things that have at one time or another put paid to the higher aspirations of Neapolitans themselves Naples is simultaneously the city of light sometimes blindingly so and the city of darkness although often the stuff of cliché The boundary that separates death from life is porous in the extreme the dead inhabit the world of the living and vice versa

The Serpent Coiled in Naples is a travelogue a meditation on mortality and much else besides *The Anti-Oedipus Complex* Rob Weatherill, 2017-02-17 The Anti Oedipus Complex critically explores the post 68 dramatic developments in Freudian Lacanian psychoanalysis and cultural theory Beginning with the decline of patriarchy and the master exemplified by Freud's paean for the Father the revolutionary path was blown wide open by anti psychiatry schizoanalysis and radical politics the complex antimonies of which are traced here in detail with the help of philosophers such as Nietzsche Baudrillard Levinas Steiner and Badiou Derrida and Girard as well as theologians analysts writers musicians and film makers In this book Rob Weatherill starting from the clinic considers the end of hierarchies the loss of the Other new subjectivities so called creative destruction the power of negative thinking revolutionary action divine violence and new forms of extreme control The book raises the following questions Does the engagement of the Radical Orthodoxy movement offer some hope Or should we re-situate psychoanalysis within a genealogy of responsibility Patočka Derrida as it emerges out of the sacred demonic via Plato and Christianity The Anti Oedipus Complex will be of interest to psychoanalysts psychotherapists counsellors social workers and scholars in critical theory philosophy cultural theory literary theory and theology **Crime, Violence and Masculinities** Stephen Tomsen, 2024-12-30 Providing a detailed survey of the author's work over three decades this book chronicles Tomsen's studies of interpersonal violence and masculinities which initiated new approaches and topic areas and informed related theorising These novel approaches in social science research sparked new pathways of understanding which are outlined and evaluated in discussions of contemporary research and theoretical debates regarding masculinities and violence The work reflects phases of study concerning 1 public and related private urban male violence 2 anti gay anti queer assaults and homicides hate crimes and the ambivalent official responses to these 3 the ambiguous views of violence and different masculinities that are generated and circulate in criminal justice systems and in popular film and online culture and 4 frames of understanding masculine violence that have emerged in recent decades to further explain and address the apparent intractability of much offending its relationship to related forms of social privilege or disadvantage and preventive measures and programmes that are intended to counter this Crime Violence and Masculinities provides insight into the long term production of knowledge about masculinity and gendered violence that will benefit readers engaged in researching these topics as well as those with an interest in research results and their translation into related theory more broadly
