Good Enough A Shay James Mystery:

Good Enough Brenda McCreight, 2013-01-28 Shay is a teenage foster child who wants nothing more than to belong and she believes she has found her place at a run down stable Her sense of belonging is threatened when the stableowner is hurt by a mysterious attacker and in the aftermath decides to sell his horses if the criminal isn't found Shay and her two best friends determine to find the criminal at the cost of their own safety **Out Beyond the Verrazano** Terrence

Dunn, 2011-11-07 A novel about a Bronx Irish fishing family on City Island in New York City Stories are told by a father his two sons the woman they both love and a teenage grandson about the dangers of life at sea and the perils of life on land how families pull us together and tear us apart The characters struggle with the dreams they have for themselves and each other they battle a relentless sea for their living and try to come to grips with their dependence on and rejection of each other But as things seem at times hopeless time and hope offer redemption from unlikely sources Like life a story of struggle that aspires to a happy ending **The Exhibitor**, 1947 Some issues include separately paged sections Better management

Physical theatre extra profits Review Servisection *A NOBLE PURSUIT* Meg Lacey, 2014-02-15 Undercover cop Shay O Malley has the toughest assignment of his career He a Yankee has to bring down one of the most prestigious families in New Orleans Worse yet he's unknowingly slept with Juliette Fortier Princess Juliette Fortier who may or may not be into the family business up to her lovely neck He'd rather think she's an innocent but after their night together he knows better Juliette just wants a fling a one night stand before she settles down bound by her royal responsibilities But Shay keeps turning up in the strangest places and she's powerless to resist his charms Being powerless doesn't sit well with a princess **White Flights**

Jess Row, 2019-08-06 A bold incisive look at race and reparative writing in American fiction by the author of *Your Face in Mine* *White Flights* is a meditation on whiteness in American fiction and culture from the end of the civil rights movement to the present At the heart of the book Jess Row ties white flight the movement of white Americans into segregated communities whether in suburbs or newly gentrified downtowns to white writers setting their stories in isolated or emotionally insulated landscapes from the mountains of Idaho in Marilynne Robinson's *Housekeeping* to the claustrophobic households in Jonathan Franzen's *The Corrections* Row uses brilliant close readings of work from well known writers such as Don DeLillo Annie Dillard Richard Ford and David Foster Wallace to examine the ways these and other writers have sought imaginative space for themselves at the expense of engaging with race *White Flights* aims to move fiction to a more inclusive place and Row looks beyond criticism to consider writing as a reparative act What would it mean he asks if writers used fiction to approach each other again Row turns to the work of James Baldwin Dorothy Allison and James Alan McPherson to discuss interracial love in fiction while also examining his own family heritage as a way to interrogate his position A moving and provocative book that includes music film and literature in its arguments *White Flights* is an essential work of cultural and literary criticism **Emerald** Paula Lang, 2017-10-16 The ability to shape shift into the revered wolf is a gift given to
