Rosenberg, PhD, Peter MacFarland Coogan, 2013-09-19 What is a superhero Everyone knows right And yet everyone seems to have a different answer In this innovative collection of essays renowned psychologist Robin Rosenberg and comics scholar Peter Coogan explore this question from a variety of viewpoints With essays from scholars and commentaries by the writers and creators themselves What is a Superhero is the first volume to provide a true synthesis and reflection of the state of superheroes in our society today *Politics in the Gutters* Christina M. Knopf, 2021-06-28 From the moment Captain America punched Hitler in the jaw comic books have always been political and whether it is Marvel's chairman Ike Perlmutter making a campaign contribution to Donald Trump in 2016 or Marvel's character Howard the Duck running for president during America's bicentennial in 1976 the politics of comics have overlapped with the politics of campaigns and governance Pop culture opens avenues for people to declare their participation in a collective project and helps them to shape their understandings of civic responsibility leadership communal history and present concerns Politics in the Gutters American Politicians and Elections in Comic Book Media opens with an examination of campaign comic books used by the likes of Herbert Hoover and Harry S Truman follows the rise of political counterculture comix of the 1960s and continues on to the graphic novel version of the 9 11 Report and the cottage industry
