

Farewell Speech for Friends

- Farewells are kind of goodbye celebrations when you are leaving a particular place or work.
- Friends are indeed one's second family, and the place that joins you with friends, be it school or college becomes your second home.
- Friends are precious, and after spending more time with them, the attachment grows.

Rema Johnson, Ph.D.,2009-10-05 Celebrate the American dream as author Rema Johnson shares her journey from poverty to motherhood to self education and more Through the honest testimony of faith hope resilience life and love she tells how her difficulties enable her to be strong and successful From Poverty to Ph D she has embodied the spirit of a woman who never lets anything stop her or put her down She had a tough life but now she is Afraid no More **Women at War** Vera Hildebrand,2018-03-15 Among the more improbable events of the Asia Pacific Theater in World War II was the creation in Singapore of a corps of female Indian combat soldiers the Rani of Jhansi Regiment RJR They served under Indian freedom fighter Subhas Chandra Bose in the Indian National Army Because the creation of an Indian all female regiment of combat soldiers was a radical military innovation in 1943 and because the role of women in today s broader context of Indian culture has become a prevalent and pressing issue the extensive testimony of the surviving veterans of this unit is timely and urgent The history of these brave women soldiers is little known their extraordinary service and the role played by Bose remains largely unexplored In the years since the RJR surrender in 1945 the story of Subhas Chandra Bose and the Rani Regiment of female combatants as signature symbols of

both the national fight for independence and of Indian women's struggle for gender equality has taken on aspects of myth. Lengthy interviews with the veteran Ranis together with archival research comprise the evidence that separates the myth of the Bengali hero and his jungle warrior maidens from historical fact and this resulting book presents an accurate narrative of the Ranis. The facts are nearly as impressive as the legend. From the beginning when my mother died when I was two months old and my father when I was eleven. It goes into how I struggled trying to find myself and make my peace with God. Along the way I fell in love with running. It became my therapy. I meet amazing people throughout my story. There are unexpected tragedies that I must overcome. And in the end I see the big picture. I have a great understanding of my life. I think my story will help you with whatever challenges you may be facing. **Who We Like, Why We Like Them, and What We Do with Them** Letty Cottin Pogrebin, 1988
