Donovan, 2025-09-09 For readers who found comfort in Joan Didion's *The Year of Magical Thinking* a 9/11 widow's memoir of rediscovering joy and finding love again after the violent loss of her husband One sunny Tuesday morning Maryellen Donovan's beloved husband Steve Cherry lost his life in the 9/11 attacks rocking her to her core and changing her family forever Maryellen's life and love with Steve was all she could have hoped for in the wake of his death she was inconsolable But ultimately she had no choice but to be strong for her two young sons and even when deep in the grip of hopeless despair she

found solace in her deep faith and belief that with the support of friends and family she would eventually find love and happiness once again Her route to her happy ending proved long and winding and full of obstacles cancer family conflict even more loss but she always found a way forward no matter the setbacks she encountered An inspirational story that will provide hope to anyone who s experienced unfathomable loss and loneliness The Road to Yesterday is a testament to the idea that there is always a path to love and joy if only you re determined enough to keep yourself open to it Goodnight Madeline and the Moon, It's Almost Bedtime Melissa Ryan,2015-12-16 This book is uniquely original and can be personalized with any girl s name How fun is that Over 300 book names already published on Amazon Think of the possibilities baby or shower gifts birthdays a special something from grandma and more You can purchase the book s title as shown this book is in MADELINE S NAME OR you can request a new book be published in the name you desire It s easy to order in 3 steps 1 Go to estorytime com BEFORE placing your Amazon order to let Melissa know the name you want personalized on your book 2 Click on the Personalize It tab and add the name and book title you would like Send this information to Melissa 3 Melissa will take care of the rest She will publish your new book title on Amazon and once published will get a link from Amazon to email to you Once you receive this link you can order your book just like any Amazon product Easy We ve taken the worry out of the process and your child will be thrilled with the final product Who doesn t like to see their name on the cover or hear it related throughout the story The author Melissa Madeline is the mother of five children and knows the importance of reading to your little ones It instills a love of books and fosters an active imagination in the youngest of readers Help start them on a path of discovery with Melissa s stories The tale of Madeline is perfect for bedtime especially when unleashing the child s wonder by using her own name This is a book that can be enjoyed over and over again and will be remembered long after the last page is read and the lights turned out Goodnight Madeline and the Moon is beautifully illustrated with full color images that will hold your child s attention while you read the delightful story Walk along with Madeline through a day of happy smiles sleepy eyed dreams and a bedtime that s sure to please She will capture your heart and the moments spent reading it together will build fond memories that will be cherished throughout the years This is just one of several books offered by Melissa in her ever expanding children s book series You ll learn to love and appreciate the extra attention that goes into each volume Special care is taken to keep the child s heart at the center of each story helping them build character and learn something along the way Help that special child in your life reach for the stars and let Goodnight Madeline into your home to cast a moonbeam over the most precious of your possessions Build a binding relationship with the power of reading you ll look back in awe at the foundations you ve built Please customize and purchase this book for a special little girl in your life today Tags Madeline personalized children s books personalized gifts personalized baby gifts personalized bedtime stories bedtime story 1st birthday gifts **Picturebooks** Evelyn Arizpe, Maureen Farrell, Julie McAdam, 2014-10-14 The picturebook is now recognized as a sophisticated art form that has provided a space for some of the most exciting innovations in the field

of children's literature This book brings together the work of expert scholars from the UK the USA and Europe to present original theoretical perspectives and new research on picturebooks and their readers The authors draw on a variety of disciplines such as art and cultural history semiotics philosophy cultural geography visual literacy education and literary theory in order to revisit the question of what a picturebook is and how the best authors and illustrators meet and exceed artistic narrative and cultural expectations The book looks at the socio historical conditions of different times and countries in which a range of picturebooks have been created pointing out variations but also highlighting commonalities It also discusses what the stretching of borders may mean for new generations of readers and what contemporary children themselves have to say about picturebooks This book was originally published as a special issue of the *New Review of Children's Literature and Librarianship*
