Mortimer,David R. Rosseinsky,Paul M. S. Monk,2015-07-27

Electrochromic materials can change their properties under the influence of an electrical voltage or current. Different classes of materials show this behavior such as transition metal oxides, conjugated polymers, metal coordinated complexes and organic molecules. As the color change is persistent, the electric field needs only to be applied to initiate the switching, allowing for applications such as low energy consumption displays, light adapting mirrors in the automobile industry and smart windows for which the amount of transmitted light and heat can be controlled. The first part of this book describes the different classes and processing techniques of electrochromic materials. The second part highlights nanostructured electrochromic materials and device fabrication and the third part focuses on the applications such as smart windows, adaptive camouflage, biomimicry, wearable displays and fashion. The last part rounds off the book by device case studies and environmental impact issues.

The X-Manual Peter J. Bellini, 2022-04-07. The title of the book *The X Manual* is taken from the word *exousia* from the subtitle. It is the Greek word for authority. The word is used throughout the New Testament. For our purposes, it is used to express the divine authority or right to cast out demons. I have given you authority *exousia* to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you. Luke 10:19 NIV. Jesus gives believers authority to cast out demons. This book is about spiritual authority over evil. *The X Manual* is a practical how to handbook for clergy and laity on deliverance and exorcism. One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry. Nowhere is the church more inadequate or excessive than in deliverance ministry. *The X Manual* contains specific, time tested biblical instructions on selecting and training a deliverance team, pre deliverance work, the deliverance session, post deliverance work and other useful tools like the C13 instrument that helps determine if one needs deliverance. Deliverance is essential to the church's New Testament healing and evangelism ministry. It is time for the church to walk in the authority and power that Christ gave us to set the captives free.
