David White

Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series:

Gorbachev, Yeltsin, and Putin Archie Brown, 2013-01-25 This volume analyzes various aspects of the political leadership during the collapse of the Soviet Union and formation of a new Russia Comparing the rule of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin the book reflects upon their goals governing style and sources of influence as well as factors that influenced their activities and complicated them too Contents Introduction Archie Brown Transformational Leaders Compared Mikhail Gorbachev and Boris Yeltsin Archie Brown Evaluating Gorbachev and Yeltsin as Leaders George W Breslauer From Yeltsin to Putin The Evolution of Presidential Power Lilia Shevtsova Political Leadership and the Center Periphery Struggle Putin s Administrative Reforms Eugene Huskey Conclusion Lilia Shevtsova **Politics in the Russian Regions** G. Gill, 2007-06-28 This volume analyzes the changing power relations in the Russian regions and in their relationship with the centre It considers Russian federalism and the changes that Putin has introduced and the distribution of power at the regional level The result is a rich survey of the state of federal relations in Russia **Russian Politics Today** Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader **The Decline of Regionalism in Putin's Russia** J. Paul Goode, 2011-05-11 This book reassesses Putin s attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin s federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region s territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin s regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin s centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues **The Cambridge History of Russia: Volume 3, The Twentieth Century** Maureen Perrie, Ronald Grigor Suny, 2006-11-02 A major history of twentieth century Russia by leading scholars in the field **Transitional Justice and**

the Former Soviet Union Cynthia M. Horne, Lavinia Stan, 2018-02-22 In the twenty five years since the Soviet Union was dismantled the countries of the former Soviet Union have faced different circumstances and responded differently to the need to redress and acknowledge the communist past and the suffering of their people While some have adopted transitional justice and accountability measures others have chosen to reject them these choices have directly affected state building and societal reconciliation efforts This is the most comprehensive account to date of post Soviet efforts to address distort ignore or recast the past through the use manipulation and obstruction of transitional justice measures and memory politics initiatives Editors Cynthia M Horne and Lavinia Stan have gathered contributions by top scholars in the field allowing the disparate post communist studies and transitional justice scholarly communities to come together and reflect on the past and its implications for the future of the region

Russia in the Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

Globalization and Its Discontents Revisited Joseph E. Stiglitz, 2017-11-28 An International Bestseller Accessible provocative and highly readable Alan Cowell New York Times In this crucial expansion and update of his landmark bestseller renowned economist and Nobel Prize winner Joseph E Stiglitz addresses globalization s new discontents in the United States and Europe Immediately upon publication Globalization and Its Discontents became a touchstone in the globalization debate by demonstrating how the International Monetary Fund other major institutions like the World Bank and global trade agreements have often harmed the developing nations they are supposedly helping Yet globalization today continues to be mismanaged and now the harms exemplified by the rampant inequality to which it has contributed have come home to roost in the United States and the rest of the developed world as well reflected in growing political unrest With a new introduction major new chapters on the new discontents the rise of Donald Trump and the new protectionist movement as well as a new afterword on the course of globalization since the book first appeared Stiglitz s powerful and prescient messages remain essential reading

Encyclopedia of the Cold War Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its

vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945-1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

The Russian Democratic Party Yabloko David White, 2006 Amid growing concern with President Putin's centralization and control this important volume examines the gradual electoral decline of Russia's leading liberal party the Yabloko Party It provides fascinating insights into the role of opposition the development of the party system and above all the quality of democracy in Russia under President Putin

The Rise and Fall of Privatization in the Russian Oil Industry L. Sim, 2008-10-24 A study of the actors and institutions that shaped decision making on privatization in the Russian oil industry between 1992 and 2006 The book analyses the origins of privatization as a policy on a macro industry wide level as well as presenting three in depth case studies of privatization on a company level

Russia's Federal Relations Elena Chebankova, 2009-12-04 The development of centre regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country's subsequent rulers to create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia's federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism

Globalization and Its Discontents Joseph E. Stiglitz, 2003-04-17 This powerful unsettling book gives us a rare glimpse behind the closed doors of global financial institutions by the winner of the 2001 Nobel Prize in Economics When it was first published this national bestseller quickly became a touchstone in the globalization debate Renowned economist and Nobel Prize winner Joseph E Stiglitz had a ringside seat for most of the major economic events of the last decade including stints as chairman of the Council of Economic Advisers and chief economist at the World Bank Particularly concerned with the plight of the developing nations he became increasingly disillusioned as he saw the International Monetary Fund and other major institutions put the interests of Wall Street and the financial community ahead of the poorer nations Those seeking to understand why globalization has engendered the hostility of protesters in Seattle and Genoa will find the reasons here While this book includes no simple formula on how to make globalization work Stiglitz provides a reform agenda that will provoke debate for years to come Rarely do we get such an insider's analysis of the major institutions of globalization as in this penetrating book With a new foreword for this paperback edition **Regional Economic Voting** Joshua A.

Tucker, 2006-01-09 This study demonstrates that in a time of massive change characterized by the emergence of entirely new political systems and a fundamental reorganization of economic life systematic patterns of economic conditions affecting election results at the aggregate level can in fact be identified during the first decade of post communist elections in five post communist countries Russia Poland Hungary Slovakia and the Czech Republic A variety of theoretical arguments concerning the conditions in which these effects are more or less likely to be present are also proposed and tested Analysis is conducted using an original data set of regional level economic demographic and electoral indicators and features both broadly based comparative assessments of the findings across all twenty elections as well as more focused case study analyses of pairs of individual elections **Historical Dictionary of the Russian Federation** Robert A. Saunders, 2019-09-20 Straddling

Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia **Taxes and Trust** Marc P.

Berenson, 2018-01-25 Taxes and Trust is the first book on taxes to focus on trust and the first work of social science to concentrate on how tax policy actually gets implemented on the ground in Poland Russia and Ukraine It highlights the nuances of the transitional Ukraine case and explains precisely how and why that borderland country differs from the more

ideal types of coercive Russia and compliance oriented Poland Through nine bespoke taxpayer surveys an unprecedented bureaucratic survey and more than fifteen years of qualitative research the book emphasizes the building and accumulation of trust to transition from a coercive tax state to a compliant one The context of the book will appeal to students and scholars of taxation worldwide and to those who study Russia and Eastern Europe This title is also available as Open Access

Parliamentary Power in Russia, 1994-2001 T. Troxel, 2002-12-09 This book is the first study of the power of the Russian Parliament in the policy process from 1994 2001 within the context of executive legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power *Dissent on the Margins* Emily B. Baran, 2016 Emily B Baran offers a gripping history of how a small American based religious community the Jehovah s Witnesses found its way into the Soviet Union after World War II survived decades of brutal persecution and emerged as one of the region s fastest growing religions after the Soviet Union s collapse in 1991 In telling the story of this often misunderstood faith Baran explores the shifting boundaries of religious dissent non conformity and human rights in the Soviet Union and its successor states Soviet Jehovah s Witnesses are a fascinating case study of dissent beyond urban intellectual nonconformists Witnesses who were generally rural poorly educated and utterly marginalized from society resisted state pressure to conform They instead constructed alternative communities based on adherence to religious principles established by the Witnesses international center in Brooklyn New York The Soviet state considered Witnesses to be the most reactionary of all underground religious movements and used extraordinary measures to try to eliminate this threat Yet Witnesses survived while the Soviet system did not After 1991 they faced continuing challenges to their right to practice their faith in post Soviet states as these states struggled to reconcile the proper limits on freedom of conscience with European norms and domestic concerns *Dissent on the Margins* provides a new and important perspective on one of America s most understudied religious movements *The Devil in History* Vladimir Tismaneanu, 2014-03-14 *The Devil in History* is a provocative analysis of the relationship between communism and fascism Reflecting the author s personal experiences within communist totalitarianism this is a book about political passions radicalism utopian ideals and their catastrophic consequences in the twentieth century s experiments in social engineering Vladimir Tismaneanu brilliantly compares communism and fascism as competing sometimes overlapping and occasionally strikingly similar systems of political totalitarianism He examines the inherent ideological appeal of these radical revolutionary political movements the visions of salvation and revolution they pursued the value and types of charisma of leaders within these political movements the place of violence within these systems and their legacies in contemporary politics The author discusses thinkers who have shaped contemporary understanding of totalitarian movements people such as Hannah Arendt Raymond Aron Isaiah Berlin Albert Camus Fran ois Furet Tony Judt Ian Kershaw Leszek Kolakowski Richard Pipes and Robert C Tucker As much a theoretical analysis of the practical philosophies of

Marxism Leninism and Fascism as it is a political biography of particular figures this book deals with the incarnation of diabolically nihilistic principles of human subjugation and conditioning in the name of presumably pure and purifying goals Ultimately the author claims that no ideological commitment no matter how absorbing should ever prevail over the sanctity of human life He comes to the conclusion that no party movement or leader holds the right to dictate to the followers to renounce their critical faculties and to embrace a pseudo miraculous a mystically self centered delusional vision of mandatory happiness

Yeah, reviewing a ebook **Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series** could ensue your near links listings. Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series Introduction

In today's digital age, the availability of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series books and manuals for download and embark on your journey of knowledge?

FAQs About Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series is one of the best book in our library for free trial. We provide copy of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series. Where to download Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series online for free? Are you looking for Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Carnegie Endowment Series PDF? This is definitely going to save you

time and cash in something you should think about.
