Gospel According To St John 1 10 Calvins New Testament Commentaries

Jean Calvin

Gospel According To St John 1 10 Calvins New Testament Commentaries:

Calvin's New Testament Commentaries: The Gospel according to St. John, 1-10 Jean Calvin, 1994 The Gospel According to St John Jean Calvin, 1995 This volume contains commentary on the Gospel of John chapters 1 10 These classic commentaries by Calvin laid the basis for later scholarly exeges of the Bible The commentary is verse by verse with anywhere from a paragraph to a whole page of commentary per verse This is a completely new translation into modern English of Calvin's Commentaries on the New Testament Calvin's Commentaries Jean Calvin, 1961 Calvin, 1995-07-17 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin s authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin s ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history s finest expositors of the Word of God John Calvin as Biblical Commentator John R. "Jack" Walchenbach, 2010-06-01 The year 2009 brought with it the 500th anniversary of the birth of John Calvin a global celebration With this commemorative event came a new and renewed appreciation for the life and thought of the French Reformer and his profound impact on the world Scholars universally have acknowledged that while The Theologian of Geneva is mostly appreciated for his Institutes of the Christian Religion it is Calvin as a biblical commentator that needs to be taken with revised interest When Calvin first set out to write a commentary on virtually every book of the Bible he was drawn to the exegetical work of the great Greek Patriarch of the fourth century John Chrysostom because of his straightforward non allegorical approach to the genuine simple sense of the text It was also the method of Chrysostom to which Calvin was attracted a continuous exposition that explains each verse Calvin in his life long work to produce commentaries on sacred Scripture sought to emulate the approach and method of the amazing early church theologian John Chrysostom This book celebrates Calvin as Biblical commentator and what he saw in the literary work of the Greek Father that was so influential on Calvin's immense contribution to our understanding the Bible The Work of Christ John S. Hammett, Charles L. Quarles, 2024-09-01 In The Work of Christ John S Hammett and Charles L Quarles examine Christ's service for his people Font of Pardon and New Life Lyle D. Bierma, 2021-06-15 Font of Pardon and especially his atoning work on the cross New Life is a study of the historical development of John Calvin's doctrine of baptism both adult or believer baptism and infant baptism In a chronological examination of Calvin s writings his Institutes commentaries on the Bible catechisms polemical treatises and consensus documents the book addresses the question of what in Calvin's view spiritually takes place in an individual when he or she is baptized and it analyzes the impact of Calvin's baptismal doctrine on the major Reformed confessions and catechisms of the sixteenth and seventeenth centuries Union with Christ Dennis E.

Tamburello, 1994-01-01 The Columbia Series in Reformed Theology represents a joint commitment on the part of Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today The Reformed tradition seeks to discern what the living God revealed in Scripture is saying and doing in every new time and situation This series intends to be a part of that ongoing tradition by examining theological and ethical issues that confront church and society in our particular time and place Volumes in this series are intended for scholars professional theologians and for pastors and lay people who are committed to faith in search of understanding The Unassumed Is the Unhealed Kevin Chiarot, 2013-09-24 This work addresses a pivotal and controversial area lying at the heart of T F Torrance s Christology Namely that Jesus Christ assumed fallen and sinful humanity and living out a sinless life from within our alienated state healed our human nature This is a claim that is conceptually basic to Torrance s integration of incarnation and atonement and thus to his soteriology as a whole It's pervasive nature and its significance within the overall structure of Torrance s thought is thoroughly and sympathetically set forth Christ's assumption of sinful flesh is seen to lie underneath a number of disputed areas in Torrance s thought such as the role or lack thereof of human responsibility and the question of universalism This work not only illuminates but rigorously examines the claim that the unassumed is the unhealed The Gospel of John David F. Ford, 2021-12-07 Christianity Today 2023 Book Award Finalist Biblical Studies John is a Gospel of abundant truth life and love David Ford one of the world's leading Christian theologians invites readers into a fresh profound encounter with Jesus through the Gospel of John in this comprehensive theological commentary This commentary will appeal to a wide audience including pastors church leaders and other readers interested in the intersection of theology and spirituality It will also be of interest to professors and students doing research on John and the reception of the Gospel in Christian theology Compelled Ed Stetzer, Philip Nation, 2012-06-05 Ed Stetzer and Philip Nation are executive editor and general editor of The Mission of God Study Bible This book is a companion to that study Understand what it means to be compelled by love The authors challenge readers to look at love within the context of God the church and the lives of individual believers Compelled provides readers a basic theological grounding and a platform for personal application as they understand that missional living is all about simply the calling to love others Look at the love of God begin to truly understand what is at the center of the church's foundation commission and direction but most importantly understand your role within the mission of God as you integrate love into all aspects of your missional calling The Divine Voice Stephen H. Webb, 2012-01-20 Webb offers a carefully and creatively wrought phenomenology of sound showing its relation to the proclamation of God's Word His keen insights on the primordial nature of sound speech and hearing will force theologians to examine once again what it means to be a hearer of the Word Webb masterfully displays the intrinsic relationship between dynamic listening and speech how intent hearing and confident proclamation are intimately conjoined. He has the rare gift of combining acute theological insight with a mellifluous readable style The nature of God's own Word here becomes clearer

vibrant and tensile life giving in tone and texture Whether examining Jesus as the voice of the Father the role of voice in innertrinitarian relations or the relationship between voice and gender Webb offers the kind of thought provoking and highly creative reflections rarely found elsewhere He has a creative and incisive theological mind Thomas Guarino Seton Hall University Being appreciative of Webb's earlier work on hyperbolic language in theology and preaching I welcomed The Divine Voice How risky to toss a spoken word into a room of silent readers and expect it to be heard I was reprimended instructed and moved by the sound of this book Were I still in the seminary classroom The Divine Voice would be required reading before one word was said about how to preach Fred B Craddock The Craddock Center The Divine Voice is a book of academic theology worthy of the Psalmist who sang Day after day the word goes forth night after night the story is told Soundless the speech voiceless the talk yet the story is echoed throughout the world Ps 19 2 3 Stephen Webb is an acoustemological theologian for whom speech can be prayerful as silence and silence as instructive as proclamation When the sounds heard by faith reach Webb's ever insightful and creative mind only synthesia could result and the result is a gift for us all Peter Ochs University of Virginia The Samaritan Woman's Story Caryn A. Reeder, 2022-02-15 Most Christians are familiar with this picture of the woman at the well a sinner an adulteress even a prostitute Exploring the reception history of John 4 Caryn Reeder challenges common interpretational assumptions about women and sexuality yielding fresh insights from the story s original context and offering a bold challenge to teach the Bible in a way that truly values the voices of women National Union Catalog ,1970 Includes entries for maps and atlases Apologetic Works 5 Nathan A. Finn, 2016-05-24 Andrew Fuller 1754 1815 was the leading Baptist theologian of his era though his works are just now being made available in a critical edition Strictures on Sandemanianism is the fourth volume in The Works of Andrew Fuller In this treatise Fuller critiqued Sandemanianism a form of Restorationism that first emerged in Scotland in the eighteenth century and was influencing the Scotch Baptists of Fuller's day Fuller's biggest concern was the Sandemanian belief that saving faith is merely intellectual assent to the gospel Fuller believed this intellectualist view of faith undermined evangelical spirituality Strictures on Sandemanianism became a leading evangelical critique of Sandemanian views This critical edition will introduce scholars to this important work and shed light on evangelical debates about the faith justification and sanctification during the latter half of the long eighteenth century ca 1750 to 1815 The Function of Narrative Comments in the Gospel of John David A. Lamb, 2024-12-15 Scholars have long noted that comments by the author or editor often referred to as narrative asides or parentheses are frequent in the Fourth Gospel The Function of Narrative Comments in the Gospel of John A Literary and Linguistic Analysis is a comprehensive guide to this significant feature In the vein of Gilbert Van Belle s Les Parenth ses dans L vangile de Jean 1985 Lamb provides a detailed analysis of the terminology definition and categorization of these comments and interacts extensively with existing scholarship He looks at the role of the comments in the Gospel s composition assesses their function using insights from literary theory dramatic theory and sociolinguistics and makes

comparisons with OT historical writings the Synoptic Gospels and the works of Herodotus and Thucydides He concludes that the narrative comments are an integral part of the text which reflect the authority of the author and that they have significant implications for our exegesis of the Gospel Before You Were Born, I Anointed You Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET

The Church Donald K. McKim, 2017-02-14 This book considers basics of Christian faith about the church conveyed through the perspectives of the Reformed tradition particularly in its Presbyterian expression from Donald McKim's own context in the Presbyterian Church U S A The six chapters deal with ecclesiology understandings of the church The book begins by considering the call to follow Jesus in the church the beginning of the Christian journey The Reformation slogan the Church Reformed and Always Being Reformed according to the Word of God orients us to the nature of the church and God's ongoing work of Word and Spirit within the community of faith Three of the chapters discuss phrases from the Apostles Creed These are I believe in the Holy Spirit the holy catholic church and the communion of saints The final chapter called Imagine the Church provides theological resources for helping us recognize and experience the God of superabundance who is at work in the world in the church and in our own lives Eph 3 20 Together these essays provide theological understandings of the church while also exploring the meanings and implications of the church for Christian life and experience today Has God Said? John Douglas Morrison, 2006-03-01 Has God said Has God actually spoken declared himself and his purposes to us Historically the Christian faith has affirmed God s redemptive revelatory speaking as historical contentful redemptive centrally in Jesus Christ and under Christ and by the Spirit in the text of Holy Scripture But in the past three centuries developments in Western culture have created a crisis in relation to historical divine authority The modern reintroduction of destructive dualisms cosmological and epistemological via Descartes Newton Spinoza and Kant have injured not only the physical sciences e g positivism but Christian theology as well The resulting eclipse of God has permeated Western culture In terms of the Christian understanding of revelation it has meant the separation of God from historical action the rejection of God's actual self declaration and especially in textual form

Holy Scripture After critical analysis of these dualistic developments this book presents the problematic effects in both Protestant Schleiermacher Bultmann Tillich and Roman Catholic Rahner Dulles theology The thought and influence of Karl Barth on the nature of Scripture is examined and distinguished from most Barthian approaches The effects of dualistic Barthian thought on contemporary evangelical views of Scripture Pinnock Fackre Bloesch are also critically analyzed and responses made Helm Wolterstorff Packer The final chapter is a christocentric multileveled reformulation of the classical Scripture Principle via Einstein Torrance and Calvin that reaffirms the church's historical identity thesis that Holy Scripture is the written Word of God a crucial aspect of God's larger redemptive revelatory purpose in Christ Reciprocity A. William DeJong, 2019-11-11 This volume probes the nature of gratitude as a virtue and identifies its moral value in the Christian life in order to enhance pastoral effectiveness in ministering to those gripped by sins of desire Such impulses are explored in terms of the seven deadly sins which this inquiry regards as distorted desires for the good God provides Utilizing a method of mutual critical correlation this volume brings philosophical and psychological claims about gratitude into conversation with the Christian tradition On the basis of an ontology of communion in which humans are inextricably situated in giving and receiving relationships with God others and the world this inquiry defines gratitude as a social response involving asymmetrical agapic reciprocity whereby a recipient freely joyfully and fittingly salutes a giver for the gift received in order to establish maintain or restore a personal and peaceable relationship Critiquing especially the reductions of gratitude by Aristotle and Jacques Derrida this inquiry recommends gratitude as a virtue which when embodied practiced and ritualized especially though not exclusively in the Eucharist has potential to repel the destructive idolatries generated by the seven deadly sins and thus function as a crucial ingredient in human social flourishing Familiarity with the virtue of gratitude as a vital ingredient in moral flourishing therefore equips pastors for greater ministerial effectiveness
