## **Gospel And Spirit Issues In New Testament Hermeneutics:**

*Gospel and Spirit* Gordon D. Fee, 1991-10-01 For those who believe the Scriptures are the inspired word of God with a message relevant for living today nothing is more crucial than understanding sound principles of interpretation Disagreement arises when people and groups differ over how one gets at that message and what that message is In this collection of essays and lectures Dr Gordon Fee offers hermeneutical insights that will more effectively allow the New Testament to speak on its own terms to our situation today This is not a collection of subjective theoretical essays on the science of interpretation rather these essays target issues of practical and sometimes critical concern to Evangelicals Pentecostals and anyone interested in letting the Bible speak to today's situation Fee brings to the task what he himself advocates common sense and dedication to Scripture Readers already familiar with some of these essays like *Hermeneutics and Common Sense* An Exploratory Essay on the Hermeneutics of the Epistles will welcome its reappearance Others will appreciate the challenge of essays such as *The Great Watershed* Intentionality and Particularity *Eternality* 1 Timothy 2:8-15 as a Test Case an essay defending the role of women in ministry or *Hermeneutics and Historical Precedent* A Major Issue in Pentecostal Hermeneutics Anyone wanting to wrestle with key issues in New Testament interpretation will want to read this book

A Discussion with Dr. Gordon Fee Joseph B. Fuiten, 1996 *Pentecostal and Postmodern Hermeneutics* Bradley Truman Noel, 2010-01-29 *Pentecostal and Postmodern Hermeneutics* seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the place of youth and young adults in the vision for the future While Pentecostalism has been at the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations

**Theological Hermeneutics in the Classical Pentecostal Tradition** L. William Oliverio, 2012-08-01 In *Theological Hermeneutics in the*

Classical Pentecostal Tradition L William Oliverio Jr accounts for the development of Classical Pentecostal theological hermeneutics through four hermeneutical types and concludes with a philosophical basis for future Pentecostal theological hermeneutics within the contours of a hermeneutical realism An African Pentecostal Hermeneutics Marius Nel, 2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God's word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism's contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they read the Bible and the faith community as normative for the interpretation of the Bible *The Canadian Pentecostal Experience*, 2024-10-02 The Canadian Pentecostal Experience includes eighteen essays organized into three themes 1 Historiography and Early Canadian Pentecostalism 2 Theological Practices and Processes and 3 Social and Cultural Change This collection makes a significant contribution to the growing literature of global Pentecostal scholarship The works are important for the Canadian context but as the editors argue in the Introduction Canadian Pentecostalism is global shaped by both local and global realities This collection will interest readers drawn from the wider field of religious studies and global Pentecostalism to initiate conversations about how Pentecostalism evolves in both its local and global expressions Dismantling the Dualisms for American Pentecostal Women in Ministry Lisa Stephenson, 2011-10-06 The pneumatological magna carta of Acts 2 has never translated into a fully liberating praxis for Pentecostal women in ministry Scholars have given this problem limited attention but their works do not adopt the perspective of pneumatology or engage feminist theology In neglecting pneumatology Pentecostals have ignored a methodological approach and a dominant orienting motif that is fundamental to their spirituality In neglecting feminist theology they proffer an incomplete solution that addresses anthropological paradigms to the exclusion of ecclesiological ones After analyzing the historical and theological factors resulting in the present situation among American Pentecostal women in ministry this book proposes a Feminist Pneumatological anthropology and ecclesiology that address the problematic dualisms that have perpetuated Pentecostal women's ecclesial restrictions **Essentials of Pentecostal Theology** Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials What is Pentecostal

theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly *Pentecostal Perspectives* Timothy Laurito,2023-07-31 Step into the vibrant world of Pentecostal theology with *Pentecostal Perspectives* Explore the cornerstones of biblical theology from the view of Pentecostal thought Crafted with the careful balance of scholarly rigor and engaging accessibility this book bridges the academia and the pew *Pentecostal Perspectives* provides more than just theology it offers an exploration an invitation and a conversation into the heart of Pentecostal faith and practice **A Guide to Pentecostal Movements for Lutherans** Sarah Hinlicky Wilson,2016-07-06 In just over a century Pentecostalism has rocketed from its humble beginnings in an interracial congregation on Azusa Street in Los Angeles to a global movement counting more than six hundred million members Confronted with the bewildering array of Pentecostal Charismatic and Neocharismatic beliefs and practices Lutherans are often at a loss as to how to think about Pentecostals much less how to engage them in positive ways that build up the whole body of Christ In this guide Lutherans will find tools for just such an engagement Building on a foundation of Pentecostalism s history and varieties Wilson undertakes an in depth survey of biblical teaching on baptism the Holy Spirit and spiritual gifts The guide then brings innovative new lenses to bear on the questions at stake the use of church history in defending denominational borders right and wrong approaches to prosperity the power of the Spirit and corruptions of power and the role of experience in theological discernment Written in a style accessible to laity and clergy alike this guide will strengthen Lutherans appreciation of their own tradition while enabling them to encounter Pentecostals as fellow believers in the salvation given by the triune God **Pentecostal Experience** Peter D. Neumann,2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal experience of God is mediated by the Spirit s work through Scripture the Christian tradition and the broader cultural context Using the work of three contemporary Pentecostal theologians Frank D Macchia Simon K H Chan and Amos Yong the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology As further evidence of this maturation Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic Eastern Orthodox and Protestant traditions **Pauline Communities as 'scholastic Communities'** Claire S. Smith,2012 Edwin Judge s description of early Christian communities as scholastic communities provides the starting point of a search for a sociological description of the Christian communities portrayed in 1

Corinthians 1 and 2 Timothy and Titus An original methodology uses a multi layered exegetical approach to study every occurrence of the vocabulary of teaching in the letters The focus is on the activity of teaching e g participants method manner purpose result etc The vocabulary represents ten semantic groupings which shed further light on the place and practice of education in the communities core teaching speaking traditioning announcing revealing worshipping commanding correcting remembering imitation and false teaching Claire S Smith supports and develops Judge s 1960 description advancing on it by showing that the communities are better described as learning communities with horizontal human human and vertical divine human dimensions

*Is There an Author in This Text?* Peter A. Sutcliffe,2013-12-13 The interpretation of any written discourse is problematic which is the concern of this book The relevant hermeneutical questions are Do authors communicate their intention so that understanding of their intent is possible Can a person other than an author speak through an author s text Can individual meaning which is personal ever be regarded as equivalent to that of the author Any assertion of God speaking in and through the biblical text must first deal with these hermeneutical questions Questions of the existence and speaking of God are matters of belief However questions

asking can a God who exists speak so that I understand His intention and can my meaning be relative to His these are matters of hermeneutics The answer in contemporary philosophical approaches to texts has been to declare a resounding no creating confusion for someone seeking to deal with God's intention for their lives in understanding biblical text This must be addressed and not treated dismissively When this is done a resounding yes is disclosed as valid hermeneutically opening new horizons not only in dealing with biblical text but with any author's text This is not Christianized hermeneutics but an answer for the Christian hermeneut

**Charism in the Church** Constant Leke Ngolefac, 2024-03-01 Charism is a hot contemporary issue The growing interest in the charisms is one of the significant religious developments of our time Opinions on charisms vary to a remarkable degree Unfortunately in some cases diverse viewpoints have led to confusion among Christians On the positive side though this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church's life The exponential growth of the Charismatic Pentecostal Movement throughout the world and especially in Africa urged led to choice of this topic on charisms In the Charismatic Pentecostal Movements the issue of charisms is very vital and extremely important It is at the centre of its spirituality and practice This Movement has spread to almost all major Christian confessions denominations and continues to attract many followers This work is unique among the many studies written on the charisms Even though the subject of charisms has received some scholarly attention most have not delved into the role of the charisms in the Church from Pauline perspective as this study does The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters

The Problem with Evangelical Theology Ben Witherington (III), 2005 There is no doubting the legacy of the Protestant Reformers and their successors Luther Calvin and Wesley not only spawned specific denominational traditions but their writings have been instrumental in forging a broadly embraced evangelical theology as well In this volume Ben Witherington wrestles with some of the big ideas of these major traditional theological systems sin God's sovereignty prophecy grace and the Holy Spirit asking tough questions about their biblical foundations Witherington argues that evangelicalism sometimes wrongly assumes a biblical warrant for some of its more popular beliefs and further he pushes the reader to engage the larger story and plot of the Bible to understand these central elements of belief

**A Distinct Twenty-First Century Pentecostal Hermeneutic** Harlyn Graydon Purdy, 2015-06-22 Why another book about biblical interpretation hermeneutics First this is not just another book about hermeneutics It deals specifically with hermeneutics as practiced by Pentecostals rather more accurately as hermeneutics should be practiced by Pentecostals The book presents a distinct Pentecostal hermeneutic that moves away from exclusive use of historical grammatical methodology The hermeneutic presented here employs an eclectic methodology and a quadratic strategy Scripture Spirit trained leader and community in the proposed hermeneutic are shown to work together to produce an interpretation that engages both creative imagination and authorial intent The text offers pastors professors and laity alike a method and approach that will

allow them to interpret Scripture from a clearly Pentecostal perspective An important addition to the book is an outline for an undergraduate course instructing students in this distinct Pentecostal hermeneutic
