Administrative Reform in Developing Nations Ali Farazmand, 2001-11-30 Under pressure from the World Bank the International Monetary Funds and the World Trade Organization governments of both industrialized and less developed

nations have undertaken extensive reforms and reorganization to streamline their public sectors This volume with chapters written by authorities from around the world provides information on administrative reform in varied nations Following an introduction which sets a theoretical framework the book contains sections devoted to Asia the Near Middle East Africa and a comparison of East South Europe and Asia Administrative reform has become a widespread challenge to national and sub national governments around the globe Under pressure from the World Bank the International Monetary Funds and the World Trade Organization governments of both industrialized and less developed nations have undertaken extensive reforms and reorganization to streamline their public sectors This volume with chapters written by authorities from around the world provides information on administrative reform in varied nations Developing nations face acute problems on a daily basis making administrative reform an essential function of public administration With chapters devoted to experiences in such nations as Korea India Iran Turkey the Arab States Nigeria and South Africa this volume sheds valuable light on administrative reform in developing countries and provides lessons for future policy actions

Public Sector Reforms in Developing Countries Charles Conteh,Ahmed Shafiqul Huque,2014-04-03 The underpinning assumption of public management in the developing world as a process of planned change is increasingly being recognized as unrealistic In reality the practice of development management is characterized by processes of mutual adjustment among individuals agencies and interest groups that can constrain behaviour as well as provide incentives for collaborative action Paradoxes inevitably emerge in policy network practice and design The ability to manage government departments and operations has become less important than the ability to navigate the complex world of interconnected policy implementation processes Public sector reform policies and programmes as a consequence are a study in the complexities of the institutional and environmental context in which these reforms are pursued Building on theory and practice this book argues that advancing the theoretical frontlines of development management research and practice can benefit from developing models based on innovation collaboration and governance The themes addressed in Public Sector Reforms in Developing Countries will enable public managers in developing countries cope in uncertain and turbulent environments as they seek optimal fits between their institutional goals and environmental contingencies

Civil Society in Bangladesh Farhat Tasnim,2021-02-13 This book is the first of its kind to offer an understanding analysis and prediction of the state of civil society in Bangladesh in relation to development and democracy It is a research attempt to reveal the paradox found in developing countries like Bangladesh where there are numerous and active civil society organizations CSOs that have had almost no influence in consolidating democracy This book however also qualifies the normative assumption on the positive relationship between civil society and democracy asserted by the mainstream neo Tocquevillean School that has a profound influence on donor policies Readers are introduced to civil society in Bangladesh from a broad perspective Rather than confining the analysis to NGOs chapters explore the origin nature and function of both modern and conventional CSOs which helps to provide a more

authentic understanding of the genuine state of civil society in relation to other actors in the political system Combining survey data analyses and empirical observations with carefully chosen case studies the book reveals that CSOs participate very actively in social services This research also reveals that these highly active CSOs in the field of social development lack the necessary attributes for ensuring participation proper interest articulation and monitoring of the state Through systematic analysis the book shows that political structures and for Bangladesh particularly political parties along with vertical social relationships such as clientelism patronage nepotism and corruption have contributed to a non vigilant civil society in Bangladesh although it often is spoken of in different terms This book is highly recommended for researchers students and development practitioners interested in South Asia as well as in understanding the potentials and limitations of civil society in relation to development and democracy Farhat Tasnim s book is a comprehensive treatment of civil society in Bangladesh It will serve as a useful resource for future researchers in this field for a long time to come Harry Blair Yale University USA Farhat Tasnim provides in this book a new perspective on one of the essential cases of civil society study Bangladesh Her penetrating analysis of the relationship of civil society organizations and democracy in Bangladesh should attract a wide readership This is an important book not only for students of Bangladesh but for scholars and practitioners interested in the relationship of civil society organizations and democracy Robert J Pekkanen University of Washington USA

Administrative Culture in Developing and Transitional Countries Ishtiaq Jamil,Steinar Askvik,Farhad Hossain,2016-03-17 The book explores theoretical methodological and empirical underpinnings of administrative culture as well as prospects and challenges associated with it in the context of and across developing and transitional countries Referring to dominant norms and values in public organizations administrative culture is about the attitudes and perceptions of public officials In many countries civil servants are criticised for being corrupt incompetent unreliable and self centred Their attitudes norms and values and the way they act are in constant conflict with rule of law Recently the virtues of the Weberian model of bureaucracy have been reclaimed as an alternative to New Public Management NPM i e as a model which emphasizes impartiality rule following expertise and hierarchy rather than manipulation of incentive structures and market competition In particular it has been argued that a system of meritocratic recruitment and predictable long term careers increases the professional competence of the bureaucrats and fosters a culture of professionalism among them Still it is unclear how and under what conditions such a model can be adopted Among main hindrances seems to be established power structures and the existing political and societal culture which undermine the effective implementation of the Weberian model This book was published as a special issue of the International Journal of Public Administration Public Policy and Governance in Bangladesh Nizam Ahmed,2016-07-01 Good policies are an important prerequisite of good governance and any effort to change one is likely to affect the other In emerging democracies such as Bangladesh a redefinition of roles and responsibilities of different actors in the policy and governing process can be noticed This book identifies and analyses issues

related to the making and implementation of public policies in Bangladesh over the last four decades 1972-2012. It explores the implications of the change that has taken place in policy and governance environment in Bangladesh. Focusing on several important sectoral and sub sectoral policies, it examines the impact and limitations of the change. Chapters are structured into four parts: Public Policy, Bureaucracy and Parliament, Cases of Public Policy, Women in Governance and Public Administration, Ethics, Innovations and Public Service Delivery, and the book is a valuable resource for researchers in the field of development studies, public policy and South Asian politics. *Governance in South Asia* Rumki Basu, M. Shamsur Rahman, 2016-11-03. This book presents a nuanced analysis of governance in South Asia. It examines a range of themes including civil service reforms, women and development, environmental governance and public sector programmes together with the impact of globalization on local issues and its influence on governance in the region. Through grass roots studies, the volume also traces how the last 20 years have seen a social and economic resurgence in South Asia, transiting from stages of poverty, low growth rates, illiteracy and poor health to flourishing economies, improved savings, greater investments and stronger human development indicators. Drawing on extensive fieldwork, this book will be of great interest to scholars of politics and public administration, development studies, labour studies and sociology and social anthropology. It will also be useful to practitioners in the field, NGOs and civil servants.
