Usher's Manual Alfred DeWayne Hill, Sr.,2011-01-31 This is an usher s manual to be used in the Negro churches of the United States Dr Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest Thus the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God

A Practical Guide for Church Ushers & Greeters Joseph Brewer,2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He s the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It

can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV Guide for Ushers and Greeters Karie Ferrell,2008 The Church Usher Robert Degraw,2010-03 In my youth I would watch the ushers at church and thought it would be neat to usher It didn t look hard and I d get to greet everyone When I got old enough I volunteered and was hooked After I was married and moved to the big city the church I attend was very large and like most churches they needed ushers I was promoted very quickly and the responsibility didn t bother me Then I was drawn to a new daughter church This was a challenge a brand new church I offered what I could When things got settled I was running one of the services When the Head ushers spot came open I didn t think I was ready so I prayed about it A calmness came over me and I knew then it was what God wanted me to do David Foos Head Usher Canyon Hills Community Church Bothell Washington *Guidebook for Church Leaders and Officers* Marjorie Mercer,2012-10 Guidebook for Church Leaders and Officers was published to assist leaders in the ministry who need assistance in the daily operations of church administration Dr Mercer believes that leaders male or female who enter the ministry should be fully equipped in the unity of faith with knowledge of kingdom principles to fully operate in the body of Christ She believes that a church working together is successful when members understand their roles and responsibilities Finally Dr Mercer believes that communication between church leaders and officers is the key component in doing a job well for the Lord **The Hiscox Guide for Baptist Churches** Edward Thurston Hiscox,1964 **Usher's Manual** Alfred Dewayne Hill,1998-12 Church Usher's Manual Clyde Jackson,2024-07-24 Church Usher s Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church As you study this book you will learn that at no time should a parishioner walk the aisle looking for seats Assign them immediately Ushers should be alert at all times This book if necessary can be used in conjunction with any other church ushering materials *Annual Report of the Boy Scouts of America* Boy Scouts of America,1926 **Guide for Ushers, Greeters, and Ministers of Hospitality, Second Edition** Katie Ferrell,Corinna Laughlin,Paul Turner,Thomas P. Ushering with a Mission VICTOR L. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life Ushering with a Mission stresses the

importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ *Contemporary Christian Education* Micheal J. Darby, 2018-04-18 The Contemporary Christian Education Handbook is written in a simplistic easy to read style It has numerous illustrations and is filled with a multitude of Scripture passages There are sections on Growing Sunday Schools Effective Teaching Methods Job Descriptions Youth and Christian Education Ministry ideas and much more It is one of the few books that gives a comprehensive overview of how to build an effective Christian education program in a fast pace world Innovative ideas are needed in todays Church to enhance Church growth and to develop Christian character The resources and the ideas shared in Contemporary Christian Education are much needed in a world that has been conditioned to expect innovative ways of achieving the goals and the objectives of the Church The simple reading style and the wide ranging of information listed in the book is a product of over thirty years of Christian education ministry serving as a pastor Christian education director and part time Seminary instructor Contemporary Christian Education is truly a labor of love for the Church and our Lord and Savior Jesus Christ It is hoped that those who read this book will be inspired to seek additional spiritual resources to increase their knowledge of Christian education **From the Usher's Desk to the Tabernacle Pulpit** Robert Shindler, 1892
