and all the outdoor activities to which it lends itself that was probably what attracted the beautiful people in the first place And that is within reach of everyone Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages Antibes Nice Menton Beaulieu sur Mer Villefranche scattered almost artfully along the coast In the skies paragliders float down like flower petals from a handful of exceptional launch sites Starting around Antibes and heading east the back country rises and the Alps crowd down to the water Along the way the villages perched become ever more dramatic Eze at 427 m 1 400 feet tops a narrow dome of rock La Turbie at 500 m 1 640 feet is where the Emperor Augustus planted the Trophée des Alpes a 165 foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo the medieval village of Sainte Agnes just inland of Menton at 800 m 2 600 feet claiming to be the highest coastal village in Europe This is an excerpt equivalent to about 200 print pages from the 420 page Adventure Guide to Provence the Côte d'Azur Both books are highly detailed exploring the culture the sights and activities the places to stay and the best restaurants Dozens of photographs are included plus 15 detailed maps *Le Figaro Magazine* ,1990-12 *The Rough Guide to Paris* Rough Guides,2018-01-04 Discover Paris with the most incisive and in the know guidebook on the market Whether you plan to stroll along the Seine sip apéritifs at classy left bank cafés or browse modern art at the Palais de Tokyo The Rough Guide to Paris will show you ideal places to sleep eat drink and shop along the way Inside The Rough Guide to Paris Independent trusted reviews written in Rough Guides trademark blend of humour honesty and insight to help you get the most out of your visit with options to suit every budget Full colour maps throughout navigate the medieval lanes of the Quartier Latin or the Marais's swanky shopping streets without needing to get online Stunning inspirational images Itineraries carefully planned routes to help you organize your trip Detailed city coverage whether in the city centre or out in the suburbs this travel guide has in depth practical advice for every step of the way Areas covered the islands the Marais the Quartier Latin St Germain Montparnasse Montmartre Disneyland Paris Attractions include Eiffel Tower Musée Rodin Puces de St Ouen Pompidou Centre Notre Dame Pré-Lachaise Musée Picasso Musée d'Orsay Fondation Louis Vuitton Sainte Chapelle Berges de Seine Place des Vosges Listings chapters from accommodation to clubs and live music plus festivals events and Paris for children Basics essential pre-departure practical information including getting there local transport the media living in Paris health bike tours boat trips public holidays and more Background information a Contexts chapter devoted to history and books plus a handy language section and glossary Make the Most of Your Time on Earth with the Rough Guide to Paris About Rough Guides Escape the everyday with Rough Guides We are a leading travel publisher known for our tell it like it is attitude up to date content and great writing Since 1982 we've published books covering more than 120 destinations around the globe with an ever growing series of ebooks a range of beautiful inspirational reference titles and an award winning website We pride ourselves on our accurate honest and informed travel guides [Guide du Routard Thaïlande 2025/26](#) Collectif,2024-10-02 Cet ebook est la
