Eggleston,2013-03-25 Historians have often marginalized the effect of African American troops on the outcome of the Civil War While many histories briefly mention the service of the blacks few reveal their impact Lorenzo Thomas was one of the most exceptional people to serve in that war but no biography of his life has been written

Most of his career was spent as an administrator in the U S Army from his graduation from West Point in 1823 until the start of the war when he was the army s Adjutant General His life changed when he was charged by Secretary of War Stanton to go West and recruit troops for the Union that were desperately needed Stanton and Thomas did not get along and with pressure mounting to get more troops Stanton saw this as an opportunity to get Thomas out of Washington Thomas did exceptionally well in recruiting tens of thousands of troops for the Union After the war ended President Andrew Johnson replaced Stanton with Thomas as temporary Secretary of War This precipitated the impeachment hearings against Johnson and some say that the testimony of Thomas caused the impeachment of Johnson to be dismissed

Livingstone this is the must have guidebook to travel planning and exploring the country's wildlife rich safari regions. Lying in the heart of the continent, Zambia is the deepest, darkest Africa at its most appealing. Many visitors are drawn initially to the majestic Victoria Falls. Others come for the glory of Zambia's stellar national parks: the South Luangwa, the Lower Zambezi and Kafue. For seasoned safari goers, Zambia is the home of the walking safari. For adventurous travellers, it is about canoeing past hippos on the Lower Zambezi or diving into a whole new world of freshwater fish in Lake Tanganyika. Experienced travel writers Chris and Susie McIntyre, both Africa experts, with Susie having grown up in Zambia, use their decades of safari experience and in-depth knowledge of the Zambian safari scene to provide accurate, honest and upbeat descriptions, anecdotes and advice. To help readers make informed choices, the authors explain where to find top quality guiding and detail Zambia's top spots for wildlife and wilderness, including GPS coordinates for those who prefer self-drive holidays. They advise on the best walking safaris, plus the silent safaris available in electric vehicles and boats, and suggest how best to combine different safari experiences into a fulfilling itinerary in a country where nearly one-third of the land area is reserved for wildlife. Whether you are a wildlife enthusiast or Africa addict, an escapist seeking wilderness or a family craving adventure, and whether you prefer a local operator to make your arrangements or independent travel, Bradt's Zambia Safari Guide is the perfect travel companion.
