Nikki Crescent, Plumbers Jared and Ben think they're in for another usual day of work with a few jobs scattered across the city. But they're ahead of schedule with no traffic to slow them down between sites. It seems as though everyone is staying home self-quarantining as cases of the new mirandavirus begin to rise across the country. Their last job of the day is at an adult shop swapping out the broken staff toilet with a new one. It's all going smoothly and then the shop girl coughs and the lone browsing customer flees in a panic. Not even fifteen minutes later a group of scared citizens is boarding up the shop's doors and windows not willing to let the new sickness spread to the rest of the town. Now Jared and Ben are trapped and nobody is coming to their rescue. All they have to kill the time and to distract themselves from the possibility that they might be infected are the movies, games, and clothes in that little store.

A Guide for Using From the Mixed-up Files of Mrs. Basil E. Frankweiler in the Classroom Mari Lu Robbins, Mari Lu

ROBBINS, 1994-08 Teaching literature unit based on the popular children's story *From the mixed up files of Mrs. Basil E. Frankweiler*.

Boyhoods Ken Corbett, 2009-09-22 Familiar and expected gender patterns help us to understand boys, but often constrict our understanding of any given boy. Writing in a wonderfully robust and engaging voice, Ken Corbett argues for a new psychology of masculinity, one that is not strictly dependent on normative expectation. As he writes in his

introduction no two boys no two boyhoods are the same In *Boy Hoods* Corbett seeks to release boys from the grip of expectation as Mary Pipher did for girls in *Reviving Ophelia* Corbett grounds his understanding of masculinity in his clinical practice and in a dynamic reading of feminist and queer theories New social ideals are being articulated New possibilities for recognition are in play How is a boy made between the body the family and the culture Does a boy grow by identifying with his father or by separating from his mother Can we continue to presume that masculinity is made at home Corbett uses case studies to defy stereotypes depicting masculinity as various and complex He examines the roles that parental and cultural anxiety play in development and he argues for a more nuanced approach to cross gendered fantasy and experience one that does not mistake social consensus for well being Corbett challenges us at last to a fresh consideration of gender with profound implications for understanding all boys
