Teachers,

Here's what I use to introduce the DBQ to my students. Since the 2004 DBQ (Buddhism in China) is during the Foundations Unit, I use it early in the 1st semester to teach good document analysis skills. This lesson is divided into several sections:

- I. The Question, p. 1
What is the question asking? Getting students to actually read and understand the question is the first hurdle.
- II. The Evidence, p. 2-14
What do I do with the documents? You don't necessarily have to do this with all your students with every document. I put it here just in the interest of being complete. Use your judgement to determine what is appropriate for your students' abilities. I structured most of these questions on Ann Livstedt's advice from her APWH listserve message on 4/28/04.
- III. Pulling It All Together, p. 15-17
How do I organize and analyze the documents, and how do I structure my essay? This is really the key of this lesson. Students who can sort, categorize, and analyze the documents well will write superb essays.
- IV. The Thesis, p. 18-19
My view/philosophy on "How to write a good thesis," with help from Bard Koolen.
- V. The "Missing Voice", p. 20
Thanks to Harth Derryberry for the "Missing Voice" title.
- VI. Suggested Generic DBQ Structure
I don't really think there is one particular "best" way to structure a DBQ. I include this just because many of my students say it helps them focus while they're writing.
- VII. Document Analysis Organization Techniques
This is a method for document note taking that I borrowed from Bill Zeigler.

When I use this lesson in class, I spend a full-class day (58 min/class) on the document analysis (Sect I-IV) and a second day for the rest of this handout. Then on the third day, I give them the whole hour to write an actual DBQ on (you guessed it) this same exact question. They should be thoroughly familiar with the documents that they then have little to no excuse for not writing a great essay. Obviously that doesn't always happen, but it encourages good writing habits from the very beginning of the year, rather than spending months breaking them of bad habits.

Hope this helps,

Bill
