Guide to Cataloging DVD and Blu-ray Discs Using AACR2r and MARC 21 Marcia Barrett, Julie Renee Moore, On-Line Audiovisual Catalogers, Inc. DVD Cataloging Guide Update Task Force, 2008 Guide to Cataloging DVDs Using AACR2r Chapters 7 and 9, 2002 Moving Image Cataloging Martha M. Yee, 2007-10-30 Libraries archives and museums hold a wide variety of moving images all of which require the same level of attention to issues of organization and access as their print counterparts Consequently the people who create collection level records and metadata for these resources need to be equally conversant in the principles of cataloging Martha Yee covers both descriptive AACR2R AMIM and FIAF rules and subject cataloging with a focus on LCSH In the process the reader is encouraged to think critically and to be prepared to make decisions in ambiguous situations where solutions to problems are not always obvious or clearly dictated by specific rules *Introduction to Cataloging and Classification* Daniel N. Joudrey, Arlene G. Taylor, David P. Miller, 2015-09-29 A new edition of this best selling textbook reintroduces the topic of library cataloging from a fresh modern perspective Not many books merit an eleventh edition but this popular text does Newly updated *Introduction to Cataloging and Classification* provides an introduction to descriptive cataloging based on contemporary standards explaining the basic tenets to readers without previous experience as well as to those who merely want a better understanding of the process as it exists today The text opens with the foundations of cataloging then moves to specific details and subject matter such as Functional Requirements for Bibliographic Records FRBR Functional Requirements for Authority Data FRAD the International Cataloging Principles ICP and RDA Unlike other texts the book doesn't presume a close familiarity with the MARC bibliographic or authorities formats ALA's Anglo American Cataloging Rules 2nd Edition revised AACR2R or the International Standard Bibliographic Description ISBD Subject access to library materials is covered in sufficient depth to make the reader comfortable with the principles and practices of subject cataloging and classification In addition the book introduces MARC BIBFRAME and other approaches used to communicate and display bibliographic data Discussions of formatting presentation and administrative issues complete the book questions useful for review and study appear at the end of each chapter **Introduction to Cataloging and Classification** Arlene G. Taylor, David Peter Miller, 2006 Offers a practical guide to the world of cataloging and classification This work also addresses such issues as FRBR Functional Requirements for Bibliographic Records FAST Faceted Application of Subject Terminology and the Semantic Web *Cataloging for School Librarians* Marie Kelsey, Jen Spisak, 2023-07-18 This easy to use text teaches school librarians how to catalog materials using RDA By following the instructions in this book the new cataloger will become proficient at creating bibliographic records that meet current national standards and make library materials accessible to students and faculty *Cataloging for School Librarians* Third Edition presents the theory and practice of cataloging and classification to students and practitioners needing a clear sequential process to help them overcome cataloging anxiety By following the instructions

in this book the new cataloger will become proficient at creating bibliographic records that meet current national standards and make library materials accessible to students and faculty This new edition fully integrates RDA FRBR Sears and the Dewey Decimal Classification are covered It presents numerous examples of how to catalog books non print and electronic library materials and 3D objects using the MARC format Appendices include MARC Record examples across formats cheat sheets and a compilation of a one stop shop list of commonly used website resources mentioned throughout the book A glossary and an index are also included Crash Course in Basic Cataloging with RDA Heather Lea Moulaison, Raegan Wiechert Assistant Professor, 2015-10-01 Covering tools terminology and the FRBR based RDA approach to description this book explains the current principles of organization of information and basic cataloging practices for non catalogers enabling readers to understand elements of the cataloging process and interact with records in a basic manner Organization of information and cataloging is often the most daunting task for library technicians and non catalogers working in the library New RDA cataloging rules can be baffling for even the more seasoned catalogers Written by two authors with 20 years combined experience in cataloging instruction Crash Course in Basic Cataloging with RDA approaches current principles of organization of information and cataloging practices from a basic standpoint for non catalogers It makes a complex topic easy to understand and a complicated practice doable for those without the proper training and necessary experience The book gives readers a basic understanding of organization of information and cataloging practice explaining how records are created and the approaches to different formats of information in libraries including MARC records and encoding RDA cataloging records offering assistance in applying RDA identifying the cataloger's tools and providing non technical explanations for the tasks that today's catalogers do It contains an introduction a bibliography webliography and three appendices of additional resources Cataloging Tools Resources for Catalogers and Sample Catalog Records *The Buffyverse Catalog* Don Macnaughtan, 2015-08-21 This bibliographic guide covers the Buffyverse the fictional worlds of the acclaimed television series Buffy the Vampire Slayer 1997 2003 and its spinoff Angel 1999 2004 as well as the original Buffy feature film of 1992 It is the largest and most inclusive work of its kind The author organizes and describes both the original texts of the Buffyverse episodes DVDs novels comic books games and more and the secondary materials created about the shows including books essays articles documentaries dissertations fan production and websites This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible authoritative and comprehensive survey of the subject Art Libraries Journal, 2009 **How We Got the Bible Leader Guide** Rose Publishing, 2015-07-16 Have you ever wondered who wrote the books in your Bible and how they ended up together Has anyone ever told you that some books were cut out of the Bible or that the stories of Jesus in the Gospels can't be trusted Through these six sessions Dr Timothy Paul Jones will answer your questions about how we got the Bible Designed for use with the How We Got the Bible Made Easy DVD Bible Study the Leader Guide will assist group leaders in facilitating the
