Maximize Your Rotations: ASHP's Student Guide to IPPEs, APPEs, and Beyond Mate M. Soric, 2013-04-01

Successful pharmacy careers begin with successful rotations and successful rotations start with this guide. Although rotations are crucial to the development of skills needed to practice pharmacy, there has been little available to guide students in the best way to prepare and make the most of these experiences until now. *Maximize Your Rotations: ASHP's Student Guide to IPPEs, APPEs, and Beyond* breaks down everything you need to know into easy-to-navigate chapters. Inside, you will find the skills required to excel while on IPPE or APPE rotations along with competencies that may be unique to one type of rotation or another. Each chapter is written by an experienced preceptor, lending a valuable perspective. By using this text, you will gain an appreciation of the general expectations and typical activities of each rotation experience before you begin. Better preparation means better performance. *Maximize Your Rotations* will also be a resource throughout the experiential year, offering everything from reminders of clinical issues and statistical reviews to advice on interviewing, CV writing, professional organizations, and more. *Maximize Your Rotations* means less time getting up to speed and more time getting ahead in your career.
