current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Peg and Rose Solve a Murder** Laurien Berenson, 2023-06-27 Murder She Wrote meets The Golden Girls in the award winning author's brand new series Feisty Peg Turnbull and sweet natured Rose Donovan beloved aunts from Laurien Berenson's bestselling Melanie Travis Canine Mysteries are putting their distinct differences to good use and joining forces as senior sleuths in a witty warmhearted new mystery series Rose Donovan looks for the good in everyone With her sister in law Peg that sometimes requires a lot of searching Even a sixty something former nun like Rose has her limits and gruff Peg Turnbull sure knows how to push them But after forty years of bickering they're attempting to start over partnering up to join the local bridge club Peg and Rose barely have a chance to celebrate their first win before one of the club's most accomplished players is killed in his home As the newest members the sisters in law come under scrutiny and decide to start some digging of their own But as their suspect list narrows they're unaware that their logic has a dangerous flaw And they'll have to hope that their teamwork holds steady when they're confronted by a killer who's through with playing games
