what to do with the biblical text in the sermon is perennial Biblical scholarship constantly evolves and grows making it hard even for biblical scholars themselves to apply the latest insights in their preaching The average pastor doesn't have time to keep up with the changes in biblical studies and as a result often defaults to interpretive methods learned in increasingly distant seminary years *Preaching the Word* addresses those needs by surveying recent developments in biblical studies with an eye to applying them in preaching the Gospel of John Noted New Testament Scholar and homiletician Karoline Lewis lays out these recent interpretive tools and methods demonstrating their application to preaching using specific passages in the Fourth Gospel *Essential Bible Study Tools for Ministry* Professor David R. Virtue Hermeneutics Robert M. Eby, 2022-03-08 Contemporary hermeneutics is an unavoidable but deeply troubled discipline At the root of the problem is the classic epistemological question What makes an interpretation justifiable Since the beginning of Modernity interpreters have offered multiplied answers to this question Historicity linguistics social constructs and contemporary flashes of revelation are but a few of the proposed solutions but if the question is ultimately epistemological it follows that the answer may emerge from this same place Current research in the field of virtue epistemology has awakened interest in a new path forward for hermeneutics by looking to a time before the emergence of unstable modern frameworks In Virtue Hermeneutics a justified understanding of Scripture that engages all of the participants in the interpretive dialogue author text reader and reading community is discovered in the interpretive character of the wise reader From this starting point hermeneutics is able to move forward in a way that is responsive to contemporary challenges to discerning literary meaning Ultimately a justified understanding is one that virtuously engages the author the text and all reading communities The illuminating work of the Holy Spirit in hermeneutics takes on a refreshing and meaning filled place when readers readmit intellectual virtues into the discussion

Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye

Aryeh,2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church **Biblical Exegesis in African Context** Frederick Mawusi Amevenku,Isaac Boaheng,2021-09-07 Biblical Exegesis in African Context explores how the Church in Africa can affirm its uniqueness in terms of the African identity and experiences and at the same time remain faithful to the gospel message The volume begins with an explanation of exegesis and hermeneutics and the agenda for the rest of the book is set The second chapter deals with textual criticism which is the task of determining the originality of a biblical text In chapter three issues related to the context of the text are considered after which the volume proceeds to examine the various literary forms present in the Bible prominent among them being Narrative Law Poetry Prophecy Wisdom Literature Gospels Acts of the Apostles Epistles and Revelation The authors then dedicate the next chapter to discussions on socio rhetorical interpretation The final chapters of the book deal with matters solely related to the context of Africa this part intends to equip readers to be able to interpret the Bible from African cultural perspectives and then apply the gospel message meaningfully to the life of African Christians Chapter seven deals with the emergence and historical development of African Biblical Studies ABS noting its relevance and how Africans can benefit from it The main contention of the chapter is that Africans will better understand and apply God s word to their lives if they read the Scriptures in an African way The volume then explores how African languages can be used to derive the meaning of scripture and apply it to real life situations Here the authors contribute to the development of MTBH by developing a methodological framework for this interpretative tool The next chapter of the volume deals with mother tongue theologizing in Ghana The final chapter considers the legitimacy of female leadership in the Church within the African context through the examination of two Pauline texts This volume will be of interest to undergraduate and graduate seminary students students of Biblical Interpretation in religions departments as well as practicing pastors **The Function of Exorcism Stories in Mark's Gospel** Andreas Hauw,2019-05-29 This book

investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3 20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark s Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark s Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul

The Fruits of Madness John Tracy Greene, 2016-05-11 The Fruits of Madness Perspectives on the Prophetic Movements in Judaism Christianity Islam and in Literature brings together selected oral presentations given at the Seminar in Biblical Characters in Three Traditions Judaism Christianity and Islam and in Literature held at the University of Vienna Austria in July 2014 as part of the Annual International Meeting of the Society of Biblical Literature The contributions include work on life on the fringes between two types of lifestyles the Hebrew Bible Old Testament prophetic movement phenomenon from the point of view of ancient concerns about the effectiveness of communication between the human and godly realms resistance led by prophets in ancient Israelite society the distinction between priests and prophets in ancient Israelite and early Jewish societies the Prophet Hosea and his vicissitudes in the light of the lyrics of the famous Canadian poet and musician Leonard Cohen the apocalyptic movements of the exilic and post exilic eras within Judaism the biblical Daniel as located at the point of confluence and an agent of prophecy wisdom and apocalyptic and the reliability of God s YHWH s word as mediated to three persons reputed to have received that word The reader will intuit the theme of liminality in several of the contributors it dogs the study of prophecy like a great hound its prey With these writings the reader is challenged to view the ancient Israelite and early Jewish concern with prophet and prophecy in a fresh and enjoyable though thought provoking way making this volume a worthwhile read

Saint Thecla Rosie Andrious, 2020-09-17 This volume questions the prevailing female empowering interpretation of Thecla in the Acts of Paul and Thecla Rosie Andrious examines the way that Thecla is voyeuristically paraded and subjected to a kind of sado erotic torture and demonstrates how this perception clashes with any notion that she is presented as a positive role model for a woman Rather Andrious sets this discourse about female self control and chastity over against the wider narrative of Christian men struggling against the invasive violence of Rome and suggests that the victimized voyeuristic female representation of Thecla has very little to do with women and is rather a

complex literary text that represents a power struggle between men The ideological function of Thecla is therefore as a constructed body that transcends its natural feminine weakness Andrious thus provides an original interpretative framework for understanding Thecla's representation and suggests a completely new way of seeing the saint Doctrine of the Eons Paige-Patric J. D. Samuels,2019-06-13 The Doctrine of the Eons God's Immutable Plan is an account of how God will bring about the salvation and reconciliation of all mankind Each chapter provides a theological account of how this will be accomplished including dispelling common myths about God and focusing on the meaning of the word immutable This leads to a discussion of the Hebrew and Greek definitions of eon and eternal and we discover that neither the Old nor the New Testament uses the word eternal Eternal tends to refer to an indefinite amount of time whereas eon is more definite the latter term is primarily used when the Bible talks about the end times Finally the doctrine of universal salvation is presented arguing that God will have all men be saved and that he will eventually reconcile all creation **Reading the Bible as a Postexilic Biblical Author Read** T. N. Huu-Thien,2025-01-31 Millions of Christians read the Bible not only to know what happened in ancient biblical times but also to find God's message to them Consequently the Bible is the best selling book of all time However scholars have observed that over the past two hundred years biblical interpretation in the West has traditionally focused mainly on studying what the text meant For Western biblical scholars the study of what the Bible means to readers today falls within the realm of theological studies rather than biblical studies In contrast Asian biblical interpretation is holistic studying both what the text meant and what it means Interestingly this book demonstrates that long before any modern biblical reading approaches emerged the Chronicler as demonstrated in the book of Chronicles read his biblical sources to actualize the messages of those biblical materials in ways relevant to his postexilic audience The Chronicler's reading is similar to Asian biblical readings This book proposes a reading approach that synthesizes the strengths of the Chronicler's reading and two modern biblical reading approaches employed by Asians to achieve the dual aim of biblical interpretation and make biblical reading meaningful and applicable to modern readers **Constructive Pneumatological Hermeneutics in Pentecostal Christianity** Kenneth J. Archer,L. William Oliverio, Jr.,2016-12-21 This book presents the work of leading hermeneutical theorists alongside emerging thinkers examining the current state of hermeneutics within the Pentecostal tradition The volume's contributors present constructive ideas about the future of hermeneutics at the intersection of theology of the Spirit Pentecostal Christianity and other disciplines This collection offers cutting edge scholarship that engages with and pulls from a broad range of fields and points toward the future of Pneumatological hermeneutics The volume's interdisciplinary essays are broken up into four sections philosophical hermeneutics biblical theological hermeneutics social and cultural hermeneutics and hermeneutics in the social and physical sciences The Fall Reconsidered Igal German,2016-05-27 The sin narratives of Genesis 3 and 4 have been scrutinized by biblical interpreters throughout the centuries Some exegetical traditions have separated the story of Cain Abel from the

preceding Edenic narrative thus undermining the unity of the Primeval History The book synthesizes the sin narratives of Adam Eve and Cain Abel and examines a wide range of premodern biblical interpretations attesting to their literary and theological unity This study makes a case for reading these primordial narratives as one familial saga that conveys to the reader the origins of human defiance against God *Finding Jesus in the Old Testament* David Limbaugh,2015-11-09 A New York Times Bestseller In *Finding Jesus in the Old Testament* David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ s arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of *Finding Jesus in the Old Testament* will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ s arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament s thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title *The Emmaus Code John 4:1-42 among the Biblical Well Encounters* Eric John Wyckoff,2020-11-24 In this volume Eric John Wyckoff examines four biblical texts which narrate encounters between a woman and a man at a well The episodes in Genesis 24 and 29 Exodus 2 and John 4 share similar literary features but the contrasts are revealing Their complex interrelation represents an interpretive key **A Targumist Interprets the Torah: Contradictions and Coherence in Targum Pseudo-Jonathan** Iosif J Zhakevich,2022-01-17 This book conducts a focused study of contradictions and coherence in Targum Pseudo Jonathan The first section of this study examines the apparent disruption of congruity with regard to the vertical dimension of the Targum that is between the Torah the Hebrew Vorlage and the Targum the Aramaic translation The second section addresses the apparent disruption of congruity with regard to the horizontal dimension of the Targum that is within the boundaries of the TgPsJ corpus Ultimately this work suggests that the contradictions are given to resolution once the greater context of biblical and Jewish tradition is taken into consideration
