Booyesen,Regine Bendl,Judith K. Pringle,2018-08-31 Equality diversity and inclusion EDI have become features of organizations as a result of both legal and societal advances as well as neoliberal economic reasoning and considerations Current research approaches frequently fall short of addressing the challenges faced in EDI research and this benchmark Handbook brings up to date coverage of research methods in EDI and advances the development of research in the field

**Qualitative Inquiry and Human Rights** Norman K Denzin,Michael D Giardina,2016-06-16 Qualitative researchers are increasingly being called upon to become human rights advocates to help individuals and communities honor the sanctity of life and to promote the core values of privacy justice freedom peace and human dignity In this volume of plenary papers from the Fifth International of Qualitative Inquiry in 2009 leading qualitative researchers show the various dimensions of the human rights work being done by scholar activists in the social sciences education health care social services cultural studies and other fields Foundations of Inquiry Guoping Zhao,Lucy E. Bailey,2025-09-30 In Foundations of Inquiry Guoping Zhao

and Lucy E Bailey consider paradigms and how they connect to methodologies The authors explore a rich body of paradigms historical and contemporary and how they form support and justify different methodologies and connect to designing and carrying out research Critical Qualitative Inquiry Gaile S Cannella,Michelle Salazar Pérez,Penny A Pasque,2016-07-01

Critical approaches to qualitative research have made a significant impact on research practice over the past decade This

comprehensive volume of contemporary original articles places this trend in its historical context describes the current landscape of critical work and considers the future of this turn The book includes contributions from some of the leading qualitative researchers on three continents consists of big picture articles that describe the dimensions of this research tradition situates critical qualitative inquiry in the overall development and landscape of qualitative research *Critical Reflections on Research Methods* Doris S. Warriner, Martha Bigelow, 2019-02-06 This book explores the challenges and opportunities involved in conducting research with members of immigrant refugee and other minoritized communities Through first hand reflective accounts contributors explore community based collaborative work and suggest important implications for applied linguistics educational research and anthropological investigations of language literacy and culture By critically reflecting on the power and limits of university based research conducted on behalf of or in collaboration with members of local communities and by exploring the complicated relationships dynamics and understandings that emerge the chapters collectively demonstrate the value of reflecting on the possibilities and challenges of the research process including the ethical and emotional dimensions of participating in collaborative research Practical Theology Beyond the Empirical Turn Heather Walton, 2025-07-31 Practical Theology Beyond the Empirical Turn offers a sustained critical interrogation of the turn towards social research and methodologies in Practical Theology which has transformed the discipline over the past forty years It places the discipline's current research practices within the context of wider theoretical and methodological developments and the climate disaster The work maintains that current circumstances require a radical reassessment of the goals and processes of practical theological research and that artistic and creative methods must be part of this transformation Heather Walton embodies her understanding of the vocation of the discipline in reflective and creative modes of expression This work is essential reading for all those researching writing or teaching Practical Theology today Today We're Alive Linden Wilkinson, 2016-04-26 By 1888 after 100 years of colonisation it is estimated that 95% of the Australian Aboriginal and Torres Strait islander population had disappeared Along with starvation disease dispossession and grief a further contributing factor to this decline was murder Massacres occurred sequentially as the line of first contact forged its way across a country that had been occupied cared for and loved for over 50 000 years by about 250 separate Aboriginal nations The concomitant brutality subsumed in the colonial narrative of zeal purpose and prosperity meant that massacres were shrouded in silence for generations denied ignored and under reported However one particular massacre remains an anomaly The massacre at Myall Creek occurred on June 10th 1838 in the fading light of a wintry Sunday afternoon It was perpetrated by eleven convicts under the leadership of one free born squatter's son they had hunted blacks together before They tethered twenty eight old men women and children Weraera people of the Kamilaroi nation led them away from their camp and then systematically butchered them all These details are available because this particular massacre went to trial One hundred and sixty two years later a group of Aboriginal and non Aboriginal people formed a committee and built a

memorial to commemorate the only massacre in Australia's colonial history where some but not all of the perpetrators were punished Today We're Alive Generating Performance in a Cross Cultural Context an Australian Experience is a doctoral thesis which examines the multiple narratives embedded in colonial and recent history At the heart of this research is a verbatim play the interweaving of Aboriginal and non Aboriginal testimonies about Myall Creek and the memorial testimonies sourced from descendants of massacre survivors descendants of massacre perpetrators and involved others As a thesis it explores the possibilities offered by performance ethnography as a decolonizing methodology as a play the research seeks to find a reconciliation narrative a story that through performance addresses the past and recognises the possibilities of a shared future
