Canel, K. Voltmer, 2014-10-29 By using a wide diversity of theoretical and methodological approaches and by encompassing both cross national and longitudinal analyses this volume sheds new light on comparative political communication research such as personalization globalization democratization and the changing nature of journalism     *Communicating Politics in the Twenty-First Century* Karen Sanders, 2017-09-16 From propaganda to protests this book provides an in depth study of politics and the media today Using historical and contemporary examples Sanders covers the essential theory and key research in the field Topical and comprehensive this book covers everything students need to know about the global world of political communication     The Palgrave Handbook of Media and Communication Research in Africa Bruce Mutsaers, 2018-03-22 This handbook attempts to fill the gap in empirical scholarship of media and communication research in Africa from an Africanist perspective The collection draws on expert

knowledge of key media and communication scholars in Africa and the diaspora offering a counter narrative to existing Western and Eurocentric discourses of knowledge production As the decolonial turn takes centre stage across Africa this collection further rethinks media and communication research in a post colonial setting and provides empirical evidence as to why some of the methods conceptualised in Europe will not work in Africa The result is a thorough appraisal of the current threats challenges and opportunities facing the discipline on the continent

Global Media and National Policies Terry Flew, Petros Iosifidis, Jeanette Steemers, 2016-04-08 Conventional wisdom views globalization as a process that heralds the diminishing role or even death of the state and the rise of transnational media and transnational consumption Global Media and National Policies questions those assumptions and shows not only that the nation state never left but that it is still a force to be reckoned with With contributions that look at global developments and developments in specific parts of the world it demonstrates how nation states have adapted to globalization and how they still retain key policy instruments to achieve many of their policy objectives This book argues that the phenomenon of media globalization has been overstated and that national governments remain key players in shaping the media environment with media corporations responding to the legal and policy frameworks they deal with at a national level

Rhetorical Audience Studies and Reception of Rhetoric Jens E. Kjeldsen, 2017-11-10 This book examines the reception of rhetoric and the rhetoric of reception By considering salient rhetorical traits of rhetorical utterances and texts seen in context and relating this to different kinds of reception and or audience use and negotiation the authors explore the connections between rhetoric and reception In our time new media and new forms of communication make it harder to distinguish between speaker and audience The active involvement of users and audiences is more important than ever before This project is based on the premise that rhetorical research should reconsider the understanding conceptualization and examination of the rhetorical audience From mostly understanding audiences as theoretical constructions that are examined textually and speculatively the contributors give more attention to empirical explorations of actual audiences and users The book will provide readers with new knowledge on the workings of rhetoric as well as illustrative and guiding examples of new methods of rhetorical studies
