*Hudson Taylor's Spiritual Secret* Dr Howard Taylor, Geraldine Taylor, 2009-06-01 A spiritual biography of the father of modern missions Hudson Taylor's *Spiritual Secret* poses the question What empowered Hudson Taylor's ministry in China The answer a fierce faith that believed God truly would fulfill the promises in His Word Written by the missionary statesman's son and daughter in law this book is intended for Christians who need and long for just the inward joy and power that Hudson Taylor found Hudson Taylor's secret it turns out is available to any who call on Christ's name An easy non self denying life will never be one of power Taylor said Fruit bearing involves cross bearing There are not two Christs an easygoing one for easygoing Christians and a suffering toiling one for exceptional believers There is only one Christ Are you willing to abide in Him and thus to bear much fruit

**Ministry in the Image of God** Stephen Seamands, 2025-06-05 Christianity Today Book Awards Merit winner As the Father has sent me so I send you Those of us called to Christian ministry are commissioned and sent by Jesus just as he himself was called and sent by the Father Thus we naturally pattern our ministries after Christ's example But distinctively Christian service involves the Spirit as well just as Jesus himself accomplished his ministry in the power of the Spirit Thus the whole Trinity Father Son and Holy Spirit gives shape to truly authentic Christian ministry Though as Christians we all affirm the doctrine of the Trinity many of us might struggle to explain how understanding the Trinity could actually shape our ministry Stephen Seamands demonstrates how a fully orbed theology of the Trinity transforms our perception and practice of vocational ministry Theological concepts like relationality and perichoresis have direct relevance to pastoral life and work especially in unfolding a trinitarian approach to relationships service and mission A thoroughly trinitarian outlook provides the fuel for our ministry of Jesus Christ to the Father through the Holy Spirit on behalf of the church and the world Essential reading for pastors parachurch workers

Cho,2021-08-12 The Reformation put the grace of God in the right place in the salvation of man Luther s proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church To some people just the profession of faith without an accompanying godly life was not good enough for salvation It seemed that salvation by grace of God in the doctrine of justification made man s salvation too easy thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man However without the concept of definitive sanctification they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism     Stripped Lina AbuJamra,2013-09-17 Do you want to live a life that is greatly used by God Do you long to make a difference in the world In Stripped Lina explains the process that God uses to transform you into a person who is ready to receive all that God has planned You will learn 1 Pain is not the enemy it s the very road God uses to make you stronger 2 The Christian life isn t easy but God s presence is your guarantee for joy no matter what you re going through Lina helps you to think biblically about your calling and dreams and uncovers the truth about the transformational power of the gospel Stripped is a book for every person who longs for more but is often surprised that the road usually begins with pain the pain of being stripped Stripped is about the broken and surrendered life about
