Histoire Ve Rpublique 15e D:

The Republic of de Gaulle 1958-1969 Serge Bernstein,1993-04 The Republic of De Gaulle offers a comprehensive account the fullest yet available in English of the eleven years that followed the establishment of the Fifth Republic in 1958 Serge Bernstein analyses the new constitutional and political system that emerged under De Gaulle and shows how France was able to disengage from the ruinous Algerian War He then conducts a detailed analysis of the socio economic changes wrought during this period and discusses the aims of De Gaulle s highly individualistic foreign policy In the final section Professor Bernstein traces the decline of De Gaulle s ascendancy up to his eventual resignation in 1969 In conclusion the author assesses the contribution of a remarkable political leader to the not less remarkable changes that took place in France during his presidency This volume lucidly translated by Peter Morris features all those student aids now associated with the series

The Pompidou Years, 1969-1974 Serge Bernstein,Jean-Pierre Rioux,2000-03-13 This is the latest volume to appear in the successful Cambridge History of Modern France series and is the most authoritative account available of the presidency of Georges Pompidou Pompidou consolidated the constitutional changes made by de Gaulle to the extent that he is now regarded as the Fifth Republic s second founding father and continued his haughty attitudes to foreign policy He also launched a programme of modernisation and industrialisation under Pompidou France saw both the climax and the end of the post war boom Serge Bernstein and Jean Pierre Rioux analyse the politics of the period and also give an overview of France s economy culture and society Their comprehensive study contains all the standard features such as maps chronology and tables which have helped this series to establish itself as the premier multi volume account of modern France Students scholars and teachers in history and political studies will find this volume invaluable

Compiled and ed. by the Central Services of the ECPR, 2016-11-07 No detailed description available for *Directory of European political scientists* *Murder in the Métro* Gayle K. Brunelle, Annette Finley-Croswhite, 2010-05 On the evening of May 16 1937 the train doors opened at the Porte Dorée station in the Paris Métro to reveal a dying woman slumped by a window an eight inch stiletto buried to its hilt in her neck No one witnessed the crime and the killer left behind little forensic evidence This first ever murder in the Paris Métro dominated the headlines for weeks during the summer of 1937 as journalists and the police slowly uncovered the shocking truth about the victim a twenty nine year old Italian immigrant the beautiful and elusive Laetitia Toureaux Toureaux toiled each day in a factory but spent her nights working as a spy in the seamy Parisian underworld Just as the dangerous spy Mata Hari fascinated Parisians of an earlier generation the mystery of Toureaux's murder held the French public spellbound in pre war Paris as the police tried and failed to identify her assassin In *Murder in the Métro* Gayle K Brunelle and Annette Finley Croswhite unravel Toureaux's complicated and mysterious life assessing her complex identity within the larger political context of the time They follow the trail of Toureaux's murder investigation to the Comité Secret d'Action Révolutionnaire a secret right wing political organization popularly known as the Cagoule or hooded ones Obsessed with the Communist threat they perceived in the growing power of labor unions and the French left wing the Cagoule's leaders aimed to overthrow France's Third Republic and install an authoritarian regime allied with Italy With Mussolini as their ally and Italian fascism as their model they did not shrink from committing violent crimes and fomenting terror to accomplish their goal In 1936 Toureaux at the behest of the French police infiltrated this dangerous group of terrorists and seduced one of its leaders Gabriel Jeantet to gain more information This operation the authors show eventually cost Toureaux her life The tale of Laetitia Toureaux epitomizes the turbulence of 1930s France as the country prepared for a war most people dreaded but assumed would come This period therefore generated great anxiety but also offered new opportunities and risks to Toureaux as she embraced the identity of a modern woman The authors unravel her murder as they detail her story and that of the Cagoule within the popular culture and conflicted politics of 1930s France By examining documents related to Toureaux's murder documents the French government has sealed from public view until 2038 Brunelle and Finley Croswhite link Toureaux's death not only to the Cagoule but also to the Italian secret service for whom she acted as an informant Their research provides likely answers to the question of the identity of Toureaux's murderer and offers a fascinating look at the dark and dangerous streets of pre World War II Paris **The Senate of the Fifth French Republic** P. Smith, 2009-10-21 Paul Smith examines how the Senate has attempted since 1958 to locate itself within the French semi presidential system how it asserts its place in relation to the President Government and National Assembly and how it has sought in recent years to develop an autonomous and particular sense of identity **Evolutions of the Complex Relationship Between**

Education and Territories Angela Barthes, Pierre Champollion, Yves Alpe, 2018-03-15 The book weaves the story of the complex links between education and its territories The aim here is to examine the education couple understood in the broadest sense school college high school universities and territory according to three main axes the history and the characterization of the different ties maintained And which the school and its territory always maintain That of the categorization and characterization of the territories in which the school is situated of the educational policies both explicit and grassroots connected with it and their effects on the school That of recent pedagogical didactic and organizational innovations The book is based on French specialists in territorial education issues Algeria and France, 1800-2000 Patricia M. E. Lorcin, 2006-10-19 The relationship between Algeria and France that formed during the 132 years of colonial rule did not end in 1962 when Algeria gained its independence This long period of occupation left an indelible mark on the social fabric of both societies one that continues to influence their cultures identities and politics Wide ranging in scope yet complementary in focus the essays deftly convey the extent to which the French colonial experience in Algeria resonates on both sides of the Mediterranean Young and established scholars shed light on the linguistic cultural and social mechanisms of violence remembrance forgetting fantasy nostalgia prejudice mythmaking and fractured identity Addressing the nature of Franco Algerian relations through such topics as migration displacement settler colonialism racism and sexuality these essays provide an important contribution to postcolonial studies cultural studies and North African history With renewed public debate surrounding the two countries shared past and their interwoven communities today this volume will be indispensable for anyone with an interest in the relations between Algeria and France and the literature on memory and nostalgia **Journal officiel de la République française. Édition des lois et décrets** France, 1929 *Revue des deux mondes*, 1875 **Catalogue des livres français, italiens, espagnols, portugais &c. qui se trouvent chez Bossange, Barthès & Lowell. [With]** Barthès et Lowell, 1857 Annuaire diplomatique et consulaire de la République Française, 1908 *The Duty of Memory* Sébastien Ledoux, 2025-07-01 Within France the expression duty of memory le devoir de mémoire speaks to a complex and ever evolving relationship with the past Emerging in the 1970s this term raised questions about memorialization which dominated public debates in the 1990s highlighting France's entanglements with colonialism and the Holocaust Drawing on a variety of interviews archival sources and data surveys author Sébastien Ledoux spotlights how the trajectory of this term offers a lens for understanding contemporary societies relationship with the past on a global scale *Bourgeois Politics in France, 1945-1951* Richard Vinen, 2002-07-11 This 1995 book is a general study of politics and society in the Fourth Republic and is founded on extensive primary research It approaches the period in terms of successful conservatism rather than thwarted reform maintaining that conservatism in France was a more subtle dynamic force than has previously been appreciated Not the preserve of any one single party conservative ideas were often defended by institutions outside the realm of explicit politics altogether such as business associations civil service departments and the

law courts It is proposed that conservatives did not simply return to French politics in 1945 untouched by the events of the previous five years The experiences of Vichy the occupation and the purges produced new kinds of political synthesis making conservatives more dynamic and receptive to change than their progressive opponents *Oil, Power, and War* Matthieu Auzanneau, 2020-02-20 The story of oil is one of hubris fortune betrayal and destruction It is the story of a resource that has been undeniably central to the creation of our modern culture and ever present during the darkest exploits of empire the world over For the past 150 years oil has become the most essential ingredient for economic military and political power And it has brought us to our present moment in which political leaders and the fossil fuel industry consider extraordinary and extraordinarily dangerous policy on a world stage marked by shifting power bases Upending the conventional wisdom by crafting a people's history award winning journalist Matthieu Auzanneau deftly traces how oil became a national and then global addiction outlines the enormous consequences of that addiction sheds new light on major historical and contemporary figures and raises new questions about stories we thought we knew well What really sparked the oil crises in the 1970s the shift away from the gold standard at Bretton Woods or even the financial crash of 2008 How has oil shaped the events that have defined our times two world wars the Cold War the Great Depression ongoing wars in the Middle East the advent of neoliberalism and the Great Recession among them With brutal clarity *Oil Power and War* exposes the heavy hand oil has had in all of our lives and illustrates how much heavier that hand could get during the increasingly desperate race to control the last of the world's easily and cheaply extractable reserves **Journal officiel de la République Française**

Frankreich, 1878 **France's Long Reconstruction** Herrick Chapman, 2018-01-08 Postwar recovery required a transformation of France but what form it should take remained a question Herrick Chapman charts the course of France's reconstruction from 1944 to 1962 offering insights into the ways the expansion of state power produced fierce controversies at home and unintended consequences abroad in France's crumbling empire **Journal officiel de la République française** France, 1929 **Universal Singular** Sonia Curnier, 2022-11-21 A critical introduction to the design of public spaces The way public spaces are designed reflects the period in which they were created However in our globalized world of experience and images the desire for uniqueness tends to achieve the opposite increasingly designers of open spaces resort to the same devices and thereby distance themselves from the urban context The author analyzes ten outstanding contemporary designs of public spaces in Europe in terms of their function in the urban context and what materials are used for their implementation In interviews with the designers she retraces the changes of the concepts during the design stage of the projects underpinning her findings with numerous sketches In addition her research focuses on how the projects were received in the community Learning from designers of outstanding public spaces in Europe Numerous unpublished design sketches A clear guide to urban design Also available in a French edition
