Historical Dictionary of Modern Coups d'état John J. Chin, Joseph Wright, David B. Carter, 2022-12-13 For readers interested in international relations politics and global issues Library Journal Starred Review The Historical Dictionary of Modern Coups d'état surveys the history of coups d'état in the post World War II period The term modern in the title therefore demarcates the period since January 1946 This book documents over 582 coup attempts that have occurred in 108 different countries worldwide over a period of 75 years Historical Dictionary of Modern Coups d'état contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 400 cross referenced dictionary entries This book is an excellent resource for students and researchers

Historical Dictionary of Nepal Nanda R.

Shrestha, Keshav Bhattarai, 2017-02-08 Nepal is a living example of contrasts and contradictions It is a country that was born in medieval times grew up in the 16th century and now finds itself engulfed in the high tech gadgets and material marvels of the 21st century Nepal has its share of problem which include inadequate economic development and social infrastructure poverty and corruption plus worsening pollution but now it finally has relative peace and quiet after a hasty Maoist uprising Indeed it has passed through several democratic elections and finally seems to be getting on the right track This second edition of Historical Dictionary of Nepal contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nepal

Historical Dictionary of Lebanon Tom Najem, Roy C. Amore, 2021-06-15 Historical Dictionary of Lebanon Second Edition covers the long history of Lebanon from before the Ottoman era through the Ottoman Era the French Mandate Independence the long civil war and the recent protests for democratic reform and the aftermath of the explosion in the port area It features lengthy entries on major historical political events as well as the major people sectarian groups and political parties It contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lebanon

Historical Dictionary of Syria David Commins, David W. Lesch, 2013-12-05 In 2011 massive protest movements that appeared to come out of nowhere caught the Arab world's autocrats by surprise and brought down powerful leaders in Tunisia Egypt Libya and Yemen Thousands of Syrians took to the streets in March 2011 calling for the fall of the regime the popular slogan of Arab uprisings but found themselves confronting a determined foe willing to slaughter thousands of citizens and to destroy entire city neighborhoods in order to hold onto power By the middle of 2013 Syria was in the midst of a nightmarish civil war marked by more than 80 000 deaths sectarian massacres the flight of one fourth the

country's population from their homes the disintegration of government institutions in much of the country and a rising humanitarian crisis as food medicine and electricity grew short Nobody in Syria or the outside world appears to be in a position to stop what looked like a fight to the bitter end at whatever cost to the country This third edition of the Historical Dictionary of Syria covers the recent events in Syria as well as the history that led up to these events This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 500 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Syria *Historical Dictionary of Yemen*

Charles Schmitz, Robert D. Burrowes, 2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country's constitution The transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs Instead populist leaders exploited people's dissatisfactions and threw the country into civil war The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule Unfortunately those opposed to Saleh and the Houthi also seem unable to provide effective rule in spite of massive backing from the Gulf States The incompetence infighting and incoherence of the Hadi government bode equally ill for the future of the country The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one This third edition of Historical Dictionary of Yemen contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Yemen **Historical Dictionary of Syria**

Omar Imady, David Commins, David W. Lesch, 2021-01-21 Historical Dictionary of Syria Fourth Edition covers the recent events in Syria as well as the history that led up to these events The cross referenced dictionary section has over 500 entries on significant persons places and events political parties and institutions literature music and the arts Historical Dictionary of Burma (Myanmar) Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working

relationship with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture

Historical Dictionary of New Zealand Janine Hayward, Richard Shaw, Lara Greaves, Claire Timperley, 2024-11-19 The Historical Dictionary of New Zealand Fourth Edition provides a broad introduction to New Zealand as well as rich detail about the people events laws concepts and institutions that have shaped New Zealand history This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about New Zealand

Historical Dictionary of Saudi Arabia J.E. Peterson, 2020-03-06 The Kingdom of Saudi Arabia now has been under the spotlight of Western curiosity for more than 80 years More than 15% of the world's total oil reserves lie underneath Saudi Arabia and in the early 1990s the kingdom became the world's largest crude oil producer Not surprisingly a world highly dependent on oil regards the desert kingdom as an area of intense strategic concern as reflected in the coalition of forces assembled on Saudi soil to oust Iraq from Kuwait in 1991 Also it played a major role in the invasion of Saddam Husayn's Iraq in 2003 and shares concern with the West over Iran's nuclear intentions throughout the 21st century This third edition of Historical Dictionary of Saudi Arabia contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Saudi Arabia

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in

its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan **Historical Dictionary of Brunei Darussalam** Jatswan S. Sidhu, 2016-12-20 After being a British protectorate for about 96 years since the 1888 Treaty of Protection the modern state of Negara Brunei Darussalam Abode of Peace eventually obtained its independence from Great Britain on 1 January 1984 Run by a royal family that established a kingdom in Brunei some 650 years ago the first sultan Muhammad Shah Alak Betatar was installed in c 1363 Sultan Hassanal Bolkiah the current ruler is the 29th sultan of the lineage and is one of the richest men in the world In spite of being called a mini state Brunei is well known around the world because its population enjoys one of the highest gross national income per capita in the world at an average of US 39 943 2015 a year This third edition of Historical Dictionary of Brunei Darussalam contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Brunei Darussalam **Historical Dictionary of Sri Lanka** Patrick Peebles, 2015-10-22 Sri Lanka has had a celebrated history a long colonial past and since independence in 1948 has passed through a series of crises and political experiments It has had a remarkable record of voters turning out unpopular governments often by sweeping margins On 8 January 2015 voters again performed this feat when Maithripala Sirisena representing a coalition of disparate parties defeated Mahinda Rajapaksa for the presidency Rajapaksa was turning the nation away from its democratic heritage towards authoritarianism and militarism Independent Sri Lanka's economy stagnated for decades before it began to grow in the 1980s It has had significant economic growth since the end of the 26 year war against the separatist Liberation Tigers of Tamil Eelam LTTE in 2009 Although reconciliation between the Sinhalese Buddhist majority and Hindu Muslim and Christian minorities seems distant prospects for Sri Lanka seem better than they have been for decades The Historical Dictionary of Sri Lanka contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Sri Lanka **Historical Dictionary of Chinese Culture** Lawrence R.
