

The background of the notebook cover is a collage of various geological and paleontological specimens. In the top left, there is a pink, feathery fossil. Next to it is a smooth, white, shell-like object. To the right is a honeycomb-like structure, possibly a fossilized sponge. Further right is a small, pink, branching fossil. The bottom half of the cover is dominated by a large, detailed image of a coiled ammonite fossil, showing its characteristic spiral shape and ribbed structure. The spiral-bound edge of the notebook is visible on the left side.
