*The Historical Novel and Other Essays (Classic Reprint)* Brander Matthews, 2018-01-29 Excerpt from *The Historical Novel and Other Essays* Historical fiction suffers in France from the same discredit as historical painting and for the same reasons It is either too easy to be worth while a French critic might say or so difficult as to be impossible When a young man once went to Courbet for advice saying that his vocation was to be a historical painter the artist promptly responded I don't doubt it and therefore begin by giving three months to making a portrait of your father About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Literary and Historical Essays (Classic Reprint) Thomas Davis, 2015-07-06 Excerpt from *Literary and Historical Essays* In this volume I have endeavoured to do for Thomas Davis what I once hoped to see him do for himself to gather together such of his historical and literary Miscellanies as were mainly devoted to the illustration of Ireland I have done so with care and reverence and I believe they will be found to make a rich and suggestive book and one with a true soul in it In selecting them I kept in view as I know he would have desired not fame for the dead but usefulness to the living I chose such as were most likely to awaken and instruct the People and contribute to the purpose for which Davis lived He has written nothing wanting vitality and power but those who have still to become familiar with his writings must not think they have materials for an estimate of him here He has done greater and more striking things This is but the reflection of one phase of his mind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses

Occasional Essays (Classic Reprint) Samuel Smith, 2017-07-22 Excerpt from Occasional Essays The essays published in this volume are for the most part reprints of papers written at different times during the past fifteen years The reader will no doubt perceive that one or two of them are somewhat early productions and need a little indulgence The contrast between the two papers on America is explained by the fact that the first reflected the dark hues that tinged the political firmament before the outbreak of the civil war whereas the second caught the glow of patriotism which prevailed in the Northern States for some time after the conclusion of that contest Looking from our present standpoint we should say that the first took too dark the second too bright a view of American institutions politics have indeed relapsed into a state of corruption which appears to be chronic in that country but the forces for good which abide in the social and religious life of the people will neutralise in great measure the evils that cling to its political system About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
