*A Complete Collection of the Historical, Political, and Miscellaneous Works* John Milton, 1698 England's Colonial Empire: an historical, political and statistical account of the Empire; its colonies and dependencies. vol. 1. The Mauritius and its dependencies Charles PRIDHAM, 1849 *Memoirs of Russia, Historical, Political and Military, from 1727 to 1744* C. H. von Manstein, 1770 **Educart CBSE Class 12 Sample Papers Bundle - History, Political Science, Geography & English 2023-24 (Introducing Revision Maps and Past Year Papers) 2024** Educart, 29-01-24 An Entire and Complete History, political and personal, of the boroughs of Great Britain (together with the Cinque Ports); to which is prefixed, An original sketch of constitutional rights, etc. By T. H. B. Oldfield Thomas Hinton Burley OLDFIELD, 1794 A Social History of Western Political Thought Ellen Meiksins Wood, 2022-08-30 A sweeping and nuanced materialist history of Western political thought In this groundbreaking work Ellen Meiksins Wood rewrites the history of political theory from Plato to Rousseau Treating canonical thinkers as passionately engaged human beings Wood examines their ideas not simply in the context of political languages but as creative responses to the social relations and conflicts of their time and place She identifies a distinctive relation between property and state in Western history and shows how the canon while largely the work of members or clients of dominant classes was shaped by complex interactions among proprietors labourers and states Western political theory Wood argues owes much of its vigour and also many ambiguities to these complex and often contradictory relations In the first volume she traces the development of the Western tradition from classical antiquity through to the Middle Ages in the perspective of social history a significant departure not only from the standard abstract history of ideas but also from other contextual methods From the Ancient Greek polis of Plato Aristotle Aeschylus and Sophocles through the Roman Republic of Cicero and the Empire of St Paul and St Augustine to the medieval world of Averroes Thomas Aquinas and William of Ockham Wood offers a rich dynamic exploration of thinkers and ideas that have indelibly stamped our modern world In the second volume Wood addresses the formation of the modern state the rise of capitalism the Renaissance and Reformation the scientific revolution and the Age of Enlightenment which have all been attributed to the early modern period Nearly everything about its history remains controversial but one thing is certain it left a rich and provocative legacy of political ideas unmatched in Western history The concepts of liberty equality property human rights and revolution born in those turbulent centuries continue to shape and to limit political discourse today Assessing the work and background of figures such as Machiavelli Luther Calvin Spinoza the Levellers Hobbes Locke and Rousseau Ellen Wood vividly explores the ideas of the canonical thinkers not as philosophical abstractions but as passionately engaged responses to the social conflicts of their day **Time, History, and Political Thought** John Robertson, 2023-06-22 Explores the multiple ways in which different conceptions of time and history have been used to understand politics since late antiquity showing that no conception of politics has dispensed altogether with time and many have explicitly sought

legitimacy in association with forms of history      **A History of Modern Political Thought in East Central Europe** Balázs Trencsényi, Maciej Janowski, Monika Baár, Maria Falina, Michal Kopeček, Luka Lisjak Gabrijelčič, 2016 A History of Modern Political Thought in East Central Europe Volume II Part II examines the defeat of the vision of socialism with a human face in 1968 and the political discourses produced by the various consolidation or normalization regimes It closes with pertinent questions about the fragility of the democratic order globally      **The Johns Hopkins University Studies in Historical and Political Science** Johns Hopkins University, 1882      **An Entire and Complete History, Political and Personal, of the Boroughs of Great Britain** Thomas Hinton Burley Oldfield, 1792      **Johns Hopkins University Studies in Historical and Political Science** , 1928      **Political Science in History** James F. Farr, James Farr, John S. Dryzek, Stephen T. Leonard, 1995-04-28 In this volume scholars take up the challenge of disciplinary history by exploring the themes and movements that have shaped political science today      **The Oxford Handbook of American Political History** Paula Baker, Donald T. Critchlow, 2020-03-06 American political and policy history has revived since the turn of the twenty first century After social and cultural history emerged as dominant forces to reveal the importance of class race and gender within the United States the application of this line of work to American politics and policy followed In addition social movements particularly the civil rights and feminism helped rekindle political and policy history As a result a new generation of historians turned their attention to American politics Their new approach still covers traditional subjects but more often it combines an interest in the state politics and policy with other specialties urban labor social and race among others within the history and social science disciplines The Oxford Handbook of American Political History incorporates and reflects this renaissance of American political history It not only provides a chronological framework but also illustrates fundamental political themes and debates about public policy including party systems women in politics political advertising religion and more Chapters on economy defense agriculture immigration transportation communication environment social welfare health care drugs and alcohol education and civil rights trace the development and shifts in American policy history This collection of essays by 29 distinguished scholars offers a comprehensive overview of American politics and policy      **A Comparative Analysis of Political and Media Discourses about Russia's Invasion of Ukraine** Anton Oleinik, 2024-03-19 This book explores the discursive dimension of Russia's invasion of Ukraine It analyzes how political leaders mass media social media and ordinary people in Ukraine Russia the United States the United Kingdom and France discuss the war War propaganda and counterpropaganda structure discourses about the invasion strengthening post truth conditions The book highlights the consequences of the growing distrust in the institutional truth teller mass media Russia's invasion of Ukraine is the first social media war Social media became the principal source of information about the invasion The rise of digital media did not change the tendency of the discourses about war to be territorially segregated according to national boundaries Nationalization of discourses about war continues to prevail over their globalization The corpora containing more than 180

million words in four languages inform the analysis The data was collected during the first year and a half of Russia's war in Ukraine
