History Of Gnosticism

G Orfield

History Of Gnosticism:

Gnosis Kurt Rudolph, 2001-06-20 Translated by R McL Wilson A full scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature the teachings the history and the influence of this religion A Separate God Simone Pétrement, 1990 **A History of Gnosticism** , 1992 *The Secret History of the Gnostics* Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaeans in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **Gnostic Truth and Christian Heresy** A. H. B. Logan, 1996-01-01 *The Gnostics* Andrew Phillip Smith, 2012-01-01 According to the ancient Gnostics the early Christians who wrote such controversial texts as the recently discovered Gospel of Judas we are all capable of gnosis or direct knowledge of the true reality that lies behind the material world Andrew Phillip Smith author of respected works on the lost sayings of Jesus the Gospel of Philip and other Gnostic subjects now offers a highly accessible layman's introduction to this long suppressed philosophy that offers an intriguing alternative to accepted Christian beliefs With references to The Da Vinci Code The Matrix and other fictions inspired by the Gnostic worldview this is an eye opening and possibly life changing book meant to revive forgotten traditions and perhaps even allow readers to experience gnosis themselves *Gnosticism and the History of Religions* David G. Robertson, 2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis

Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation *Gnosticism* Benjamin Walker,1983 **Gnosticism: The History and Legacy of the Mysterious Ancient Religion** Charles River Editors,2019-03-18 Includes pictures Includes ancient accounts Includes online resources and a bibliography for further reading This knowledge is not something that can be put into words like other sciences but after long continued intercourse between teacher and pupil in joint pursuit of the subject suddenly like light flashing forth when a fire is kindled it is born in the soul and straightway nourishes itself Plato Gnosticism is one of the great mysteries in the history of Western religion At its core is an ancient Greek word gnosis a word prominent in the writings of Plato which refers to a deep personal knowledge or understanding that often transcends the physical world The Gnostics painted a picture of a fallen broken world in which physicality was a product of a lesser deity This deity was created in defiance of the One and in order to trap humans and blind them to the truths of their predicament and divine origins By acquiring insight or gnosis in this secret nature of the world humans might escape their prison Only through knowledge can people be set free As that makes clear Gnosticism as a belief system is difficult to define since it is not a well organized or uniform doctrine like Christianity or Judaism but at one time there was some synchronization with Christianity that nurtured both movements As a religion and philosophy Gnosticism flourished alongside Christianity and it is not easy to say which one came first but it is certain that both movements influenced each other To paraphrase John Dominic Crossan it is unclear whether Gnosticism was a Christian heresy a Jewish heresy or an original religion that powerfully merged with both Gnosticism borrowed elements from Christians just as the whole of Christianity took a certain Gnostic flavor to the point that some books of the New Testament especially the Gospel of John could easily pass as a proto Gnostic document At the risk of oversimplifying Gnosticism was the belief that the souls are divine sparks imprisoned in imperfect physical bodies due to the machinations of a lesser and evil god who created the world This evil god is identified with the creator of the Genesis and the Hebrew Bible The material world and the body are prisons separated from the divine realm from which humans must escape through the ascent of various levels This is possible through the acquisition of secret knowledge reserved for the elect This special revelation or gnosis knowledge was supposedly disclosed by Jesus to his dearest disciples and it can be found in the Gnostic books deliberately written in cryptic language The acquisition of the secrets necessary for the salvation of the soul in many cases implied a radical asceticism and corporal sacrifice Due to such classical roots it would be easy to conclude that Gnosticism is an ancient philosophy and a cursory glance might categorize it as simply a way of understanding the world and

promoting investigation However the term is most often used to describe not a philosophy but a religion and not just any religion but a branch of one of the most resilient and influential traditions in history Christianity So what exactly is Gnosticism and why does it remain such a source of confusion captivation and charisma for modern scholarship and culture alike These answers are complex and indicative of how the many turnings of the last two millennia have unexpectedly unearthed some answers while burying others even deeper Gnosticism The History and Legacy of the Mysterious Ancient Religion looks at the different origins that shaped Gnosticism what Gnostics believed and practiced and the influence they had on other religions Along with pictures depicting important people places and events you will learn about Gnosticism like never before Gnostic truth and Christian heresy Alastair H. B. Logan,2004 **First Century Gnosticism** Gerard van Groningen,1967 Christian Gnosis Ferdinand Christian Baur,2020-06-17 Baur published Die christliche Gnosis in 1835 It was his first great religio historical study and the most important book on Gnosticism published in the nineteenth century It is now recognized as having a pivotal status in Baur studies In it Baur offers a unique thesis about a link between ancient and modern religious philosophy Gnosis is a type of religious philosophy that contains ideas about the relationship between God world and human beings as expressed in concrete religious traditions and practices As such it makes an important contribution to Christian theology In the first part Baur develops a concept of gnosis in dialogue with his predecessors and contemporaries He classifies the gnostic systems in terms of how they conceive the relationship of Christianity to Judaism and paganism and then describes them in detail Valentinus Ophites Bardesanes Saturninus Basilides Marcion Pseudo Clementines Following transitional sections on the criticism of and reaction to gnosis in church history the book ends with modern religious philosophy Boehme Schelling Schleiermacher and Hegel Baur s first discussion of these major thinkers This book was written over a hundred years before the manuscript discovery at Nag Hammadi which awakened a lively interest in Gnosticism that continues to the present day The Secret History of the Gnostics Andrew Philip Smith,2016-09-22 Andrew Phillip Smith is editor of The Gnostic and the author of several books on Gnosticism esotericism and early Christianity including the first ever dictionary of Gnosticism He has also written for New Dawn Fortean Times and the Guardian

Pre-Christian Gnosticism Edwin M. Yamauchi,2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism So wrote the author in 1973 in the first edition With the publication since then of the entire Nag Hammadi library this observation has become even more incisive Was there a pre Christian Gnosticism Did Gnosticism directly or indirectly influence nascent Christianity Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles formed their message about Jesus The author here analyzes the evidence used to support this thesis He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre Christian materials are not clearly Gnostic A new chapter in this paperback edition brings the discussion up to date *Forbidden Faith* Richard

Smoley, 2023-11-21 Scholar Richard Smoley reveals the secret history of the religious doctrines of Gnosticism in *Forbidden Faith*. The success of books such as Elaine Pagels's *Gnostic Gospels* and Dan Brown's *Da Vinci Code* proves beyond a doubt that there is a tremendous thirst today for finding the hidden truths of Christianity truths that may have been lost or buried by institutional religion over the last two millennia. In *Forbidden Faith*, Richard Smoley narrates a popular history of one such truth: the ancient esoteric religion of Gnosticism which flourished between the first and fourth centuries A.D. but whose legacy remains even today having survived secretly throughout the ages. Smoley elegantly tracks one of our wildest and most vital inner lineages: the one that comes down through Plotinus, the Gospel of Thomas, the Cathars, Pico della Mirandola, Madame Blavatsky, Jung, and the Matrix films. Coleman Barks, author of *The Essential Rumi*. This clear, concise primer traces the Gnostic threads of philosophy, religion, science, and popular culture from their biblical references through to their 21st-century appearances in novels and film. Moving easily from one century to the next while at the same time connecting them to each other, Smoley is at once thoughtful and thought-provoking. He paves a wide, clear path to understanding it accessible even to the weekend seeker. Publishers Weekly Starred Review. Drawing on an impressive mastery of the subject matter, Smoley traces Gnosticism from the first century C.E. to the present. A compelling and accessible argument. A thoroughly enjoyable read. Highly recommended. Library Journal.

Understanding New Religious Movements John A. Saliba, 2003. After opening with a broad overview of the new religious movements in contemporary Western culture including the Hare Krishna movement, Transcendental Meditation, Scientology, and the Unification Church, Saliba, a Jesuit priest and professor of religious studies, examines them from sociological, psychological, legal, and theological perspectives. He contends that less fear and more understanding may help bring about a better relationship between parents and their children who have become involved in new religious movements and help others who have contact with these movements. Annotation copyright by Book News, Inc., Portland, OR.

Gnosticism and the History of Religions David George Robertson, 2021. Gnosticism as a category in religious studies and public discourse is inexorably entangled with the phenomenological History of Religions school. Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented, this work focuses on the following stage in which it is essentialised into a sui generis universal category of religion. At the same time, Gnosticism became a religious self-identifier with a number of sizable contemporary groups identifying as Gnostics today, drawing on the same discourses. This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century. It uses a critical historical method to show how and why Gnosis, Gnostic, and Gnosticism were taken up by specific groups and individuals, practitioners and scholars at different times. It shows how ideas about Gnosticism developed in late nineteenth and twentieth-century scholarship, drawing from continental phenomenology, Jungian psychology, and post-Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world. David Robertson.

challenges how scholars interact with the category Gnosticism and contribute to our understanding of the complex relationship between primary sources academics and practitioners in category formation

The Gnostics David Brakke, 2012-09-03 Who were the Gnostics And how did the Gnostic movement influence the development of Christianity in antiquity Is it true that the Church rejected Gnosticism This book offers an illuminating discussion of recent scholarly debates over the concept of Gnosticism and the nature of early Christian diversity Acknowledging that the category Gnosticism is flawed and must be reformed David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of thought He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning offered a message of salvation in Jesus and provided a way for people to regain knowledge of God the ultimate source of their being Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity in which other Christians not only rejected their ideas but also adapted and transformed them This book will challenge scholars to think in new ways but it also provides an accessible introduction to the Gnostics and their fellow early Christians

The Economic and Social Origins of Gnosticism Henry A. Green, 1985

The Gospel of Thomas History Academy, 2021-08-21 A provocative study of the gnostic gospels and the world of early Christianity as revealed through the Nag Hammadi texts Jesus preaches the coming of a new man the genesis of the man of knowledge In this gospel Jesus describes a journey from limited to unlimited consciousness The Jesus of Thomas invites us to drink deeply from the well of knowledge that lies within not so that we may become good Christians but so we may attain the self knowledge that will make each of us too a Christ Discover the original mystical teachings of Jesus in the Gospel of Thomas the most important book left out of the Bible The Gospel of Thomas contains the seeds of a profound mysticism that can transform our view of the universe and ourselves History Academy unpacks the core teachings of the Gospel in ways that can shift not only how we understand ourselves but how we view reality itself The Way of Thomas is packed with profound insights and practical advice for spiritual practice The Gospel of Thomas consists of mini parables of deep inward and symbolic meaning many of which are not found in the New Testament This eye opening collection of texts sheds light on the esoteric knowledge of Gnosticism revealing intimate conversations between Jesus and his Disciples Gnosticism was a wide ranging religious movement of the first millennium CE with earlier antecedents and later flourishings whose adherents sought salvation through knowledge and personal religious experience Gnostic writings offer striking perspectives on both early Christian and non Christian thought For example some gnostic texts suggest that god should be celebrated as both mother and father and that self knowledge is the supreme path to the divine Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions and what a marvelous body of scriptures it produced The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation In 1945

several gospels hidden since the first century were found in the Egyptian Desert at Nag Hammadi This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics a movement which emerged during the formative period of Christianity Gnosis from the Greek broadly meaning hidden spiritual knowledge was associated with renouncing the material world and focusing on attaining the life of the Holy Spirit Many Christian sects are derived from the esoteric knowledge of Gnosticism This volume also includes introductory essays notes tables glossary index etc to help the reader understand the context and contemporary significance of these texts which have shed new light on early Christianity and ancient thought The selections gathered here in poetic readable translation represent Jewish Christian Hermetic Mandaean Manichaean Islamic and Cathar expressions of gnostic spirituality Their regions of origin include Egypt the Greco Roman world the Middle East Syria Iraq China and France History Academy represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

History Of Gnosticism Introduction

In the digital age, access to information has become easier than ever before. The ability to download History Of Gnosticism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download History Of Gnosticism has opened up a world of possibilities. Downloading History Of Gnosticism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading History Of Gnosticism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download History Of Gnosticism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading History Of Gnosticism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading History Of Gnosticism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download History Of Gnosticism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About History Of Gnosticism Books

What is a History Of Gnosticism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a History Of Gnosticism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a History Of Gnosticism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a History Of Gnosticism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a History Of Gnosticism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
