History Peloponnesian War Thucydides:

History of the Peloponnesian War Thucydides, 1974-02-28 With icy remorselessness it puts paid to any notion that the horrors of modern history might be an aberration for it tells of universal war of terrorism revolution and genocide Tom Holland The long life and death struggle between Athens and Sparta plunged the ancient Greek world into decades of war Thucydides was an Athenian and achieved the rank of general in the earlier stages of the war and in this detailed first hand contemporary account he writes as both a soldier and a historian He applies a passion for accuracy and a contempt for myth and romance in compiling a factual record of a ruinous conflict that would eventually destroy the Athenian empire Translated by Rex Warner with an introduction and notes by M I Finley

The Peloponnesian War Thucydides, 1998-06-01 The first unabridged translation into American English and the first to take into account the wealth of Thucydidean scholarship of the last half of the twentieth century Steven Lattimore's translation sets a new standard for accuracy and reliability Notes provide information necessary for a fuller understanding of problematic passages explore their implications as well as the problems they may pose and shed light on Thucydides as a distinctive literary artist as well as a source for historians and political theorists
